The Indentures contain restrictive covenants relating to limitations on: (i) liens; (ii) certain asset sales and mergers and consolidations; and (iii) sale and leaseback transactions, subject, in each case, to certain exceptions.

The Indentures contain customary terms that upon certain events of default occurring and continuing, either the Trustee or the holders of not less than 25% in aggregate principal amount of the 2031 Notes or the 2033 Notes, as applicable, then outstanding may declare the principal of such series of Notes and any accrued and unpaid interest through the date of such declaration immediately due and payable. 1. Representations and Warranties. The Issuer and the Guarantor, where applicable, represent and warrant to, and agree with, each Underwriter as set forth below in this Section 1:

(a) The Companies meet the requirements for use of Form S-3 under the Act and have prepared and filed with the Commission an automatic shelf registration statement, as defined in Rule 405. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, became effective upon filing. The Companies may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more preliminary prospectus and/or preliminary prospectus supplements relating to the Securities, each of which has previously been furnished to you. The Companies will file with the Commission a final prospectus supplement relating to the Securities in accordance with Rule 424(b). As filed, such final prospectus supplement shall contain all information required by the Act and the rules thereunder, and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and the Preliminary Prospectus used most recently prior to the Execution Time) as Equinix has advised you, prior to the Execution Time, will be included or made therein. The Registration Statement, at the Execution Time, meets the requirements set forth in Rule 415(a)(1)(x). The initial Effective Date of the Registration Statement was not earlier than the date three years before the Execution Time.

(b) On each Effective Date, the Registration Statement did, and when the Final Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date (as defined herein), the Final Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act, the Exchange Act and the Trust Indenture Act and the respective rules thereunder; on each Effective Date, at the Execution Time and at the Closing Date, the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; on the Effective Date and on the Closing Date the Indenture did or will comply in all material respects with the applicable requirements of the Trust Indenture Act and the rules thereunder; and on the date of any filing pursuant to Rule 424(b) and on the Closing Date, the Final Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that none of the Companies makes any representations or warranties as to (i) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification (Form T-1) under the Trust Indenture Act of the Trustee or (ii) the information contained in or omitted from the Registration Statement or the Final Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Companies by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

(c) (i) The Disclosure Package and (ii) each electronic road show relating to the offering and sale of the Securities, when taken together as a whole with the Disclosure Package, as of the Execution Time and at the Closing Date, does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Companies by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

(d) (i) At the time of filing the Registration Statement by a Company, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Sections 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time a Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Securities in reliance on the exemption in Rule 163, and (iv) at the Execution Time (with such date being used as the determination date for purposes of this clause (iv)), the Guarantor was or is (as the case may be) a “well-known seasoned issuer” as defined in Rule 405. The Companies agree to pay the fees required by the Commission relating to the Securities within the time required by Rule 456(b)(1) without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r).

(e) (i) At the earliest time after the filing of the Registration Statement that the Companies or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2)) of the Securities and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), each of the Companies was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Companies be considered an Ineligible Issuer.

(f) Each Issuer Free Writing Prospectus and the final term sheet prepared and filed pursuant to Section 5(b) hereto does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated by reference therein and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Companies by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

(g) Each of the Companies has been duly incorporated or organized and is validly existing in good standing (or equivalent concept) under the laws of the jurisdiction of its organization or incorporation (as the case may be), with power and authority (corporate and other) to own its properties and conduct its business as described in the Disclosure Package and the Final Prospectus; and each Company is duly qualified to do business as a foreign business entity in good standing (or equivalent concept) in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, except to the extent that the failure to be so qualified or in good standing (or equivalent concept) in such other jurisdictions would not reasonably be expected to have a Material Adverse Effect. As used herein, “Material Adverse Effect” means a material adverse effect on the condition (financial or other), business, properties or results of operations of Equinix and its subsidiaries, taken as a whole.

(h) As of December 31, 2025, EQUINIX (EMEA) BV, EQUINIX (EMEA) MANAGEMENT, INC., EQUINIX LLC and Equinix Pacific LLC (each, a “Subsidiary” and, together, the “Subsidiaries”) were the direct and indirect subsidiaries of Equinix that are material to the business of Equinix and its subsidiaries taken as a whole. Each of the Subsidiaries has been duly organized and is an existing business entity in good standing (or equivalent concept) under the laws of the jurisdiction of its organization, with power and authority (corporate and other) to own its properties and conduct its business as described in the Disclosure Package and the Final Prospectus; and each Subsidiary is duly qualified to do business as a foreign business entity in good standing (or equivalent concept) in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification except to the extent that the failure to be so qualified or in good standing (or equivalent concept) would not reasonably be expected to have a Material Adverse Effect; all of the issued and outstanding capital stock or equity interests, as applicable, of each subsidiary of Equinix have been duly authorized and validly issued and are fully paid and nonassessable. Equinix owns all of the shares of capital stock or equity interests, as applicable, of each subsidiary of Equinix, directly or through subsidiaries, free from liens, encumbrances and defects, except as disclosed in the Disclosure Package and the Final Prospectus. As of December 31, 2025, the Subsidiaries were the only significant subsidiaries of Equinix as defined by Rule 1-02 of Regulation S-X.

(i) Except as disclosed in the Disclosure Package and the Final Prospectus or as have been validly waived, there are no contracts, agreements or understandings involving any of the Companies granting to any person the right to require any of the Companies to file a registration statement under the Act with respect to any securities of the Companies owned or to be owned by such person or to require any of the Companies to include such securities in the securities registered pursuant to the Registration Statement or in any securities being registered pursuant to any other registration statement filed by the Companies under the Act.

(j) The Base Indenture was duly authorized, executed and delivered by the Companies and, assuming due authorization, execution and delivery thereof by the Trustee, constitutes a legal, valid and binding instrument enforceable against the Companies in accordance with its terms (subject, as to enforcement of remedies, to applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting creditors’ rights generally from time to time in effect and to general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether considered in a proceeding in equity or at law (the “Enforceability Exceptions”)); the Supplemental Indenture has been duly authorized by the Companies and, when executed and delivered by the Companies (assuming due authorization, execution and delivery thereof by the Trustee), will constitute a legal, valid and binding instrument enforceable against the Companies in accordance with its terms subject to the Enforceability Exceptions; the Indenture is qualified under the Trust Indenture Act and complies with the provisions thereof applicable to an indenture that is qualified thereunder; the Notes have been duly authorized and, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters pursuant to this Agreement, will constitute legal, valid and binding obligations of the Issuer enforceable against the Issuer subject to the Enforceability Exceptions and will be entitled to the benefits of the Indenture; and the statements set forth under the heading “Description of Notes” in the Registration Statement, the Disclosure Package and the Final Prospectus, insofar as such statements purport to summarize certain provisions of the Securities and the Indenture, provide a fair summary of such provisions.

(k) The Guarantee has been duly authorized and, at the Closing Date, will have been duly executed by the Guarantor and, when the Notes have been authenticated, issued and delivered in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters pursuant to this Agreement, will constitute legal, valid and binding obligations of the Guarantor, enforceable against the Guarantor, subject to the Enforceability Exceptions and will be entitled to the benefits of the Indenture.

(l) No consent, approval, authorization, or order of, or filing with, any governmental agency or body or any court is required to be obtained or made by the Companies for the consummation of the transactions contemplated by this Agreement and each of the other Operative Documents, except such as have been obtained and made under the Act, the Exchange Act, the Trust Indenture Act, or such as may be obtained under state securities or blue sky laws in connection with the offer and sale of the Securities by the Underwriters in the manner contemplated herein and in the Registration Statement, the Disclosure Package and the Final Prospectus.

(m) The execution and delivery by each of the Companies of this Agreement and each of the other Operative Documents, the performance by each of the Companies of their obligations under this Agreement and each of the other Operative Documents, and the consummation of the transactions contemplated herein and therein will not result in a breach or violation of any of the terms and provisions of, or constitute a default under, any statute, any rule, regulation or order of any governmental agency or body or any court, domestic or foreign, having jurisdiction over the Companies or any of the Subsidiaries or any of their properties, or any agreement or instrument to which the Companies or any such Subsidiary is a party or by which the Companies or any such Subsidiary is bound or to which any of the properties of Equinix or any such Subsidiary is subject (except a breach, violation or default that would not reasonably be expected to have a material adverse effect on the execution and delivery by the Companies of this Agreement and each of the other Operative Documents (other than the Base Indenture), the performance by the Companies of their obligations under this Agreement and each of the other Operative Documents, and the consummation of the transactions contemplated herein and therein), or the charter, constitution or by-laws of the Companies or any such Subsidiary.

Equinix will use its reasonable best efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its reasonable best efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) The Companies will prepare a final term sheet, containing solely a description of final terms of the Securities and the offering thereof, in the form approved by you and attached as Schedule IV hereto and file such term sheet pursuant to Rule 433(d) within the time required by such Rule.

(c) If, at any time prior to the filing of the Final Prospectus pursuant to Rule 424(b), any event occurs as a result of which the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made or the circumstances then prevailing not misleading, or if it shall be necessary to amend the Registration Statement, file a new registration statement or supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, Equinix will (i) notify promptly the Representatives so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) amend or supplement the Disclosure Package in a form approved by the Representatives to correct such statement or omission; and (iii) supply any amendment or supplement to you in such quantities as you may reasonably request.

(d) If, at any time when a prospectus relating to any series of Securities is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Final Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made at such time not misleading, or if it shall be necessary to supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, including in connection with use or delivery of the Final Prospectus, Equinix promptly will (i) notify the Representatives of any such event, (ii) prepare and file with the Commission, subject to the second sentence of paragraph (a) of this Section 5, an amendment or supplement or new registration statement which will correct such statement or omission or effect such compliance, (iii) use its reasonable best efforts to have any amendment to the Registration Statement or new registration statement declared effective as soon as practicable in order to avoid any disruption in use of the Final Prospectus and (iv) supply any supplemented Final Prospectus to you in such quantities as you may reasonably request.

(g) The Companies will arrange, if necessary, for the qualification of the Securities for sale under the laws of such jurisdictions as the Representatives may designate and will maintain such qualifications in effect so long as required for the distribution of the Securities; provided that in no event shall the Companies be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject.

(h) Each Underwriter, severally and not jointly, agrees with the Companies that, unless it has or shall have obtained, as the case may be, the prior written consent of Equinix, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a “free writing prospectus” (as defined in Rule 405) required to be filed by the Companies with the Commission or retained by the Companies under Rule 433, other than the free writing prospectus containing the information contained in the final term sheet prepared and filed pursuant to Section 5(b) hereto; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule III hereto and any electronic road show relating to the offering and sale of the Securities. Any such free writing prospectus consented to by the Representatives or Equinix is hereinafter referred to as a “Permitted Free Writing Prospectus.” The Companies agree that (x) they have treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, including without limitation for the purposes of this Agreement and (y) they have complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

(i) Before making, preparing, using, authorizing, approving, referring to or filing any Issuer Free Writing Prospectus, and before filing any amendment or supplement to the Registration Statement or the Final Prospectus, whether before or after the time that the Registration Statement becomes effective, the Companies will furnish to the Representatives and counsel for the Underwriters a copy of the proposed Issuer Free Writing Prospectus, amendment or supplement for review and will not make, prepare, use, authorize, approve, refer to or file any such Issuer Free Writing Prospectus or file any such proposed amendment or supplement to which the Representatives reasonably object.

(j) The Companies will not, without the prior written consent of the Representatives, offer, sell, contract to sell, pledge, or otherwise dispose of (or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Companies or any affiliate of the Companies), directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, any debt securities issued or guaranteed by the Companies pursuant to an indenture, or publicly announce an intention to effect any such transaction, until the day after the Closing Date.

(k) The Companies will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Companies to facilitate the sale or resale of the Securities.

(l) Except as otherwise agreed in writing between the Companies and the Representatives, the Companies agree to pay the costs and expenses relating to the following matters: (i) the preparation, printing, authentication, issuance and delivery of certificates for the Securities, including any stamp or transfer taxes in connection with the original issuance and sale of the Securities; (ii) the printing (or reproduction) and delivery of this Agreement, any blue sky memorandum and all other agreements or documents printed (or reproduced) and delivered, including the expenses and fees of the financial printer, in connection with the offering and sale of the Securities; (iii) the registration of the Securities under the Exchange Act; (iv) any registration or qualification of the Securities for offer and sale under the securities or blue sky laws of the several states (including filing fees and the reasonably incurred fees and expenses of counsel for the Underwriters relating to such registration and qualification); (v) the transportation and other expenses incurred by or on behalf of Companies' representatives (but not the Underwriters) in connection with presentations to prospective purchasers of the Securities; (vi) the fees and expenses of the Companies' accountants and the fees and expenses of counsel (including local and special counsel) for the Companies; and (vii) all other costs and expenses incident to the performance by the Companies of their obligations hereunder and under each of the other Operative Documents.

(m) The Companies will, in cooperation with the Representatives, complete and sign the return on debt securities form and send the same to the Underwriters in order that the duly completed return on debt securities form may be submitted to the Monetary Authority of Singapore within one month from the Closing Date.

6. Conditions to the Obligations of the Underwriters. (iii) since the date of the most recent financial statements included in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto), there has been no material adverse effect on the condition (financial or other), business, properties or results of operation of Equinix and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto).

(e) The Representatives shall have received from PricewaterhouseCoopers, LLP (US), at the Execution Time and at the Closing Date, "comfort" letters (which may refer to letters previously delivered to the Representatives), dated respectively as of the Execution Time and as of the Closing Date and each in form and substance satisfactory to the Representatives, containing statements and information of the type customarily included in accountants' "comfort" letters to underwriters with respect to the financial statements and certain financial information of Equinix and its subsidiaries contained or incorporated by reference in each of the Disclosure Package and the Final Prospectus, confirming that PricewaterhouseCoopers, LLP (US) is an independent registered accounting firm with respect to Equinix and its subsidiaries within the meaning of the Act and the Exchange Act and the respective applicable rules and regulations adopted by the Commission and the PCAOB; provided that the "comfort" letter delivered on the Closing Date shall use a "cut-off" date no more than two Business Days prior to the Closing Date.

(f) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereof) and the Final Prospectus (exclusive of any amendment or supplement thereto), there shall not have been (i) any change or decrease specified in the letters referred to in paragraph (e) of this Section 6 or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), earnings, business or properties of Equinix and its subsidiaries taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto) the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representatives, so material and adverse as to make it impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by the Registration Statement (exclusive of any amendment thereof), the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto).

(g) Subsequent to the Execution Time, there shall not have been any decrease in the rating of any of the Companies' debt securities by any "nationally recognized statistical rating organization" (as such term is defined in Section 3(a)(62) under the Exchange Act) or any notice given of any intended or potential decrease in any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(h) Prior to the Closing Date, the Companies shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

If any of the conditions specified in this Section 6 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Companies in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 6 shall be delivered at the office of Simpson Thacher & Bartlett LLP, counsel for the Underwriters, at 2475 Hanover Street, Palo Alto, CA 94304, on the Closing Date.

7. Reimbursement of Underwriters' Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Companies to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Companies will, jointly and severally, reimburse the Underwriters severally through the Representatives on demand for all expenses (including fees and disbursements of counsel) that shall have been reasonably incurred by them in connection with the proposed purchase and sale of the Securities.

8. Indemnification and Contribution. The Companies agree, jointly and severally, to indemnify and hold harmless each Underwriter, its affiliates, the directors, officers, employees and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or in any amendment thereof or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Base Prospectus, any Preliminary Prospectus or any other preliminary prospectus supplement relating to any series of Securities, the Final Prospectus, any Issuer Free Writing Prospectus or the information contained in the final term sheet required to be prepared and filed pursuant to Section 5(b) hereto, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Companies will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Companies by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Companies may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Companies, each of their respective directors, each of their respective officers and managers, as applicable, who signs the Registration Statement, and each person who controls the Companies within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Companies to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Companies by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Companies acknowledge that the information contained under the heading “Underwriting” in the Disclosure Package and the Final Prospectus in (x) the sentence related to concessions to selected dealers, (y) the paragraph related to stabilization transactions and (z) the sentences relating to risk management and hedging policies of certain Underwriters or their affiliates who have lending relationships with Equinix (for the avoidance of doubt, such sentences begin with the words “Certain of the underwriters or their affiliates routinely hedge,...”) constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Registration Statement, Preliminary Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party’s choice at the indemnifying party’s expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party’s election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonably incurred fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any statement as to any admission of fault, culpability or failure to act by or on behalf of any indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 8 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Companies and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively "Losses") to which the Companies and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Companies on the one hand and by the Underwriters on the other from the offering of the Securities. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Companies and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Companies on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Companies shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by them collectively, and benefits received by the Underwriters shall be deemed to be equal to the total Underwriting Discounts and commissions, in each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Companies on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Companies and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. In no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the Underwriting Discount or commission applicable to the Securities purchased by such Underwriter hereunder. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each affiliate, director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls either of the Companies within the meaning of either the Act or the Exchange Act, each officer or manager, as applicable, of either of the Companies who shall have signed the Registration Statement and each director of either of the Companies shall have the same rights to contribution as the Companies, subject in each case to the applicable terms and conditions of this paragraph (d). The Underwriters' obligations to contribute pursuant to this Section 8 are several in proportion to their respective purchase obligations and not joint.

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any series of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Securities with respect to such series set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of such series of Securities set forth opposite the names of all the remaining Underwriters) the Securities with respect to such series which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Underwriters do not purchase all the Securities, this Agreement will terminate without liability to any nondefaulting Underwriter or the Companies other than as set forth in the last sentence of Section 11. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Companies and any nondefaulting Underwriter for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Companies prior to delivery of and payment for the Securities, if at any time prior to such delivery and payment (i) trading in Equinix's Common Stock shall have been suspended by the Commission or the NASDAQ Global Select Market or trading in securities generally on the New York Stock Exchange or the NASDAQ Global Market shall have been suspended or limited or minimum prices shall have been established on either of such exchanges, (ii) a banking moratorium shall have been declared either by U.S. Federal or New York State authorities, (iii) there shall have occurred a material disruption in securities settlement or clearance services in the United States, or (iv) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Representatives, impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by the Registration Statement, the Disclosure Package or the Final Prospectus (exclusive of any amendment or supplement thereto).

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Companies or their officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or its affiliates or the Companies or any of the officers, directors, employees, agents or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 5(l), 7, 8 and 21 hereof shall survive the termination or cancellation of this Agreement.

12. Notices. All communications hereunder will be in writing and effective only on receipt, and, (a) if sent to the Representatives, will be mailed, delivered or telefaxed to the Representatives c/o Citigroup Global Markets Singapore Pte. Ltd., 8 Marina View #21-00 Asia Square Tower 1 Singapore 018960, Attn: Capital Markets Origination, Tel: +65 6657 1965; c/o Goldman Sachs (Singapore) Pte., 1 Raffles Link, #07-01 South Lobby, Singapore 039393, Attn: Global Banking & Markets, Tel: +65 6889 1954; c/o ING Financial Markets LLC, 1133 Avenue of the Americas, New York, New York 10036, Attn: DCM Syndicate Desk, facsimile: (646) 424-8972; c/o J.P. 13. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the affiliates, officers, directors, employees, agents and controlling persons referred to in Section 8 hereof, and no other person will have any right or obligation hereunder.

14. No Fiduciary Duty. The Companies hereby acknowledge that (a) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Companies, on the one hand, and the Underwriters and any affiliate through which it may be acting, on the other, (b) the Underwriters are acting as principal and not as an agent or fiduciary of the Companies and (c) the Companies' engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, the Companies agree that they are solely responsible for making their own judgments in connection with the offering (irrespective of whether any of the Underwriters has advised or is currently advising the Companies on related or other matters). The Companies agree that they will not claim that the Underwriters have rendered advisory services of any nature or respect, or owe an agency, fiduciary or similar duty to the Companies, in connection with such transaction or the process leading thereto.

15. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Companies and the Underwriters, or any of them, with respect to the subject matter hereof.

16. Applicable Law. This Agreement and any claim, controversy or dispute arising under or related to this Agreement will be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York.

17. Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder into any currency other than United States dollars, the parties hereto agree, to the fullest extent permitted by law, that the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Underwriters could purchase United States dollars with such other currency in The City of New York on the U.S. business day preceding that on which final judgment is given. The obligation of either the Issuer or the Guarantor with respect to any sum due from it to any Underwriter or any person controlling any Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first U.S. business day following receipt by such Underwriter or controlling person of such Underwriter of any sum in such other currency, and only to the extent that such Underwriter or controlling person of such Underwriter may in accordance with normal banking procedures purchase United States dollars with such other currency. If the United States dollars so purchased are less than the sum originally due to such Underwriter or controlling person of such Underwriter hereunder, then each of the Issuer and the Guarantor agrees to pay such additional amounts, in the relevant currency, as may be necessary to compensate for the shortfall. If the United States dollars so purchased are greater than the sum originally due to such Underwriter or controlling person of such Underwriter hereunder, such Underwriter or controlling person of such Underwriter agrees to pay to the Issuer or the Guarantor an amount equal to the excess of the dollars so purchased over the sum originally due to such Underwriter or controlling person of such Underwriter hereunder. Any amounts payable by the Issuer, the Guarantor or any Underwriter under this Section 17 shall be paid to the applicable Underwriter(s), the Issuer or the Guarantor (as applicable) as promptly as reasonably practicable.

18. Submission to Jurisdiction. The Issuer irrevocably submits to the exclusive jurisdiction of any New York State or United States Federal court sitting in The City of New York over any suit, action or proceeding arising out of or relating to this Agreement, the Disclosure Package, the Final Prospectus or the offering of the Securities. The Issuer irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum. To the extent that the Issuer has or hereafter may acquire any immunity (on the grounds of sovereignty or otherwise) from the jurisdiction of any court or from any legal process with respect to itself or its property, the Issuer irrevocably waives, to the fullest extent permitted by law, such immunity in respect of any such suit, action or proceeding.

19. Agent for Service. The Issuer hereby irrevocably appoints Equinix as its agent for service of process in any suit, action or proceeding described in the preceding paragraph and agrees that service of process in any such suit, action or proceeding may be made upon it by courier and by certified mail (return receipt requested), fees and postage prepaid, at the office of such agent. The Issuer waives, to the fullest extent permitted by law, any other requirements of or objections to personal jurisdiction with respect thereto. The Issuer represents and warrants that such agent has agreed to act as the Issuer's agent for service of process, and the Issuer agrees to take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect.

20. Waiver of Jury Trial. The Companies hereby irrevocably waive, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

21. Counterparts. This Agreement may be signed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same agreement. Counterparts may be delivered via facsimile, electronic mail (including via www.docuSign.com and any other electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

(i) the reduction of all, or a portion, of the UK Bail-in Liability or outstanding amounts due thereon;

1. Representations and Warranties. The Issuer and the Guarantor, where applicable, represent and warrant to, and agree with, each Underwriter as set forth below in this Section 1:

(a) The Companies meet the requirements for use of Form S-3 under the Act and have prepared and filed with the Commission an automatic shelf registration statement, as defined in Rule 405. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, became effective upon filing. The Companies may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more preliminary prospectus and/or preliminary prospectus supplements relating to the Securities, each of which has previously been furnished to you. The Companies will file with the Commission a final prospectus supplement relating to the Securities in accordance with Rule 424(b). As filed, such final prospectus supplement shall contain all information required by the Act and the rules thereunder, and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and the Preliminary Prospectus used most recently prior to the Execution Time) as Equinix has advised you, prior to the Execution Time, will be included or made therein. The Registration Statement, at the Execution Time, meets the requirements set forth in Rule 415(a)(1)(x). The initial Effective Date of the Registration Statement was not earlier than the date three years before the Execution Time.

(b) On each Effective Date, the Registration Statement did, and when the Final Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date (as defined herein), the Final Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act, the Exchange Act and the Trust Indenture Act and the respective rules thereunder; on each Effective Date, at the Execution Time and at the Closing Date, the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; on the Effective Date and on the Closing Date the Indenture did or will comply in all material respects with the applicable requirements of the Trust Indenture Act and the rules thereunder; and on the date of any filing pursuant to Rule 424(b) and on the Closing Date, the Final Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that none of the Companies makes any representations or warranties as to (i) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification (Form T-1) under the Trust Indenture Act of the Trustee or (ii) the information contained in or omitted from the Registration Statement or the Final Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Companies by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

(c) (i) The Disclosure Package and (ii) each electronic road show relating to the offering and sale of the Securities, when taken together as a whole with the Disclosure Package, as of the Execution Time and at the Closing Date, does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Companies by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

(d) (i) At the time of filing the Registration Statement by a Company, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Sections 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time a Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Securities in reliance on the exemption in Rule 163, and (iv) at the Execution Time (with such date being used as the determination date for purposes of this clause (iv)), the Guarantor was or is (as the case may be) a “well-known seasoned issuer” as defined in Rule 405. The Companies agree to pay the fees required by the Commission relating to the Securities within the time required by Rule 456(b)(1) without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r).

(e) (i) At the earliest time after the filing of the Registration Statement that the Companies or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2)) of the Securities and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), each of the Companies was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Companies be considered an Ineligible Issuer.

(f) Each Issuer Free Writing Prospectus and the final term sheet prepared and filed pursuant to Section 5(b) hereto does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated by reference therein and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Companies by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

As used herein, “Material Adverse Effect” means a material adverse effect on the condition (financial or other), business, properties or results of operations of Equinix and its subsidiaries, taken as a whole.

(h) As of December 31, 2025, EQUINIX (EMEA) BV, EQUINIX (EMEA) MANAGEMENT, INC., EQUINIX LLC and Equinix Pacific LLC (each, a “Subsidiary” and, together, the “Subsidiaries”) were the direct and indirect subsidiaries of Equinix that are material to the business of Equinix and its subsidiaries taken as a whole. Each of the Subsidiaries has been duly organized and is an existing business entity in good standing (or equivalent concept) under the laws of the jurisdiction of its organization, with power and authority (corporate and other) to own its properties and conduct its business as described in the Disclosure Package and the Final Prospectus; and each Subsidiary is duly qualified to do business as a foreign business entity in good standing (or equivalent concept) in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification except to the extent that the failure to be so qualified or in good standing (or equivalent concept) would not reasonably be expected to have a Material Adverse Effect; all of the issued and outstanding capital stock or equity interests, as applicable, of each subsidiary of Equinix have been duly authorized and validly issued and are fully paid and nonassessable. Equinix owns all of the shares of capital stock or equity interests, as applicable, of each subsidiary of Equinix, directly or through subsidiaries, free from liens, encumbrances and defects, except as disclosed in the Disclosure Package and the Final Prospectus. As of December 31, 2025, the Subsidiaries were the only significant subsidiaries of Equinix as defined by Rule 1-02 of Regulation S-X.

(i) Except as disclosed in the Disclosure Package and the Final Prospectus or as have been validly waived, there are no contracts, agreements or understandings involving any of the Companies granting to any person the right to require any of the Companies to file a registration statement under the Act with respect to any securities of the Companies owned or to be owned by such person or to require any of the Companies to include such securities in the securities registered pursuant to the Registration Statement or in any securities being registered pursuant to any other registration statement filed by the Companies under the Act.

(j) The Base Indenture was duly authorized, executed and delivered by the Companies and, assuming due authorization, execution and delivery thereof by the Trustee, constitutes a legal, valid and binding instrument enforceable against the Companies in accordance with its terms (subject, as to enforcement of remedies, to applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting creditors’ rights generally from time to time in effect and to general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether considered in a proceeding in equity or at law (the “Enforceability Exceptions”)); the Supplemental Indenture has been duly authorized by the Companies and, when executed and delivered by the Companies (assuming due authorization, execution and delivery thereof by the Trustee), will constitute a legal, valid and binding instrument enforceable against the Companies in accordance with its terms subject to the Enforceability Exceptions; the Indenture is qualified under the Trust Indenture Act and complies with the provisions thereof applicable to an indenture that is qualified thereunder; the Notes have been duly authorized and, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters pursuant to this Agreement, will constitute legal, valid and binding obligations of the Issuer enforceable against the Issuer subject to the Enforceability Exceptions and will be entitled to the benefits of the Indenture; and the statements set forth under the heading “Description of Notes” in the Registration Statement, the Disclosure Package and the Final Prospectus, insofar as such statements purport to summarize certain provisions of the Securities and the Indenture, provide a fair summary of such provisions.

(k) The Guarantee has been duly authorized and, at the Closing Date, will have been duly executed by the Guarantor and, when the Notes have been authenticated, issued and delivered in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters pursuant to this Agreement, will constitute legal, valid and binding obligations of the Guarantor, enforceable against the Guarantor, subject to the Enforceability Exceptions and will be entitled to the benefits of the Indenture.

(l) No consent, approval, authorization, or order of, or filing with, any governmental agency or body or any court is required to be obtained or made by the Companies for the consummation of the transactions contemplated by this Agreement and each of the other Operative Documents, except such as have been obtained and made under the Act, the Exchange Act, the Trust Indenture Act, or such as may be obtained under state securities or blue sky laws in connection with the offer and sale of the Securities by the Underwriters in the manner contemplated herein and in the Registration Statement, the Disclosure Package and the Final Prospectus.

(m) The execution and delivery by each of the Companies of this Agreement and each of the other Operative Documents, the performance by each of the Companies of their obligations under this Agreement and each of the other Operative Documents, and the consummation of the transactions contemplated herein and therein will not result in a breach or violation of any of the terms and provisions of, or constitute a default under, any statute, any rule, regulation or order of any governmental agency or body or any court, domestic or foreign, having jurisdiction over the Companies or any of the Subsidiaries or any of their properties, or any agreement or instrument to which the Companies or any such Subsidiary is a party or by which the Companies or any such Subsidiary is bound or to which any of the properties of Equinix or any such Subsidiary is subject (except a breach, violation or default that would not reasonably be expected to have a material adverse effect on the execution and delivery by the Companies of this Agreement and each of the other Operative Documents (other than the Base Indenture), the performance by the Companies of their obligations under this Agreement and each of the other Operative Documents, and the consummation of the transactions contemplated herein and therein), or the charter or by-laws of the Companies or any such Subsidiary.

(n) This Agreement has been duly authorized, executed and delivered by the Companies.

(o) Except as disclosed in the Registration Statement, the Disclosure Package and the Final Prospectus, Equinix and the Subsidiaries hold title to all real properties and all other properties and assets owned by them, in each case free from liens, encumbrances and defects that are reasonably likely to result in a Material Adverse Effect; and Equinix and the Subsidiaries hold any leased real or personal property under valid and enforceable leases with no exceptions that are reasonably likely to result in a Material Adverse Effect.

(p) Equinix and the Subsidiaries possess adequate certificates, authorities or permits issued by appropriate governmental agencies or bodies necessary to conduct the business now operated by them and have not received any notice of proceedings relating to the revocation or modification of any such certificate, authority or permit that, if determined adversely to Equinix or any of its subsidiaries, would individually or in the aggregate have a Material Adverse Effect.

(q) No labor dispute with the employees of Equinix or any of the Subsidiaries, exists or, to the knowledge of Equinix, is imminent that would reasonably be expected to have a Material Adverse Effect.

(r) Equinix and the Subsidiaries own, possess or can acquire on reasonable terms, adequate trademarks, trade names and other rights to inventions, know-how, patents, copyrights, confidential information and other intellectual property (collectively, the "Intellectual Property Rights") necessary to conduct the business now operated by them, or presently employed by them, and have not received any notice of infringement of or conflict with asserted rights of others with respect to any Intellectual Property Rights that, if determined adversely to Equinix or any of the Subsidiaries, would individually or in the aggregate have a Material Adverse Effect.

(s) Except as disclosed in the Registration Statement, the Disclosure Package and the Final Prospectus, none of Equinix or any of the Subsidiaries (A) is in violation of any statute, any rule, regulation, decision or order of any governmental agency or body or any court, domestic or foreign, relating to the use, disposal or release of hazardous or toxic substances or relating to the protection or restoration of the environment or human exposure to hazardous or toxic substances (collectively, the "Environmental Laws"), (B) owns leases or operates any real property contaminated with any substance that is subject to any Environmental Laws, (C) is liable for any off-site disposal or contamination pursuant to any Environmental Laws, or (D) is subject to any claim relating to any Environmental Laws, in each case which violation, contamination, liability or claim would individually or in the aggregate have a Material Adverse Effect; and Equinix is not aware of any pending or threatened investigation which is reasonably expected to lead to such a claim. Except as disclosed in the Registration Statement, the Disclosure Package and the Final Prospectus, there are no costs or liabilities associated with Environmental Laws (including, without limitation, any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties) that would reasonably be expected to have a Material Adverse Effect.

(t) Except as disclosed in the Registration Statement, the Disclosure Package and the Final Prospectus, there are no pending actions, suits or proceedings against or affecting Equinix or any of the Subsidiaries, or any of their respective properties that, if determined adversely to Equinix or any of the Subsidiaries would individually or in the aggregate have a Material Adverse Effect, or would materially and adversely affect the ability of Equinix to perform its obligations under any Operative Document, or which are otherwise material in the context of the transactions contemplated by any Operative Document; and no such actions, suits or proceedings are threatened or, to Equinix's knowledge, contemplated.

(w) None of the Companies or any of the Subsidiaries is currently in breach of, or in default under, any other written agreement or instrument to which it or its property is bound or affected except to the extent that such breach or default would not reasonably be expected to have a Material Adverse Effect.

Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Issuer agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Issuer, at the purchase price (expressed as a percentage of principal amount) set forth in Schedule I hereto with respect to each series of Securities, the principal amount of the Securities set forth opposite such Underwriter's name in Schedule II hereto with respect to such series.

3. Delivery and Payment. Delivery of and payment for the Securities shall be made on the date and at the time specified in Schedule I hereto or at such time on such later date not more than ten Business Days after the date of this Agreement as the Representatives shall designate, which date and time may be postponed by agreement between the Representatives and the Issuer or as provided in Section 9 hereof (such date and time of delivery and payment for the Securities being herein called the "Closing Date"). Delivery of the Securities shall be made to the Representatives for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representatives of the purchase price thereof to or upon the order of the Issuer by wire transfer payable in same-day funds to an account specified by the Issuer. Delivery of the Securities shall be made through the facilities of The Depository Trust Company unless the Representatives shall otherwise instruct. Certificates for the Securities shall be registered in such names and in such denominations as the Representatives may request not less than one Business Day in advance of the Closing Date.

Equinix agrees to have the Securities available for inspection, checking and packaging by the Representatives in New York, New York, no later than two Business Days prior to the Closing Date.

4. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Securities for sale to the public as set forth in the Final Prospectus.
5. Agreements. Each of the Companies and the several Underwriters agree that:

(a) Prior to the termination of the offering of the Securities, neither of the Companies will file any amendment of the Registration Statement or amendment or supplement (including the Final Prospectus or any Preliminary Prospectus) to the Base Prospectus and the latest Preliminary Prospectus used prior to the Execution Time. Equinix will cause the Final Prospectus, properly completed, and any amendment or supplement thereto to be filed in a form approved by the Representatives with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed and will provide evidence satisfactory to the Representatives of such timely filing. Equinix will promptly advise the Representatives (i) when the Final Prospectus, and any amendment or supplement thereto (if required), shall have been filed with the Commission pursuant to Rule 424(b), (ii) when, prior to termination of the offering of the Securities, any amendment to the Registration Statement shall have been filed or become effective, which amendment shall be in a form approved by the Representatives, (iii) of any request by the Commission or its staff for any amendment of the Registration Statement, or for any amendment or supplement to the Final Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose or pursuant to Section 8A of the Act and (v) of the receipt by Equinix of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. Equinix will use its reasonable best efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its reasonable best efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) The Companies will prepare a final term sheet, containing solely a description of final terms of the Securities and the offering thereof, in the form approved by you and attached as Schedule IV hereto and file such term sheet pursuant to Rule 433(d) within the time required by such Rule.

(c) If, at any time prior to the filing of the Final Prospectus pursuant to Rule 424(b), any event occurs as a result of which the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made or the circumstances then prevailing not misleading, or if it shall be necessary to amend the Registration Statement, file a new registration statement or supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, Equinix will (i) notify promptly the Representatives so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) amend or supplement the Disclosure Package in a form approved by the Representatives to correct such statement or omission; and (iii) supply any amendment or supplement to you in such quantities as you may reasonably request.

(d) If, at any time when a prospectus relating to any series of Securities is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Final Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made at such time not misleading, or if it shall be necessary to supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, including in connection with use or delivery of the Final Prospectus, Equinix promptly will (i) notify the Representatives of any such event, (ii) prepare and file with the Commission, subject to the second sentence of paragraph (a) of this Section 5, an amendment or supplement or new registration statement which will correct such statement or omission or effect such compliance, (iii) use its reasonable best efforts to have any amendment to the Registration Statement or new registration statement declared effective as soon as practicable in order to avoid any disruption in use of the Final Prospectus and (iv) supply any supplemented Final Prospectus to you in such quantities as you may reasonably request.

(e) As soon as practicable, Equinix will make generally available to its security holders and to the Representatives an earnings statement or statements of Equinix and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158.

(f) The Companies will furnish to the Representatives and counsel for the Underwriters, without charge, signed copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), as many copies of each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus and any supplement thereto as the Representatives may reasonably request.

(g) The Companies will arrange, if necessary, for the qualification of the Securities for sale under the laws of such jurisdictions as the Representatives may designate and will maintain such qualifications in effect so long as required for the distribution of the Securities; provided that in no event shall the Companies be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject.

(h) Each Underwriter, severally and not jointly, agrees with the Companies that, unless it has or shall have obtained, as the case may be, the prior written consent of Equinix, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a “free writing prospectus” (as defined in Rule 405) required to be filed by the Companies with the Commission or retained by the Companies under Rule 433, other than the free writing prospectus containing the information contained in the final term sheet prepared and filed pursuant to Section 5(b) hereto; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule III hereto and any electronic road show relating to the offering and sale of the Securities. Any such free writing prospectus consented to by the Representatives or Equinix is hereinafter referred to as a “Permitted Free Writing Prospectus.” The Companies agree that (x) they have treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, including without limitation for the purposes of this Agreement and (y) they have complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

(i) Before making, preparing, using, authorizing, approving, referring to or filing any Issuer Free Writing Prospectus, and before filing any amendment or supplement to the Registration Statement or the Final Prospectus, whether before or after the time that the Registration Statement becomes effective, the Companies will furnish to the Representatives and counsel for the Underwriters a copy of the proposed Issuer Free Writing Prospectus, amendment or supplement for review and will not make, prepare, use, authorize, approve, refer to or file any such Issuer Free Writing Prospectus or file any such proposed amendment or supplement to which the Representatives reasonably object.

(j) The Companies will not, without the prior written consent of the Representatives, offer, sell, contract to sell, pledge, or otherwise dispose of (or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Companies or any affiliate of the Companies), directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, any debt securities issued or guaranteed by the Companies pursuant to an indenture, or publicly announce an intention to effect any such transaction, until the day after the Closing Date.

(k) The Companies will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Companies to facilitate the sale or resale of the Securities.

(l) Except as otherwise agreed in writing between the Companies and the Representatives, the Companies agree to pay the costs and expenses relating to the following matters: (i) the preparation, printing, authentication, issuance and delivery of certificates for the Securities, including any stamp or transfer taxes in connection with the original issuance and sale of the Securities; (ii) the printing (or reproduction) and delivery of this Agreement, any blue sky memorandum and all other agreements or documents printed (or reproduced) and delivered, including the expenses and fees of the financial printer, in connection with the offering and sale of the Securities; (iii) the registration of the Securities under the Exchange Act; (iv) any registration or qualification of the Securities for offer and sale under the securities or blue sky laws of the several states (including filing fees and the reasonably incurred fees and expenses of counsel for the Underwriters relating to such registration and qualification); (v) the transportation and other expenses incurred by or on behalf of Companies' representatives (but not the Underwriters) in connection with presentations to prospective purchasers of the Securities; (vi) the fees and expenses of the Companies' accountants and the fees and expenses of counsel (including local and special counsel) for the Companies; and (vii) all other costs and expenses incident to the performance by the Companies of their obligations hereunder and under each of the other Operative Documents.

6. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Securities shall be subject to the accuracy of the representations and warranties on the part of the Companies contained herein as of the Execution Time and the Closing Date, to the accuracy of the statements of the Companies made in any certificates pursuant to the provisions hereof, to the performance by the Companies of their obligations hereunder and to the following additional conditions:

(a) The Final Prospectus, and any supplement thereto, have been filed in the manner and within the time period required by Rule 424(b); the final term sheet contemplated by Section 5(b) hereto and any other material required to be filed by the Companies pursuant to Rule 433(d) under the Act shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; and no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use shall have been issued and no proceedings for that purpose or pursuant to Section 8A of the Act shall have been instituted or threatened.

(b) The Representatives shall have received (i) the opinion and negative assurance letter of Davis Polk & Wardwell LLP, outside counsel for the Companies, dated the Closing Date and addressed to the Representatives, to the effect as set forth on Exhibit A hereto, (ii) the opinion of Kurt Pletcher, Esq., the Chief Legal Officer of Equinix, dated the Closing Date and addressed to the Representatives, to the effect set forth on Exhibit B hereto, and (iii) the opinion of Sullivan & Worcester LLP, special tax counsel for the Companies, dated the Closing Date and addressed to the Representatives, in form and substance reasonably satisfactory to the Representatives.

(c) The Representatives shall have received from Simpson Thacher & Bartlett LLP, counsel for the Underwriters, such opinion and negative assurance letter, dated the Closing Date and addressed to the Representatives, with respect to matters as the Representatives may reasonably require, and the Companies shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(d) The Companies shall have furnished to the Representatives a certificate of the Companies, signed by, in the case of Equinix, the Chairman of the Board or the President and the principal financial or accounting officer of Equinix and, in the case of the Issuer, an authorized signatory, dated the Closing Date, to the effect that:

(i) the representations and warranties of the Companies in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date and the Companies have complied with all the agreements and satisfied all the conditions on each of their respective parts to be performed or satisfied at or prior to the Closing Date;

(ii) no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use has been issued and no proceedings for that purpose have been instituted or, to any of the Companies' knowledge, threatened; and

(iii) since the date of the most recent financial statements included in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto), there has been no material adverse effect on the condition (financial or other), business, properties or results of operation of Equinix and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto).

(e) The Representatives shall have received from PricewaterhouseCoopers, LLP (US), at the Execution Time and at the Closing Date, "comfort" letters (which may refer to letters previously delivered to the Representatives), dated respectively as of the Execution Time and as of the Closing Date and each in form and substance satisfactory to the Representatives, containing statements and information of the type customarily included in accountants' "comfort" letters to underwriters with respect to the financial statements and certain financial information of Equinix and its subsidiaries contained or incorporated by reference in each of the Disclosure Package and the Final Prospectus, confirming that PricewaterhouseCoopers, LLP (US) is an independent registered accounting firm with respect to Equinix and its subsidiaries within the meaning of the Act and the Exchange Act and the respective applicable rules and regulations adopted by the Commission and the PCAOB; provided that the "comfort" letter delivered on the Closing Date shall use a "cut-off" date no more than two Business Days prior to the Closing Date.

(f) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereof) and the Final Prospectus (exclusive of any amendment or supplement thereto), there shall not have been (i) any change or decrease specified in the letters referred to in paragraph (e) of this Section 6 or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), earnings, business or properties of Equinix and its subsidiaries taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto) the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representatives, so material and adverse as to make it impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by the Registration Statement (exclusive of any amendment thereof), the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto).

(g) Subsequent to the Execution Time, there shall not have been any decrease in the rating of any of the Companies' debt securities by any "nationally recognized statistical rating organization" (as such term is defined in Section 3(a)(62) under the Exchange Act) or any notice given of any intended or potential decrease in any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(h) Prior to the Closing Date, the Companies shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

If any of the conditions specified in this Section 6 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Companies in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 6 shall be delivered at the office of Simpson Thacher & Bartlett LLP, counsel for the Underwriters, at 2475 Hanover Street, Palo Alto, CA 94304, on the Closing Date.

7. Reimbursement of Underwriters' Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Companies to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Companies will, jointly and severally, reimburse the Underwriters severally through the Representatives on demand for all expenses (including fees and disbursements of counsel) that shall have been reasonably incurred by them in connection with the proposed purchase and sale of the Securities.

8. **Indemnification and Contribution.** The Companies agree, jointly and severally, to indemnify and hold harmless each Underwriter, its affiliates, the directors, officers, employees and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or in any amendment thereof or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Base Prospectus, any Preliminary Prospectus or any other preliminary prospectus supplement relating to any series of Securities, the Final Prospectus, any Issuer Free Writing Prospectus or the information contained in the final term sheet required to be prepared and filed pursuant to Section 5(b) hereto, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Companies will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Companies by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Companies may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Companies, each of their respective directors, each of their respective officers and managers, as applicable, who signs the Registration Statement, and each person who controls the Companies within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Companies to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Companies by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Companies acknowledge that the information contained under the heading “Underwriting” in the Disclosure Package and the Final Prospectus in (x) the sentence related to concessions to selected dealers, (y) the paragraph related to stabilization transactions and (z) the sentences relating to risk management and hedging policies of certain Underwriters or their affiliates who have lending relationships with Equinix (for the avoidance of doubt, such sentences begin with the words “Certain of the underwriters or their affiliates routinely hedge,...”) constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Registration Statement, Preliminary Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonably incurred fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any statement as to any admission of fault, culpability or failure to act by or on behalf of any indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 8 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Companies and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively "Losses") to which the Companies and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Companies on the one hand and by the Underwriters on the other from the offering of the Securities. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Companies and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Companies on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Companies shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by them collectively, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Companies on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Companies and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. In no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount or commission applicable to the Securities purchased by such Underwriter hereunder. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each affiliate, director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls either of the Companies within the meaning of either the Act or the Exchange Act, each officer or manager, as applicable, of either of the Companies who shall have signed the Registration Statement and each director of either of the Companies shall have the same rights to contribution as the Companies, subject in each case to the applicable terms and conditions of this paragraph (d). The Underwriters' obligations to contribute pursuant to this Section 8 are several in proportion to their respective purchase obligations and not joint.

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any series of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Securities with respect to such series set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of such series of Securities set forth opposite the names of all the remaining Underwriters) the Securities with respect to such series which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Underwriters do not purchase all the Securities, this Agreement will terminate without liability to any nondefaulting Underwriter or the Companies other than as set forth in the last sentence of Section 11. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Companies and any nondefaulting Underwriter for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Companies prior to delivery of and payment for the Securities, if at any time prior to such delivery and payment (i) trading in Equinix's Common Stock shall have been suspended by the Commission or the NASDAQ Global Select Market or trading in securities generally on the New York Stock Exchange or the NASDAQ Global Market shall have been suspended or limited or minimum prices shall have been established on either of such exchanges, (ii) a banking moratorium shall have been declared either by U.S. Federal or New York State authorities, (iii) there shall have occurred a material disruption in securities settlement or clearance services in the United States, or (iv) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Representatives, impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by the Registration Statement, the Disclosure Package or the Final Prospectus (exclusive of any amendment or supplement thereto).

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Companies or their officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or its affiliates or the Companies or any of the officers, directors, employees, agents or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 5(l), 7, 8 and 21 hereof shall survive the termination or cancellation of this Agreement.

12. Notices. All communications hereunder will be in writing and effective only on receipt, and, (a) if sent to the Representatives, will be mailed, delivered or telefaxed to the Representatives c/o Citigroup Global Markets Inc., 388 Greenwich Street, New York, New York 10013; Attention: General Counsel, facsimile: (646) 291-1469; c/o Goldman Sachs & Co. 13. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the affiliates, officers, directors, employees, agents and controlling persons referred to in Section 8 hereof, and no other person will have any right or obligation hereunder.

14. No Fiduciary Duty. The Companies hereby acknowledge that (a) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Companies, on the one hand, and the Underwriters and any affiliate through which it may be acting, on the other, (b) the Underwriters are acting as principal and not as an agent or fiduciary of the Companies and (c) the Companies' engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, the Companies agree that they are solely responsible for making their own judgments in connection with the offering (irrespective of whether any of the Underwriters has advised or is currently advising the Companies on related or other matters). The Companies agree that they will not claim that the Underwriters have rendered advisory services of any nature or respect, or owe an agency, fiduciary or similar duty to the Companies, in connection with such transaction or the process leading thereto.

15. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Companies and the Underwriters, or any of them, with respect to the subject matter hereof.

16. Applicable Law. This Agreement and any claim, controversy or dispute arising under or related to this Agreement will be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York.

17. Submission to Jurisdiction. The Issuer irrevocably submits to the exclusive jurisdiction of any New York State or United States Federal court sitting in The City of New York over any suit, action or proceeding arising out of or relating to this Agreement, the Disclosure Package, the Final Prospectus or the offering of the Securities. The Issuer irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum. To the extent that the Issuer has or hereafter may acquire any immunity (on the grounds of sovereignty or otherwise) from the jurisdiction of any court or from any legal process with respect to itself or its property, the Issuer irrevocably waives, to the fullest extent permitted by law, such immunity in respect of any such suit, action or proceeding.

18. Waiver of Jury Trial. The Companies hereby irrevocably waive, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

19. Counterparts. This Agreement may be signed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same agreement.  - (4) any expenses or charges (other than depreciation or amortization expense) related to any Equity Offering or the incurrence of Indebtedness permitted to be incurred in accordance with the Indenture (including a refinancing thereof) (whether or not successful), in each case, deducted (and not added back) in computing Consolidated Net Income; plus
 - (5) any other Non-cash Charges, including any provisions, provision increases, write-offs or write-downs reducing Consolidated Net Income for such period (*provided* that if any such Non-cash Charges represent an accrual or reserve for potential cash items in any future period, the cash payment in respect thereof in such future period shall be subtracted from Consolidated EBITDA to such extent), and excluding amortization of a prepaid cash item that was paid in a prior period; plus

(6) any costs or expenses incurred by the Guarantor or a Restricted Subsidiary of the Guarantor pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or any stock subscription or stockholder agreement, to the extent that such cost or expenses are funded with cash proceeds contributed to the capital of the Guarantor or net cash proceeds of an issuance of Equity Interest of the Guarantor (other than Disqualified Capital Stock); plus

(9) any net unrealized loss (after any offset) resulting in such period from obligations under any Currency Agreements and the application of ASC 815; *provided* that to the extent any such Currency Agreement relates to items included in the preparation of the income statement (as opposed to the balance sheet, as reasonably determined by the Guarantor), the realized loss on a Currency Agreement shall be included to the extent the amount of such hedge gain or loss was excluded in a prior period; plus

(10) any net unrealized loss (after any offset) resulting in such period from (A) currency translation or exchange losses including those (x) related to currency remeasurements of Indebtedness and (y) resulting from hedge agreements for currency exchange risk and (B) changes in the fair value of Indebtedness resulting from changes in interest rates; plus

(11) the amount of any minority interest expense (less the amount of any cash dividends paid in such period to holders of such minority interests); plus

(b) decreased (without duplication) by the following, in each case to the extent included in determining Consolidated Net Income for such period:

(1) non-cash gains increasing Consolidated Net Income of such Person for such period, excluding any non-cash gains to the extent they represent the reversal of an accrual or reserve for a potential cash item that reduced Consolidated EBITDA in any prior period and any non-cash gains with respect to cash actually received in a prior period so long as such cash did not increase Consolidated EBITDA in such prior period;

(2) any net gain from disposed or discontinued operations;

(3) any net unrealized gain (after any offset) resulting in such period from obligations under any Currency Agreements and the application of ASC 815; *provided* that to the extent any such Currency Agreement relates to items included in the preparation of the income statement (as opposed to the balance sheet, as reasonably determined by the Guarantor), the realized gain on a Currency Agreement shall be included to the extent the amount of such hedge gain or loss was excluded in a prior period; plus

(4) any net unrealized gains (after any offset) resulting in such period from (A) currency translation or exchange gains including those (x) related to currency remeasurements of Indebtedness and (y) resulting from hedge agreements for currency exchange risk and (B) changes in the fair value of Indebtedness resulting from changes in interest rates.

For purposes of this definition, calculations shall be done after giving effect on a pro forma basis for the period of such calculation to:

(1) the incurrence or repayment of any Indebtedness or the designation or elimination (including by de-designation) of any Designated Revolving Commitments of such Person or any of its Restricted Subsidiaries (and the application of the proceeds thereof) giving rise to the need to make such calculation and any incurrence or repayment of other Indebtedness (and the application of the proceeds thereof), other than the incurrence or repayment of Indebtedness in the ordinary course of business for working capital purposes pursuant to working capital facilities, occurring during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and on or prior to the Transaction Date, as if such incurrence or repayment of Indebtedness or designation or elimination (including by de-designation) of Designated Revolving Commitments, as the case may be (and the application of the proceeds thereof), occurred on the first day of the Four Quarter Period (and in the case of Designated Revolving Commitments, as if Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred throughout such period); and

(2) any asset sales or other dispositions or Asset Acquisitions (including, without limitation, any Asset Acquisition giving rise to the need to make such calculation as a result of such Person or one of its Restricted Subsidiaries (including any Person who becomes a Restricted Subsidiary as a result of the Asset Acquisition) incurring, assuming or otherwise being liable for Acquired Indebtedness and also including any Consolidated EBITDA (including any pro forma expense and cost reductions calculated on a basis consistent with Regulation S-X promulgated under the Exchange Act) attributable to the assets which are the subject of the Asset Acquisition or asset sale or other disposition during the Four Quarter Period) occurring during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and on or prior to the Transaction Date, as if such asset sale or other disposition or Asset Acquisition (including the incurrence, assumption or liability for any such Acquired Indebtedness) occurred on the first day of the Four Quarter Period. - (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or

If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Issuer shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Issuer shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

“**Trigger Period**” means the 60-day period commencing on the earlier of (i) the occurrence of a Change of Control or (ii) the first public announcement of the occurrence of a Change of Control or the Guarantor’s intention to effect a Change of Control (which Trigger Period will be extended so long as the ratings of the Notes are under publicly announced consideration for possible downgrade by any two of the three Rating Agencies); provided that the Trigger Period will terminate with respect to each Rating Agency when such Rating Agency takes action (including affirming its existing ratings) with respect to such Change of Control.

“**Trustee**” has the meaning specified in the introductory paragraph of this Supplemental Indenture.

“**United States**,” for purposes of Section 4.06 of this Supplemental Indenture, has the meaning set forth in Section 4.06(g).

“**Unrestricted Subsidiary**” of any Person means:

- (1) any Subsidiary of such Person that at the time of determination shall be or continue to be designated an Unrestricted Subsidiary by the Board of Directors of such Person in the manner provided below; and
- (2) any Subsidiary of an Unrestricted Subsidiary.

The Board of Directors of the Guarantor may designate any Subsidiary (including any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary unless such Subsidiary owns any Capital Stock of, or owns or holds any Lien on any property of, the Guarantor or any other Subsidiary of the Guarantor that is not a Subsidiary of the Subsidiary to be so designated; *provided* that each Subsidiary to be so designated and each of its Subsidiaries has not at the time of designation, and does not thereafter, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to any Indebtedness pursuant to which the lender has recourse to any of the assets of the Guarantor or any of its Restricted Subsidiaries.

The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary only if, immediately before and immediately after giving effect to such designation, no Default or Event of Default shall have occurred and be continuing. Any such designation by the Board of Directors shall be evidenced to the Trustee by promptly filing with the Trustee a copy of the Board Resolution giving effect to such designation and an Officers’ Certificate certifying that such designation complied with the foregoing provisions.

“**Wholly Owned Restricted Subsidiary**” means a Restricted Subsidiary, all of the Capital Stock of which (other than directors’ qualifying shares) is owned by the Guarantor or another Wholly Owned Restricted Subsidiary.

Whenever this Supplemental Indenture refers to a provision of the TIA, the provision is incorporated by reference in and made a part of this Supplemental Indenture.

All terms used in this Supplemental Indenture that are defined by the TIA, defined by TIA reference to another statute or defined by Commission rule under the TIA have the meanings so assigned to them.

Section 1.02. *Conflicts with Base Indenture.* In the event that any provision of this Supplemental Indenture limits, qualifies or conflicts with a provision of the Base Indenture, such provision of this Supplemental Indenture shall control.

Section 1.03. *References to Interest.* Unless the context otherwise requires, any reference in the Indenture or the Notes to the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes, shall be deemed to include the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

ARTICLE 2
THE NOTES

Section 2.01. *Amount; Series; Terms.*

(a) There is hereby created and designated one series of Notes under the Base Indenture: the title of the Notes shall be “4.400% Senior Notes Due 2031.” The changes, modifications and supplements to the Base Indenture effected by this Supplemental Indenture shall be applicable only with respect to, and govern the terms of, the Notes and shall not apply to any other series of notes that may be issued under the Base Indenture unless a supplemental indenture with respect to such other series of notes specifically incorporates such changes, modifications and supplements.

(b) The initial aggregate principal amount of Notes is \$700,000,000. The Issuer shall be entitled to issue additional notes under this Supplemental Indenture (“**Additional Notes**”) that shall have identical terms as the Initial Notes, other than with respect to the date of issuance, issue price and amount of interest payable on the first Interest Payment Date (as defined below) applicable thereto; *provided* that such issuance is not prohibited by the terms of the Indenture. Any such Additional Notes shall be consolidated and form a single series with the Initial Notes initially issued including for purposes of voting and redemption; *provided* that if such Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such Additional Notes shall have one or more separate CUSIP numbers. With respect to any Additional Notes, the Obligors shall set forth in a Board Resolution of their Board of Directors and in an Officers’ Certificate, a copy of each of which shall be delivered to the Trustee, the following information: (i) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Supplemental Indenture; and (ii) the issue price, the issue date, the CUSIP number of such Additional Notes, the first Interest Payment Date and the amount of interest payable on such first Interest Payment Date applicable thereto and the date from which interest shall accrue.

(c) The Stated Maturity of the Notes shall be March 15, 2031. The Notes shall be payable and may be presented for payment, purchase, redemption, registration of transfer and exchange, without service charge, at the office of the Obligors maintained for such purpose in the United States, which shall initially be the office or agency of the Trustee in the United States.

(d) The Notes shall bear interest at the rate of 4.400% per annum from March 5, 2026, or from the most recent date to which interest has been paid or duly provided for, as further provided in the forms of Global Note annexed hereto as Exhibit A. Interest shall be computed on the basis of a 360-day year composed of twelve 30-day months. The dates on which such interest shall be payable (each, an “**Interest Payment Date**”) shall be March 15 and September 15 of each year, beginning on September 15, 2026, and the record date for any interest payable on each such Interest Payment Date shall be the immediately preceding March 1 or September 1, respectively.

(e) The Notes will be issued in the form of one or more Global Notes, deposited with the Trustee as custodian for the Depository or its nominee, duly executed by the Obligors and authenticated by the Trustee as provided in Sections 2.03 and 2.04 of the Base Indenture.

Section 2.02. *Denominations.* The Notes shall be issuable only in registered form without coupons and only in minimum denominations of \$2,000 and any multiple of \$1,000 in excess thereof.

Section 2.03. *Form of Notes.* The Notes and the Trustee’s certificate of authentication will be substantially in the form of Exhibit A hereto. However, to the extent any provision of any Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01. *Redemption.* Pursuant to Section 3.01 of the Base Indenture, the following additional redemption provisions in this Article 3 shall apply to the Notes.

Section 3.02. *Optional Redemption of the Notes.*

(a) Prior to the Par Call Date, the Issuer may redeem the Notes at its option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (as defined below) (assuming the notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points less (b) interest accrued to the date of redemption (the “**Redemption Date**”), and (2) 100% of the aggregate principal amount of the Notes to be redeemed, plus, in either case, accrued and unpaid interest thereon, if any, to but excluding the Redemption Date (the “**Make-Whole Premium**”).

(b) On or after the Par Call Date, the Issuer may redeem the Notes, at its option, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the aggregate principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon, if any, to but excluding, the Redemption Date.

(c) Neither the Trustee nor any Paying Agent shall have any obligation to calculate or verify the calculation of the Make-Whole Premium.

(d) To the extent the following provisions are inconsistent with the provisions of Section 3.01 through Section 3.06 of the Base Indenture, the provisions of Section 3.01 through Section 3.06 of the Base Indenture shall not apply to the Notes, and the following provisions shall apply in lieu thereof:

(i) In the case of a partial redemption, selection of the Notes for redemption will be made pro rata, by lot or by such other method as the Trustee in its sole discretion deems appropriate and fair.

(ii) No Notes of a principal amount of \$2,000 or less shall be redeemed in part.

(iii) Notice of redemption will be delivered at least 10 but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed, the Trustee and the Paying Agent; *provided that*, if the redemption notice is issued in connection with a defeasance of the Notes or satisfaction and discharge of the Indenture governing the Note in accordance with the Indenture, the notice of redemption may be delivered more than 60 calendar days before the date of redemption. If any Note is to be redeemed in part only, then the notice of redemption that relates to such Note must state the portion of the principal amount of such Note to be redeemed. A new Note in a principal amount equal to the unredeemed portion of such Note will be issued in the name of the Holder of such Note upon cancellation of the original Note. Unless the Issuer defaults in payment of the redemption price, on and after the Redemption Date interest will cease to accrue on the Notes or portions thereof called for redemption.

(e) Any redemption or notice of redemption, other than a notice of redemption delivered pursuant to Section 3.03 in connection with a Change in Tax Law, may, at the Obligors' discretion, be subject to one or more conditions precedent.

(f) For so long as the Notes are held by the Depository (or another depository), any redemption of the Notes shall be done in accordance with the Applicable Procedures.

Section 3.03. *Tax Redemption.*

(a) The Issuer may redeem the Notes, in whole but not in part, at its option, at any time upon giving not less than 10 nor more than 60 days' prior notice to the Holders of the Notes, the Trustee (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest to, but excluding, the date of redemption ("**Tax Event Redemption Date**") and all Additional Amounts (if any) then due and which will become due on the Tax Event Redemption Date as a result of the redemption or otherwise (subject to the right of Holders of the Notes on the relevant record date to receive interest due on the relevant Interest Payment Date occurring on or prior to the redemption date and Additional Amounts (if any) in respect thereof), if, on the next date on which any amount would be payable in respect of the Notes, the Issuer is or, based upon an opinion of independent tax counsel of recognized standing in the relevant Tax Jurisdiction (any such opinion, a "**Tax Opinion**"), would be required to pay Additional Amounts in respect of the Notes and cannot avoid such payment obligation by taking reasonable measures available to the Issuer, and such requirement arises as a result of:

(i) any amendment to, or change in, the laws (or any regulations or rulings promulgated thereunder) of a relevant Tax Jurisdiction, which change or amendment is announced and becomes effective after the Issue Date (or, if later, the date the relevant Tax Jurisdiction becomes a Tax Jurisdiction);

(ii) any amendment to, or change in, an official written interpretation or application of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published administrative practice), which amendment or change is announced and becomes effective after the Issue Date (or, if later, the date the relevant Tax Jurisdiction becomes a Tax Jurisdiction) (any such amendment or change described in Section 3.03(a)(i) or Section 3.03(a)(ii), a “**Change in Tax Law**”); or

(iii) the Notes not qualifying or ceasing to qualify as “qualifying debt securities” for the purposes of the Income Tax Act 1947 of Singapore.

(b) The Issuer will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer would be obligated to pay Additional Amounts if a payment in respect of the Notes was then due, and the obligation to pay Additional Amounts must be in effect at the time such notice is given. Before the Issuer publishes or delivers a notice of redemption in respect of a Tax Event Redemption Date as described in this Section 3.03, the Obligors will deliver to the Trustee an Officers’ Certificate to the effect that the Issuer cannot avoid the obligation to pay Additional Amounts by taking reasonable measures available to it and, if required, the opinion of independent tax counsel described above. Any notice of redemption shall otherwise be given pursuant to the procedures described under Section 3.02 hereof. The Trustee shall accept, and will be entitled to conclusively rely on, such an Opinion of Counsel and such Officers’ Certificate as sufficient evidence of the existence and satisfaction of the conditions precedent described in Section 3.03(a)(i) and Section 3.03(a)(ii) above, as applicable, and upon delivery of such Opinion of Counsel and Officers’ Certificate to the Trustee, the Issuer will be entitled to give notice of redemption hereunder and such notice of redemption will be conclusive and binding on the Holders of the Notes. For the avoidance of doubt, following a substitution of the Guarantor for the Issuer with respect to the Notes then outstanding pursuant to Section 5.03 of the Base Indenture, this Section 3.03 and Section 4.06 hereof shall cease to apply with respect to such Notes.

Section 3.04. *Repurchase Offer.* In the event that, pursuant to Section 4.05 hereof, the Issuer is required to commence an offer to all Holders to purchase Notes (a “**Repurchase Offer**”), it shall follow the procedures specified below.

The Repurchase Offer shall remain open for a period of at least 20 Business Days following its commencement, except to the extent that a shorter or longer period is permitted or required, as the case may be, by applicable law (the “**Offer Period**”). No later than five Business Days after the termination of the Offer Period (the “**Purchase Date**”), the Issuer will purchase at the purchase price (as determined in accordance with Section 4.05 hereof, as the case may be) the principal amount of Notes required to be purchased pursuant to Section 4.05 hereof, as the case may be (the “**Offer Amount**”) and, if required, Pari Passu Indebtedness (on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness tendered in response to the Repurchase Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, to, but not including, the Purchase Date will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Repurchase Offer.

Upon the commencement of a Repurchase Offer, the Issuer will deliver or cause to be delivered a notice to each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Repurchase Offer. The notice, which will govern the terms of the Repurchase Offer, will state:

(a) that the Repurchase Offer is being made pursuant to this Section 3.04, and Section 4.05 hereof, and the length of time the Repurchase Offer will remain open;

- (b) the Offer Amount, the purchase price and the Purchase Date;
- (c) that any Note not tendered or accepted for payment will continue to accrue interest;
- (d) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Repurchase Offer will cease to accrue interest after the Purchase Date;
- (e) that Holders electing to have a Note purchased pursuant to a Repurchase Offer may elect to have Notes purchased in minimum denominations of \$2,000, or integral multiples of \$1,000 in excess thereof;
- (f) that Holders electing to have a Note purchased pursuant to any Repurchase Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Note completed, or transfer by book-entry transfer, to the Issuer, a Depository, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
- (g) that Holders will be entitled to withdraw their election if the Issuer, the Depository or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (h) that, if the aggregate principal amount of Notes and Pari Passu Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Trustee will select the Notes to be purchased on a pro rata basis based on the principal amount of Notes and such Pari Passu Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Trustee so that no Notes in denominations of \$2,000 or less will be purchased in part); and
- (i) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Issuer will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Repurchase Offer or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 3.04. The Issuer, the Depository or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Note, and the Trustee, upon written request from the Issuer, will authenticate and deliver (or cause to be transferred by book entry) such new Note to such Holder in a principal amount equal to any unpurchased portion of the Note surrendered. Notwithstanding any other provision in the Indenture to the contrary, neither an Opinion of Counsel nor an Officers' Certificate is required for the Trustee to authenticate such new Note. Any Note not so accepted shall be promptly returned by the Issuer to the Holder thereof. The Issuer will publicly announce the results of the Repurchase Offer on or as soon as practicable after the Purchase Date.

Other than as specifically provided in this Section 3.04 or Section 4.05 of this Supplemental Indenture, as applicable, any purchase pursuant to this Section 3.04 shall be made pursuant to the applicable provisions of Section 3.01 through Section 3.06 of the Base Indenture, as amended by Section 3.02(d) of this Supplemental Indenture.

ARTICLE 4
COVENANTS

In addition to the covenants set forth in Article 4 of the Base Indenture, the Notes shall be subject to the following additional covenants. Such additional covenants set forth in Sections 4.03 through Section 4.05 below shall be subject to covenant defeasance pursuant to Section 8.03 of the Base Indenture.

Section 4.01. *Payment of Notes.* The following paragraph shall be added following the first paragraph of Section 4.01 of the Base Indenture: “The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period), at such rate to the extent lawful. Interest will be computed daily on the Notes on the basis of a 360-day year comprised of twelve 30-day months (US 30/360)”.

Section 4.02. *Reports to Holders.* The following sentence shall be added to the end of the second paragraph of Section 4.03 of the Base Indenture: “If the Guarantor had any Unrestricted Subsidiaries during the relevant period, the Guarantor will also provide to the Trustee and, upon request, to any Holder of the Notes, information sufficient to ascertain the financial condition and results of operations of the Guarantor and its Restricted Subsidiaries, excluding in all respects the Unrestricted Subsidiaries.”

Section 4.03. *Sale and Leaseback Transactions.* The Obligors will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction with respect to any property or assets unless:

- (1) the Sale and Leaseback Transaction is solely with the Issuer, the Guarantor or a Restricted Subsidiary;
- (2) the lease is for a period not in excess of 36 months (or which may be terminated by either Obligor or any of its Subsidiaries within a period of not more than 36 months);
- (3) the Obligors would be able to incur Indebtedness secured by a Lien with respect to such Sale and Leaseback Transaction without equally and ratably securing the Notes pursuant to Section 4.04(b) (other than in reliance on clause (20) of the definition of “Permitted Liens”); or
- (4) the Issuer, the Guarantor or such Restricted Subsidiary within 365 days after the sale of such property in connection with such Sale and Leaseback Transaction is completed, applies an amount equal to the net proceeds of the sale of such property to (i) the redemption of Notes, other Indebtedness of the Issuer ranking on a parity with the Notes in right of payment or Indebtedness of the Issuer, the Guarantor or a Restricted Subsidiary or (ii) the purchase of other property; provided that, in lieu of applying such amount to the retirement of Pari Passu Indebtedness, the Issuer may deliver Notes to the Trustee for cancellation; such Notes to be credited at the cost thereof to the Issuer.

Section 4.04. *Limitation on Liens.* The Obligors will not, and will not cause or permit any of the Restricted Subsidiaries of the Guarantor to, directly or indirectly, create, incur, assume or permit or suffer to exist any Liens of any kind against or upon any property or assets of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor whether owned on the Issue Date or acquired after the Issue Date, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom unless:

- (a) in the case of Liens securing Subordinated Indebtedness, the Notes or the Guarantor’s Guarantee is secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; and
- (b) in all other cases, the Notes are equally and ratably secured,

except for:

- (1) Liens existing as of the Issue Date to the extent and in the manner such Liens are in effect on the Issue Date;
- (2) Liens securing the Obligations of the Obligors and the Obligations of the Restricted Subsidiaries of the Guarantor under any hedge facility permitted under the Indenture to be entered into by the Obligors and the Restricted Subsidiaries of the Guarantor;
- (3) Liens securing the Notes or the Guarantor's Guarantee thereof;
- (4) Liens in favor of the Obligors or a Wholly Owned Restricted Subsidiary of the Guarantor on assets of any Restricted Subsidiary of the Guarantor; and
- (5) Permitted Liens.

(c) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "**Increased Amount**" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, whether payable in cash or in kind, accretion or amortization of original issue discount, imputed interest, the payment of interest in the form of additional Indebtedness with the same terms or the payment of dividends on Disqualified Capital Stock in the form of additional shares of the same class, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.05. *Offer to Repurchase Upon Change of Control Triggering Event.*

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Issuer or a third party has previously or concurrently delivered a redemption notice with respect to all outstanding Notes as described under Section 3.02 or Section 3.03 hereof, the Issuer will be required to make an offer to purchase each Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**"), at a purchase price (the "**Change of Control Payment**") equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but not including the date of purchase.

(b) Within 30 days following the date upon which the Change of Control Triggering Event occurred, the Issuer must send (in the case of Notes represented by Global Notes, in accordance with the Applicable Procedures), or cause the Trustee to send, a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state, among other things, the Purchase Date, which must be no earlier than 10 days nor later than 60 days after the date such notice is delivered, other than as may be required by law (the "**Change of Control Payment Date**"). Holders electing to have a Note purchased pursuant to a Change of Control Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed and specifying the portion (equal to \$2,000 and integral multiples of \$1,000 in excess thereof) of such Holder's Notes that it agrees to sell to the Issuer pursuant to the Change of Control Offer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date.

(c) The Obligors will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.05, the Obligors will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under the provisions of this Section 4.05 by virtue of such conflict.

(d) On the date of such Change of Control Payment, the Issuer will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

(e) The Paying Agent will promptly deliver to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and deliver (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the date of such Change of Control Payment.

(f) The Issuer will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. The Issuer (or a third party) may make a Change of Control Offer in advance of, and conditioned upon, any Change of Control Triggering Event.

Section 4.06. *Payment of Additional Amounts.*

(a) All payments made by the Obligor under or with respect to the Notes will be made free and clear of, and without withholding or deduction for or on account of, any Tax, unless the withholding or deduction of such Tax is then required by law. If any deduction or withholding by any applicable withholding agent for or on account of any Taxes imposed or levied by or on behalf of any jurisdiction (excluding the United States) in which an Obligor is organized, resident or carrying on business for tax purposes or from or through which such Obligor (or its agents) makes any payment on the Notes or the Guarantee, or any state, province, political subdivision or taxing authority therein or thereof (a "**Tax Jurisdiction**"), will at any time be required to be made in respect of any payments made by the Obligor under or with respect to the Notes, including payments of principal, redemption price, purchase price, interest or premium, then the Obligor will pay such additional amounts (the "**Additional Amounts**") as may be necessary in order that the net amounts received in respect of such payments by each Holder of the Notes after such withholding, deduction or imposition (including any such withholding, deduction or imposition in respect of any such Additional Amounts) will equal the respective amounts that would have been received in respect of such payments in the absence of such withholding or deduction; provided, however, that no Additional Amounts will be payable with respect to:

(1) any Taxes, to the extent such Taxes would not have been imposed but for the Holder of a Note (or the beneficial owner for whose benefit such Holder holds such Note) or a fiduciary, settlor, beneficiary, member or shareholder of the Holder if the Holder is an estate, trust, partnership or corporation, or a person holding a power over an estate or trust administered by a fiduciary holder, being considered as having a current or former connection with the relevant Tax Jurisdiction (other than a connection arising solely from the ownership or disposition of such Note, the enforcement of rights under such Note, or the receipt of any payments in respect of such note), including being or having been a citizen or resident of such Tax Jurisdiction, being or having engaged in a trade or business in such Tax Jurisdiction or having or having had a permanent establishment in such Tax Jurisdiction;

(2) any Holder that is not the sole beneficial owner of the Notes, or a portion of the Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficial owner with respect to the Holder, a beneficiary or settlor with respect to the fiduciary, or a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of Additional Amounts had the beneficial owner, beneficiary, settlor or member received directly its beneficial or distributive share of the payment;

(3) any Taxes required to be withheld by any paying agent from any payment of principal of or interest on any Note, if such payment can be made without such withholding by at least one other paying agent;

(4) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a note for payment more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder or beneficial owner would otherwise have been entitled to Additional Amounts had the Note been presented on the last day of such 30-day period);

(5) any Tax, assessment, or other governmental charge that is payable otherwise than by deduction or withholding from a payment on or in respect of any Note;

(6) any estate, inheritance, gift, sales, transfer, excise, wealth, capital gains, personal property or similar Taxes;

(7) any Taxes, to the extent such Taxes are imposed or withheld by reason of the failure of the Holder or beneficial owner of Notes to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the Holder or beneficial owner is legally eligible to provide such certification or documentation;

(8) any Taxes that are imposed or withheld pursuant to Sections 1471 through 1474 of the Code as of the date of the Indenture (or any amended or successor version that is substantively comparable), any regulations promulgated thereunder or any other official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code as of the date of the Indenture (or any amended or successor version described above) or any intergovernmental agreements (and any related law, regulation or official administrative guidance) implementing the foregoing; or

(9) any combination of items (1) through (8) above.

(b) Except as specifically provided for in this Section 4.06, the Obligors will not be required to make any payment for any Tax.

(c) If the Obligors become aware that they will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes, the Obligors will deliver to the Trustee and Paying Agent promptly prior to the date of that payment an Officers' Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officers' Certificate must also set forth any other information reasonably necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date. The Trustee and Paying Agent shall be entitled to rely solely on such Officers' Certificate as conclusive proof that such payments are necessary.

(d) The Issuer or the Guarantor, if it is the applicable withholding agent, will make all withholdings and deductions required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Obligors will use their reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld.

(e) The Obligors will furnish to the Trustee and Paying Agent upon reasonable written request, within a reasonable time after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Obligors, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other reasonable evidence of payments by such entity.

(f) The above obligations will survive any termination, defeasance or discharge of the Indenture, any transfer by a Holder or beneficial owner of its Notes, and will apply, mutatis mutandis, to any successor Person to the Obligors.

(g) As used under this Section 4.06, the term “United States” means the United States of America, any state thereof and the District of Columbia.

ARTICLE 5
MERGER, CONSOLIDATION, OR SALE OF ASSETS

The Notes shall not be subject to Section 5.01 of the Base Indenture. In lieu thereof, the Notes shall be subject to the following provisions of Section 5.01 of this Supplemental Indenture:

Section 5.01. *Merger, Consolidation, or Sale of Assets.*

(a) Neither the Issuer nor the Guarantor will, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Restricted Subsidiary of the Guarantor to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of the Issuer or the Guarantor’s assets (determined on a consolidated basis for the Guarantor and the Guarantor’s Restricted Subsidiaries) whether as an entirety or substantially as an entirety to any Person unless:

(1) in the case of the Issuer, the Issuer shall be the surviving or continuing Person, or the Person (if other than the Issuer) formed by such consolidation or into which the Issuer is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Issuer substantially as an entirety (the “**Issuer Surviving Entity**”) (A) shall be an entity organized or, as the case may be, duly incorporated and validly existing under the laws of Singapore, the United States or any State thereof or the District of Columbia, and (B) shall expressly assume, by supplemental indenture (in form satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, interest on all of the Notes and the performance of every covenant of the Notes and the Indenture on the part of the Issuer to be performed or observed;

(2) in the case of the Guarantor, the Guarantor shall be the surviving or continuing Person, or the Person (if other than the Guarantor) formed by such consolidation or into which the Guarantor is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Guarantor and of the Guarantor’s Restricted Subsidiaries substantially as an entirety (the “**Guarantor Surviving Entity**”) (A) shall be an entity organized and validly existing under the laws of the United States or any State thereof or the District of Columbia, and (B) shall expressly assume, by supplemental indenture (in form satisfactory to the Trustee), executed and delivered to the Trustee, the performance of the Guarantee and every covenant of the Notes and the Indenture on the part of the Guarantor to be performed or observed;

(3) immediately before and immediately after giving effect to such transaction and the assumption contemplated by clause (1)(B) and clause (2)(B) of this Section 5.01(a), no Default or Event of Default shall have occurred or be continuing; and

(4) the Issuer, or the Issuer Surviving Entity and the Guarantor, or the Guarantor Surviving Entity shall have delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture complies with the applicable provisions of the Indenture and that all conditions precedent in the Indenture relating to such transaction have been satisfied.

(b) For purposes of the provisions of Section 5.01(a) hereof, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of the Guarantor, in a single or a series of related transactions, which properties and assets, if held by the Guarantor instead of such Restricted Subsidiaries, would constitute all or substantially all of the properties and assets of the Guarantor on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Guarantor.

(c) Notwithstanding clauses (1), (2) and (3) of Section 5.01(a) hereof, but subject to the proviso in clause (1)(A) and clause (2)(A) of Section 5.01(a), the Issuer and the Guarantor may merge with (x) any of the Wholly Owned Restricted Subsidiaries of the Guarantor, (y) in the case of the Issuer, the Guarantor, or (z) an Affiliate that is a Person that has no material assets or liabilities and which was organized solely for the purpose of reorganizing the Issuer or the Guarantor in another jurisdiction. For the avoidance of doubt, following a substitution of the Guarantor for the Issuer with respect to the Notes then outstanding pursuant to Section 5.03 of the Base Indenture, this Section 5.01 shall cease to apply to the Issuer with respect to such Notes. Nothing in this Section 5.01 shall prevent the Guarantor from consummating the substitution pursuant to Section 5.03 of the Base Indenture or prevent the Guarantor or any Restricted Subsidiary from consummating the Guarantor Conversion.

(d) Following any such consolidation, merger, conveyance, transfer or lease with respect to the Issuer, if any successor of the Issuer (the “**Issuer U.S. Successor**”) is organized and existing under the laws of any state or territory of the United States or in the District of Columbia, then Section 3.03 and Section 4.06 hereof shall cease to apply with respect to any outstanding Notes issued under the Indenture; *provided* that any payments to be made by such Issuer U.S. Successor in respect of such outstanding Notes are not deemed to be derived from Singapore pursuant to Section 12(6) of the Income Tax Act 1947 of Singapore.

ARTICLE 6 EVENTS OF DEFAULT

Section 6.01. *Events of Default.* Any of the following events shall constitute an event of default (an “**Event of Default**”):

- (a) the failure to pay interest on any Notes when the same becomes due and payable and the Default continues for a period of 30 days;

- (c) a Default in the observance or performance of any other covenant or agreement contained in the Indenture which Default continues for a period of 60 days after the Obligors receive written notice specifying the Default (and demanding that such Default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes (except (i) in the case of a Default with respect to Section 5.01, which will constitute an Event of Default with such notice requirement but without such passage of time requirement and (ii) as otherwise provided in the penultimate paragraph of Section 4.03 of the Base Indenture);
- (d) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any Indebtedness of the Issuer, the Guarantor or any Restricted Subsidiary of the Guarantor, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 30 days of receipt by the Issuer, the Guarantor or such Restricted Subsidiary of notice of any such acceleration) if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity or which has been so accelerated (in each case with respect to which the 30-day period described above has passed), equals \$500.0 million or more at any time;

(e) the Issuer, the Guarantor or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary pursuant to or within the meaning of Bankruptcy Law:

(2) appoints a custodian of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary or for all or substantially all of the property of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary; or

(3) orders the liquidation of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary; and the order or decree remains unstayed and in effect for 60 consecutive days.

(g) the Guarantee ceases to be in full force and effect, other than in accordance with the terms of the Indenture, or the Guarantor denies or disaffirms in writing its obligations under the Guarantee, other than in accordance with the terms thereof or upon release of such Guarantee in accordance with the Indenture.

4.400% Senior Notes due 2031

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Equinix Asia Financing Corporation Pte. Ltd., a private company limited by shares incorporated under the laws of the Republic of Singapore (the “*Issuer*”), promises to pay interest on the principal amount of this Note at 4.400% per annum from March 5, 2026, until maturity. The Issuer will pay interest semi-annually in arrears on March 15 and September 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be September 15, 2026. The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is equal to the interest rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed daily on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Issuer will pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the March 1 or September 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.14 of the Base Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Obligors maintained for such purpose within or without the United States, or, at the option of the Issuer, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuer or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, U.S. Bank Trust Company, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice to any Holder. The Issuer, the Guarantor or any of the Subsidiaries of either Obligor may act in the capacity of Paying Agent or Registrar.

(4) *INDENTURE.* The Issuer issued the Notes under an Indenture, dated as of February 13, 2026 (the “*Base Indenture*” and, as supplemented by the Supplemental Indenture (as defined below), the “*Indenture*”), by and among the Issuer, the Guarantor and the Trustee, as supplemented by that certain First Supplemental Indenture, dated as of March 5, 2026, by and among the Issuer, the Guarantor and the Trustee (the “*Supplemental Indenture*”). The terms of this Note include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Issuer, fully and unconditionally guaranteed by the Guarantor.

(5) *OPTIONAL REDEMPTION.*

(a) Prior to February 15, 2031 (the “*Par Call Date*”), the Issuer may redeem the Notes, at its option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points less (b) interest accrued to the date of redemption (the “*Redemption Date*”), and (2) 100% of the aggregate principal amount of the Notes to be redeemed, plus, in either case, accrued and unpaid interest thereon, if any, to but excluding, the Redemption Date.

(b) On or after the Par Call Date, the Issuer may redeem the Notes, at its option, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the aggregate principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon, if any, to but excluding, the Redemption Date.

(c) Any redemption pursuant to this paragraph 5 shall be made pursuant to the provisions of Article 3 of the Supplemental Indenture.

(d) Any redemption or notice of redemption, other than a notice of redemption delivered pursuant to the Supplemental Indenture in connection with a Change in Tax Law, may, at the Obligors' discretion, be subject to one or more conditions precedent.

(6) *TAX REDEMPTION.*

(a) The Issuer may redeem the Notes, in whole but not in part, at its option, at any time upon giving not less than 10 nor more than 60 days' prior notice to the Holders of the Notes and the Trustee (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest, to, but excluding, the Tax Event Redemption Date and all Additional Amounts (if any) then due and which will become due on the Tax Event Redemption Date as a result of the redemption or otherwise (subject to the right of Holders of the Notes on the relevant record date to receive interest due on the relevant Interest Payment Date occurring on or prior to the Redemption Date and Additional Amounts (if any) in respect thereof), if, on the next date on which any amount would be payable in respect of the Notes, the Issuer is or, based upon a Tax Opinion, would be required to pay Additional Amounts in respect of the Notes and cannot avoid such payment obligation by taking reasonable measures available to the Issuer, and such requirement arises as a result of a Change in Tax Law.

(b) The Issuer will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer would be obligated to pay Additional Amounts if a payment in respect of the Notes was then due, and the obligation to pay Additional Amounts must be in effect at the time such notice is given. Before the Issuer publishes or delivers a notice of redemption in respect of a Tax Event Redemption Date as described above, the Obligors will deliver to the Trustee an Officers' Certificate to the effect that the Issuer cannot avoid the obligation to pay Additional Amounts by taking reasonable measures available to it and, if required, the Tax Opinion. Any notice of redemption shall otherwise be given pursuant to the procedures described under Section 3.02 of the Supplemental Indenture. The Trustee shall accept, and will be entitled to conclusively rely on, such Tax Opinion and such Officers' Certificate as sufficient evidence of the existence and satisfaction of the conditions precedent described in Section 3.03(a)(i) and Section 3.03(a)(ii) of the Supplemental Indenture, as applicable, and upon delivery of such Tax Opinion and Officers' Certificate to the Trustee, the Issuer will be entitled to give notice of redemption hereunder and such notice of redemption will be conclusive and binding on the Holders of the Notes.

(7) *NOTICE OF REDEMPTION.* Notice of redemption will be delivered at least 10 days but not more than 60 days before the Redemption Date to each Holder whose Notes are to be redeemed at its registered address and the Trustee, except that redemption notices with respect to any redemption pursuant to Section 3.02 of the Supplemental Indenture may be delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Notes in denominations larger than \$2,000 may be redeemed in part in connection with any redemption pursuant to Section 3.02, but only in whole multiples of \$1,000 unless all of the Notes held by a Holder are to be redeemed and *provided* that any unredeemed portion of a Note is equal to \$2,000 or a multiple of \$1,000 in excess thereof. Any notice of redemption in connection with a Change in Tax Law pursuant to Section 3.03 of the Supplemental Indenture will comply with the procedures described in paragraph 6 of this Note and Section 3.02 and Section 3.03 of the Supplemental Indenture, as applicable. Unless the Issuer defaults in payment of the redemption price, on and after the Redemption Date interest will cease to accrue on the Notes or portions thereof called for redemption.

(8) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) In the event that the Issuer is required to commence an offer to all Holders to purchase Notes pursuant to Section 4.05 of the Supplemental Indenture, it will comply with the terms set forth in the Supplemental Indenture, including Section 3.04 thereof.

(b) If a Change of Control Triggering Event occurs, unless the Issuer or a third party has previously or concurrently delivered a redemption notice with respect to all outstanding Notes, as described under Section 3.02 or Section 3.03 of the Supplemental Indenture, the Issuer will be required to make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to but not including, the date of repurchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control Triggering Event, the Issuer will deliver a notice to each Holder, with a copy to the Trustee, setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part that is equal to \$2,000 or a multiple of \$1,000 in excess thereof. Also, the Issuer need not issue, register the transfer of or exchange any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(10) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as its owner for all purposes.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER.* Subject to certain exceptions, the Indenture and the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any, issued under the Supplemental Indenture) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for purchase of, the Notes), and any existing Default or Event or Default, other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes (except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Indenture and the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any, issued under the Supplemental Indenture) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for purchase of, the Notes). Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency; provide for the assumption by an Issuer Surviving Entity of the obligations of the Issuer and/or the assumption by a Guarantor Surviving Entity of the obligations of the Guarantor under this Indenture; provide for uncertificated Notes in addition to or in place of certificated Notes; add additional guarantees with respect to the Notes or confirm and evidence the release, termination or discharge of any security or guarantee when such release, termination or discharge is permitted by the Indenture; secure the Notes, add to the covenants of the Obligors for the benefit of the Holders of the Notes or surrender any right or power conferred upon the Obligors; make any change that does not adversely affect the rights of any Holder of the Notes; comply with any requirement of the Commission in connection with the qualification of the Indenture under the TIA; provide for the issuance of Additional Notes in accordance with the Supplemental Indenture; evidence and provide for the acceptance of appointment by a successor Trustee; conform the text of the Indenture or the Notes to any provision of the “Description of Notes” of the Prospectus to the extent that such provision in the “Description of Notes” of the Prospectus was intended to be a recitation of a provision of the Indenture or the Notes; make any amendment to the provisions of the Indenture relating to the transfer and legending of the Notes as permitted by the Indenture, including, without limitation to facilitate the issuance and administration of the Notes; *provided* that (i) compliance with the Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer the Notes; or to evidence the substitution of the Guarantor for the Issuer and the assumption by the Guarantor of the rights, powers, covenants, agreements and obligations of the Issuer pursuant to Section 5.03 of the Base Indenture.

(12) *DEFAULTS AND REMEDIES.* Events of Default with respect to the Notes include: (i) failure by the Issuer to pay interest on any Notes when such interest becomes due and payable and the default continues for a period of 30 days; (ii) failure by the Issuer to pay the principal on any Notes when such principal becomes due and payable, at maturity, upon redemption or otherwise (including the failure to make a payment to purchase Notes tendered pursuant to a Change of Control Offer) on the date specified for such payment in the applicable offer to purchase; (iii) failure by the Obligors for 60 days after notice to the Obligors by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other covenants or agreements in the Indenture (except (i) in the case of a default with respect to Section 5.01 of the Supplemental Indenture, which will constitute an Event of Default with such notice requirement but without such passage of time requirement and (ii) as otherwise provided in the penultimate paragraph of Section 4.03 of the Base Indenture); (iv) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any Indebtedness of the Issuer, the Guarantor or any Restricted Subsidiary of the Guarantor, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 30 days of receipt by the Issuer, the Guarantor or such Restricted Subsidiary of notice of any such acceleration) if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity or which has been so accelerated (in each case with respect to which the 30-day period described above has passed), equals \$500.0 million or more at any time; (v) the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary, pursuant to or within the meaning of Bankruptcy Law, commences a voluntary case, consents to the entry of an order for relief against it in an involuntary case, consents to the appointment of a custodian for it or for all or substantially all of its property, makes a general assignment for the benefit of its creditors, or an admission by the Issuer or the Guarantor in writing of its inability to pay its debts as they become due; (vi) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that is for relief against the Issuer or the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary in an involuntary case; appoints a custodian of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary or for all or substantially all of the property of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary or orders the liquidation of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary and the order or decree remains unstayed and in effect for 60 consecutive days; or (vii) the Guarantee ceases to be in full force and effect, other than in accordance with the terms of the Indenture, or the Guarantor denies or disaffirms in writing its obligations under the Guarantee, other than in accordance with the terms thereof or upon release of the Guarantee in accordance with the Indenture.

If any Event of Default with respect to outstanding Notes occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare the principal of, and accrued and unpaid interest on all the Notes to be due and payable by notice in writing to the Obligors and the Trustee specifying the respective Event of Default and that it is a “notice of acceleration” and the same shall be immediately due and payable.

Notwithstanding the foregoing, in the case of an Event of Default arising from the events of bankruptcy or insolvency specified in clauses (v) or (vi) in the second preceding paragraph above occurring with respect to the Issuer or the Guarantor, all unpaid principal of and accrued and unpaid interest on all of the outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium, if any) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes. The Obligors are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Obligors are required, within five Business Days of any Authorized Person becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(13) *GUARANTEE AND SUBROGATION.* Subject to the provisions of Article 11 of the Base Indenture, the Guarantor irrevocably, fully and unconditionally guarantees, on an unsecured basis, the full and punctual payment (whether at maturity, upon redemption, or otherwise) of the principal of and interest on, and all other amounts payable under, the Notes to be issued pursuant to this Indenture, and the full and punctual payment of all other amounts payable by the Issuer under this Indenture. Upon failure by the Issuer to pay punctually any such amount, the Guarantor shall forthwith on demand pay the amount not so paid at the place and in the manner specified in this Indenture.

Subject to the provisions in Section 5.03 of the Base Indenture, the Obligors may at any time, without the consent of any Holders, arrange for and cause the substitution of the Guarantor (including any successor Guarantor pursuant to Section 5.01 of the Supplemental Indenture) for the Issuer as the principal obligor in respect of the Notes then outstanding, if, immediately after giving effect to such substitution, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, has occurred and is continuing (other than a Default or Event of Default that would be cured by such substitution).

The Guarantee will terminate with respect to the Notes upon defeasance or discharge of the Notes, as provided in Article 8 of the Base Indenture, and upon the substitution of the Guarantor for the Issuer as provided in Section 5.03 of the Base Indenture with respect to the Notes.

(14) *TRUSTEE DEALINGS WITH THE OBLIGORS.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Obligors or any Affiliate of the Obligors with the same rights it would have if it were not Trustee.

(15) *NO RECOURSE AGAINST OTHERS.* No past, present or future director, officer, employee, incorporator, agent, stockholder or Affiliate of the Obligors, as such, shall have any liability for any obligations of the Obligors under the Notes or under the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liabilities. The waiver and release are part of the consideration for the issuance of the Notes.

(16) *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(17) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(19) *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(20) *GOVERNING LAW.* THE LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUCT THE INDENTURE AND THIS NOTE AND THE GUARANTOR'S GUARANTEE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Issuer will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

Each party agrees as follows for the benefit of the other party and for the equal and ratable benefit of the Holders of the Notes (as defined herein):

WHEREAS, the Issuer and the Guarantor have duly authorized the execution and delivery of the Base Indenture to provide for the issuance from time to time of senior debt securities to be issued in one or more series as provided in the Base Indenture;

WHEREAS, the Issuer and the Guarantor have duly authorized the execution and delivery, and desire and have requested the Trustee to join it in the execution and delivery, of this Supplemental Indenture in order to establish and provide for the issuance by the Issuer and the guarantee by the Guarantor of a series of Notes designated as its 4.700% Senior Notes due 2033 (the “**Initial Notes**”) in an initial aggregate principal amount of \$800,000,000 on the terms set forth herein;

WHEREAS, Article 9 of the Base Indenture provides that a supplemental indenture may be entered into by the parties for such purpose provided certain conditions are met;

WHEREAS, the conditions set forth in the Base Indenture for the execution and delivery of this Supplemental Indenture have been met; and

WHEREAS, all things necessary to make this Supplemental Indenture a valid agreement of the parties, in accordance with its terms, and a valid amendment of, and supplement to, the Base Indenture with respect to the Notes have been done;

NOW, THEREFORE:

ARTICLE 1
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

The words “herein,” “hereof” and “hereby” and other words of similar import used in this Supplemental Indenture refer to this Supplemental Indenture as a whole and not to any particular section hereof.

In addition to the definitions set forth in Article 1 of the Base Indenture, this Supplemental Indenture shall include the following definitions, which, in the event of a conflict with the definition of terms in the Base Indenture, shall control:

“**Additional Notes**” has the meaning set forth in Section 2.01(b).

“**Acquired Indebtedness**” means Indebtedness of a Person or any of its Subsidiaries existing at the time such Person becomes a Restricted Subsidiary of the Guarantor or at the time it merges or consolidates with or into the Guarantor or any of its Subsidiaries or that is assumed in connection with the acquisition of assets from such Person, in each case whether or not incurred by such Person in connection with, or in anticipation or contemplation of, such Person becoming a Restricted Subsidiary of the Guarantor or such acquisition, merger or consolidation.

“**Applicable Procedures**” means, with respect to any transfer or exchange of or for beneficial interests in any Global Security, the rules and procedures of the Depository to the extent applicable to such transfer or exchange.

“**Attributable Debt**” means, in respect of a Sale and Leaseback Transaction, the present value, discounted at the interest rate implicit in the Sale and Leaseback Transaction, of the total obligations of the lessee for rental payments during the remaining term of the lease in the Sale and Leaseback Transaction.

“**Cash Equivalents**” means:

(a) debt securities denominated in Euro, pounds sterling or U.S. dollars to be issued or directly and fully guaranteed or insured by the government of a Participating Member State, the U.K. or the U.S., as applicable, where the debt securities have not more than twelve months to final maturity and are not convertible into any other form of security;

“**Consolidated EBITDA**” means, with respect to any Person for any period, the Consolidated Net Income of such Person for such period:

- (a) increased (without duplication) by the following, in each case to the extent deducted in determining Consolidated Net Income for such period:
 - (1) provision for taxes based on income or profits or capital, including, without limitation, federal, state, franchise and similar taxes and foreign withholding taxes (including any levy, impost, deduction, charge, rate, duty, compulsory loan or withholding which is levied or imposed by a governmental agency, and any related interest, penalty, charge, fee or other amount) of such Person paid or accrued during such period deducted (and not added back) in computing Consolidated Net Income; plus
 - (2) Consolidated Interest Expense of such Person for such period to the extent the same were deducted (and not added back) in calculating such Consolidated Net Income; plus
 - (3) Consolidated Depreciation, Amortization and Accretion Expense of such Person for such period to the extent that the same were deducted (and not added back) in computing Consolidated Net Income; plus
 - (4) any expenses or charges (other than depreciation or amortization expense) related to any Equity Offering or the incurrence of Indebtedness permitted to be incurred in accordance with the Indenture (including a refinancing thereof) (whether or not successful), in each case, deducted (and not added back) in computing Consolidated Net Income; plus
 - (5) any other Non-cash Charges, including any provisions, provision increases, write-offs or write-downs reducing Consolidated Net Income for such period (*provided* that if any such Non-cash Charges represent an accrual or reserve for potential cash items in any future period, the cash payment in respect thereof in such future period shall be subtracted from Consolidated EBITDA to such extent), and excluding amortization of a prepaid cash item that was paid in a prior period; plus

(6) any costs or expenses incurred by the Guarantor or a Restricted Subsidiary of the Guarantor pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or any stock subscription or stockholder agreement, to the extent that such cost or expenses are funded with cash proceeds contributed to the capital of the Guarantor or net cash proceeds of an issuance of Equity Interest of the Guarantor (other than Disqualified Capital Stock); plus

(7) cash receipts (or any netting arrangements resulting in reduced cash expenditures) not representing Consolidated EBITDA or Consolidated Net Income in any period to the extent non-cash gains relating to such income were deducted in the calculation of Consolidated EBITDA pursuant to clause (b) below for any previous period and not added back; plus

(8) any net loss from disposed or discontinued operations; plus

(9) any net unrealized loss (after any offset) resulting in such period from obligations under any Currency Agreements and the application of ASC 815; *provided* that to the extent any such Currency Agreement relates to items included in the preparation of the income statement (as opposed to the balance sheet, as reasonably determined by the Guarantor), the realized loss on a Currency Agreement shall be included to the extent the amount of such hedge gain or loss was excluded in a prior period; plus

(10) any net unrealized loss (after any offset) resulting in such period from (A) currency translation or exchange losses including those (x) related to currency remeasurements of Indebtedness and (y) resulting from hedge agreements for currency exchange risk and (B) changes in the fair value of Indebtedness resulting from changes in interest rates; plus

(11) the amount of any minority interest expense (less the amount of any cash dividends paid in such period to holders of such minority interests); plus

(12) the amount of any costs and expenses associated with the Guarantor Conversion, including, without limitation, planning and advisory costs related to the foregoing; and

(b) decreased (without duplication) by the following, in each case to the extent included in determining Consolidated Net Income for such period:

(1) non-cash gains increasing Consolidated Net Income of such Person for such period, excluding any non-cash gains to the extent they represent the reversal of an accrual or reserve for a potential cash item that reduced Consolidated EBITDA in any prior period and any non-cash gains with respect to cash actually received in a prior period so long as such cash did not increase Consolidated EBITDA in such prior period;

(2) any net gain from disposed or discontinued operations;

(3) any net unrealized gain (after any offset) resulting in such period from obligations under any Currency Agreements and the application of ASC 815; *provided* that to the extent any such Currency Agreement relates to items included in the preparation of the income statement (as opposed to the balance sheet, as reasonably determined by the Guarantor), the realized gain on a Currency Agreement shall be included to the extent the amount of such hedge gain or loss was excluded in a prior period; plus

(4) any net unrealized gains (after any offset) resulting in such period from (A) currency translation or exchange gains including those (x) related to currency remeasurements of Indebtedness and (y) resulting from hedge agreements for currency exchange risk and (B) changes in the fair value of Indebtedness resulting from changes in interest rates.

For purposes of this definition, calculations shall be done after giving effect on a pro forma basis for the period of such calculation to:

(1) the incurrence or repayment of any Indebtedness or the designation or elimination (including by de-designation) of any Designated Revolving Commitments of such Person or any of its Restricted Subsidiaries (and the application of the proceeds thereof) giving rise to the need to make such calculation and any incurrence or repayment of other Indebtedness (and the application of the proceeds thereof), other than the incurrence or repayment of Indebtedness in the ordinary course of business for working capital purposes pursuant to working capital facilities, occurring during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and on or prior to the Transaction Date, as if such incurrence or repayment of Indebtedness or designation or elimination (including by de-designation) of Designated Revolving Commitments, as the case may be (and the application of the proceeds thereof), occurred on the first day of the Four Quarter Period (and in the case of Designated Revolving Commitments, as if Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred throughout such period); and

(2) any asset sales or other dispositions or Asset Acquisitions (including, without limitation, any Asset Acquisition giving rise to the need to make such calculation as a result of such Person or one of its Restricted Subsidiaries (including any Person who becomes a Restricted Subsidiary as a result of the Asset Acquisition) incurring, assuming or otherwise being liable for Acquired Indebtedness and also including any Consolidated EBITDA (including any pro forma expense and cost reductions calculated on a basis consistent with Regulation S-X promulgated under the Exchange Act) attributable to the assets which are the subject of the Asset Acquisition or asset sale or other disposition during the Four Quarter Period) occurring during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and on or prior to the Transaction Date, as if such asset sale or other disposition or Asset Acquisition (including the incurrence, assumption or liability for any such Acquired Indebtedness) occurred on the first day of the Four Quarter Period. If such Person or any of its Restricted Subsidiaries directly or indirectly guarantees Indebtedness of a third Person, the preceding sentence shall give effect to the incurrence of such guaranteed Indebtedness as if such Person or any Restricted Subsidiary of such Person had directly incurred or otherwise assumed such guaranteed Indebtedness.

“**Consolidated Interest Expense**” means, with respect to any Person for any period, the sum of, without duplication:

(1) the aggregate of the interest expense of such Person and its Restricted Subsidiaries for such period determined on a consolidated basis in accordance with GAAP, including without limitation: (a) any amortization of debt discount and the amortization or write-off of deferred financing costs, including commitment fees; (b) the net costs under Interest Swap Obligations; (c) all capitalized interest; (d) non-cash interest expense (other than non-cash interest on any convertible or exchangeable debt issued by the Guarantor that exists by virtue of the bifurcation of the debt and equity components of such convertible or exchangeable notes and the application of ASC 470-20 (or related accounting pronouncement(s))); (e) commissions, discounts and other fees and charges owed with respect to letters of credit and banker’s acceptance financing; (f) dividends with respect to Disqualified Capital Stock; (g) dividends with respect to Preferred Stock of Restricted Subsidiaries of such Person; (h) imputed interest with respect to Sale and Leaseback Transactions; and (i) the interest portion of any deferred payment obligation; *plus*

(2) the interest component of Finance Lease Obligations paid, accrued and/or scheduled to be paid or accrued by such Person and its Restricted Subsidiaries during such period as determined on a consolidated basis in accordance with GAAP; *less*

(3) interest income for such period.

“**Consolidated Net Income**” means, with respect to any Person, for any period, the aggregate net income (or loss) of such Person and its Restricted Subsidiaries for such period on a consolidated basis, determined in accordance with GAAP; *provided* that there shall be excluded therefrom (without duplication):

If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Issuer shall select the United States Treasury security with a maturity date preceding the Par Call Date. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

The Issuer shall be entitled to issue additional notes under this Supplemental Indenture ("**Additional Notes**") that shall have identical terms as the Initial Notes, other than with respect to the date of issuance, issue price and amount of interest payable on the first Interest Payment Date (as defined below) applicable thereto; *provided* that such issuance is not prohibited by the terms of the Indenture. Any such Additional Notes shall be consolidated and form a single series with the Initial Notes initially issued including for purposes of voting and redemption; *provided* that if such Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such Additional Notes shall have one or more separate CUSIP numbers. With respect to any Additional Notes, the Obligor shall set forth in a Board Resolution of their Board of Directors and in an Officers' Certificate, a copy of each of which shall be delivered to the Trustee, the following information: (i) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Supplemental Indenture; and (ii) the issue price, the issue date, the CUSIP number of such Additional Notes, the first Interest Payment Date and the amount of interest payable on such first Interest Payment Date applicable thereto and the date from which interest shall accrue.

(c) The Stated Maturity of the Notes shall be March 15, 2033. The Notes shall be payable and may be presented for payment, purchase, redemption, registration of transfer and exchange, without service charge, at the office of the Obligors maintained for such purpose in the United States, which shall initially be the office or agency of the Trustee in the United States.

(d) The Notes shall bear interest at the rate of 4.700% per annum from March 5, 2026, or from the most recent date to which interest has been paid or duly provided for, as further provided in the forms of Global Note annexed hereto as Exhibit A. Interest shall be computed on the basis of a 360-day year composed of twelve 30-day months. The dates on which such interest shall be payable (each, an “**Interest Payment Date**”) shall be March 15 and September 15 of each year, beginning on September 15, 2026, and the record date for any interest payable on each such Interest Payment Date shall be the immediately preceding March 1 or September 1, respectively.

(e) The Notes will be issued in the form of one or more Global Notes, deposited with the Trustee as custodian for the Depository or its nominee, duly executed by the Obligors and authenticated by the Trustee as provided in Sections 2.03 and 2.04 of the Base Indenture.

Section 2.02. *Denominations.* The Notes shall be issuable only in registered form without coupons and only in minimum denominations of \$2,000 and any multiple of \$1,000 in excess thereof.

Section 2.03. *Form of Notes.* The Notes and the Trustee’s certificate of authentication will be substantially in the form of Exhibit A hereto. However, to the extent any provision of any Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

ARTICLE 3 REDEMPTION AND PREPAYMENT

Section 3.01. *Redemption.* Pursuant to Section 3.01 of the Base Indenture, the following additional redemption provisions in this Article 3 shall apply to the Notes.

Section 3.02. *Optional Redemption of the Notes.*

(a) Prior to the Par Call Date, the Issuer may redeem the Notes at its option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (as defined below) (assuming the notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points less (b) interest accrued to the date of redemption (the “**Redemption Date**”), and (2) 100% of the aggregate principal amount of the Notes to be redeemed, plus, in either case, accrued and unpaid interest thereon, if any, to but excluding the Redemption Date (the “**Make-Whole Premium**”).

(b) On or after the Par Call Date, the Issuer may redeem the Notes, at its option, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the aggregate principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon, if any, to but excluding, the Redemption Date.

(c) Neither the Trustee nor any Paying Agent shall have any obligation to calculate or verify the calculation of the Make-Whole Premium.

(d) To the extent the following provisions are inconsistent with the provisions of Section 3.01 through Section 3.06 of the Base Indenture, the provisions of Section 3.01 through Section 3.06 of the Base Indenture shall not apply to the Notes, and the following provisions shall apply in lieu thereof:

(i) In the case of a partial redemption, selection of the Notes for redemption will be made pro rata, by lot or by such other method as the Trustee in its sole discretion deems appropriate and fair.

(ii) No Notes of a principal amount of \$2,000 or less shall be redeemed in part.

(iii) Notice of redemption will be delivered at least 10 but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed, the Trustee and the Paying Agent; *provided* that, if the redemption notice is issued in connection with a defeasance of the Notes or satisfaction and discharge of the Indenture governing the Note in accordance with the Indenture, the notice of redemption may be delivered more than 60 calendar days before the date of redemption. If any Note is to be redeemed in part only, then the notice of redemption that relates to such Note must state the portion of the principal amount of such Note to be redeemed. A new Note in a principal amount equal to the unredeemed portion of such Note will be issued in the name of the Holder of such Note upon cancellation of the original Note. Unless the Issuer defaults in payment of the redemption price, on and after the Redemption Date interest will cease to accrue on the Notes or portions thereof called for redemption.

(e) Any redemption or notice of redemption, may, at the Obligors' discretion, be subject to one or more conditions precedent.

(f) For so long as the Notes are held by the Depository (or another depository), any redemption of the Notes shall be done in accordance with the Applicable Procedures.

Section 3.03. *[Reserved]*.

Section 3.04. *Repurchase Offer*. In the event that, pursuant to Section 4.05 hereof, the Issuer is required to commence an offer to all Holders to purchase Notes (a "**Repurchase Offer**"), it shall follow the procedures specified below.

The Repurchase Offer shall remain open for a period of at least 20 Business Days following its commencement, except to the extent that a shorter or longer period is permitted or required, as the case may be, by applicable law (the "**Offer Period**"). No later than five Business Days after the termination of the Offer Period (the "**Purchase Date**"), the Issuer will purchase at the purchase price (as determined in accordance with Section 4.05 hereof, as the case may be) the principal amount of Notes required to be purchased pursuant to Section 4.05 hereof, as the case may be (the "**Offer Amount**") and, if required, Pari Passu Indebtedness (on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness tendered in response to the Repurchase Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, to, but not including, the Purchase Date will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Repurchase Offer.

Upon the commencement of a Repurchase Offer, the Issuer will deliver or cause to be delivered a notice to each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Repurchase Offer. The notice, which will govern the terms of the Repurchase Offer, will state:

(a) that the Repurchase Offer is being made pursuant to this Section 3.04, and Section 4.05 hereof, and the length of time the Repurchase Offer will remain open;

(b) the Offer Amount, the purchase price and the Purchase Date;

(c) that any Note not tendered or accepted for payment will continue to accrue interest;

(d) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Repurchase Offer will cease to accrue interest after the Purchase Date;

(e) that Holders electing to have a Note purchased pursuant to a Repurchase Offer may elect to have Notes purchased in minimum denominations of \$2,000, or integral multiples of \$1,000 in excess thereof;

(f) that Holders electing to have a Note purchased pursuant to any Repurchase Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Note completed, or transfer by book-entry transfer, to the Issuer, a Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(g) that Holders will be entitled to withdraw their election if the Issuer, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(h) that, if the aggregate principal amount of Notes and Pari Passu Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Trustee will select the Notes to be purchased on a pro rata basis based on the principal amount of Notes and such Pari Passu Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Trustee so that no Notes in denominations of \$2,000 or less will be purchased in part); and

(i) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Issuer will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Repurchase Offer or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 3.04. The Issuer, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Issuer for purchase, and the Issuer will promptly issue a new Note, and the Trustee, upon written request from the Issuer, will authenticate and deliver (or cause to be transferred by book entry) such new Note to such Holder in a principal amount equal to any unpurchased portion of the Note surrendered. Notwithstanding any other provision in the Indenture to the contrary, neither an Opinion of Counsel nor an Officers’ Certificate is required for the Trustee to authenticate such new Note. Any Note not so accepted shall be promptly returned by the Issuer to the Holder thereof. The Issuer will publicly announce the results of the Repurchase Offer on or as soon as practicable after the Purchase Date.

Other than as specifically provided in this Section 3.04 or Section 4.05 of this Supplemental Indenture, as applicable, any purchase pursuant to this Section 3.04 shall be made pursuant to the applicable provisions of Section 3.01 through Section 3.06 of the Base Indenture, as amended by Section 3.02(d) of this Supplemental Indenture.

ARTICLE 4 COVENANTS

In addition to the covenants set forth in Article 4 of the Base Indenture, the Notes shall be subject to the following additional covenants. Such additional covenants set forth in Sections 4.03 through Section 4.05 below shall be subject to covenant defeasance pursuant to Section 8.03 of the Base Indenture.

Section 4.01. *Payment of Notes.* The following paragraph shall be added following the first paragraph of Section 4.01 of the Base Indenture: “The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period), at such rate to the extent lawful. Interest will be computed daily on the Notes on the basis of a 360-day year comprised of twelve 30-day months (US 30/360)”.

Section 4.02. *Reports to Holders.* The following sentence shall be added to the end of the second paragraph of Section 4.03 of the Base Indenture: “If the Guarantor had any Unrestricted Subsidiaries during the relevant period, the Guarantor will also provide to the Trustee and, upon request, to any Holder of the Notes, information sufficient to ascertain the financial condition and results of operations of the Guarantor and its Restricted Subsidiaries, excluding in all respects the Unrestricted Subsidiaries.”

Section 4.03. *Sale and Leaseback Transactions.* The Obligors will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction with respect to any property or assets unless:

- (1) the Sale and Leaseback Transaction is solely with the Issuer, the Guarantor or a Restricted Subsidiary;
- (2) the lease is for a period not in excess of 36 months (or which may be terminated by either Obligor or any of its Subsidiaries within a period of not more than 36 months);
- (3) the Obligors would be able to incur Indebtedness secured by a Lien with respect to such Sale and Leaseback Transaction without equally and ratably securing the Notes pursuant to Section 4.04(b) (other than in reliance on clause (20) of the definition of “Permitted Liens”); or
- (4) the Issuer, the Guarantor or such Restricted Subsidiary within 365 days after the sale of such property in connection with such Sale and Leaseback Transaction is completed, applies an amount equal to the net proceeds of the sale of such property to (i) the redemption of Notes, other Indebtedness of the Issuer ranking on a parity with the Notes in right of payment or Indebtedness of the Issuer, the Guarantor or a Restricted Subsidiary or (ii) the purchase of other property; provided that, in lieu of applying such amount to the retirement of Pari Passu Indebtedness, the Issuer may deliver Notes to the Trustee for cancellation; such Notes to be credited at the cost thereof to the Issuer.

Section 4.04. *Limitation on Liens.* The Obligors will not, and will not cause or permit any of the Restricted Subsidiaries of the Guarantor to, directly or indirectly, create, incur, assume or permit or suffer to exist any Liens of any kind against or upon any property or assets of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor whether owned on the Issue Date or acquired after the Issue Date, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom unless:

(a) in the case of Liens securing Subordinated Indebtedness, the Notes or the Guarantor’s Guarantee is secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; and

(b) in all other cases, the Notes are equally and ratably secured,

except for:

- (1) Liens existing as of the Issue Date to the extent and in the manner such Liens are in effect on the Issue Date;
- (2) Liens securing the Obligations of the Obligors and the Obligations of the Restricted Subsidiaries of the Guarantor under any hedge facility permitted under the Indenture to be entered into by the Obligors and the Restricted Subsidiaries of the Guarantor;
- (3) Liens securing the Notes or the Guarantor’s Guarantee thereof;
- (4) Liens in favor of the Obligors or a Wholly Owned Restricted Subsidiary of the Guarantor on assets of any Restricted Subsidiary of the Guarantor; and
- (5) Permitted Liens.

(c) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “**Increased Amount**” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, whether payable in cash or in kind, accretion or amortization of original issue discount, imputed interest, the payment of interest in the form of additional Indebtedness with the same terms or the payment of dividends on Disqualified Capital Stock in the form of additional shares of the same class, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.05. *Offer to Repurchase Upon Change of Control Triggering Event.*

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Issuer or a third party has previously or concurrently delivered a redemption notice with respect to all outstanding Notes as described under Section 3.02, the Issuer will be required to make an offer to purchase each Holder’s Notes pursuant to the offer described below (the “**Change of Control Offer**”), at a purchase price (the “**Change of Control Payment**”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but not including the date of purchase.

(b) Within 30 days following the date upon which the Change of Control Triggering Event occurred, the Issuer must send (in the case of Notes represented by Global Notes, in accordance with the Applicable Procedures), or cause the Trustee to send, a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state, among other things, the Purchase Date, which must be no earlier than 10 days nor later than 60 days after the date such notice is delivered, other than as may be required by law (the “**Change of Control Payment Date**”). Holders electing to have a Note purchased pursuant to a Change of Control Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Note completed and specifying the portion (equal to \$2,000 and integral multiples of \$1,000 in excess thereof) of such Holder’s Notes that it agrees to sell to the Issuer pursuant to the Change of Control Offer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date.

(c) The Obligors will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.05, the Obligors will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under the provisions of this Section 4.05 by virtue of such conflict.

(d) On the date of such Change of Control Payment, the Issuer will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

(e) The Paying Agent will promptly deliver to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and deliver (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the date of such Change of Control Payment.

(f) The Issuer will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. The Issuer (or a third party) may make a Change of Control Offer in advance of, and conditioned upon, any Change of Control Triggering Event.

ARTICLE 5
MERGER, CONSOLIDATION, OR SALE OF ASSETS

The Notes shall not be subject to Section 5.01 of the Base Indenture. In lieu thereof, the Notes shall be subject to the following provisions of Section 5.01 of this Supplemental Indenture:

Section 5.01. *Merger, Consolidation, or Sale of Assets.*

(a) Neither the Issuer nor the Guarantor will, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Restricted Subsidiary of the Guarantor to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of the Issuer or the Guarantor's assets (determined on a consolidated basis for the Guarantor and the Guarantor's Restricted Subsidiaries) whether as an entirety or substantially as an entirety to any Person unless:

(1) in the case of the Issuer, the Issuer shall be the surviving or continuing Person, or the Person (if other than the Issuer) formed by such consolidation or into which the Issuer is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Issuer substantially as an entirety (the "**Issuer Surviving Entity**") (A) shall be an entity organized and validly existing under the laws of the United States or any State thereof or the District of Columbia, and (B) shall expressly assume, by supplemental indenture (in form satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, interest on all of the Notes and the performance of every covenant of the Notes and the Indenture on the part of the Issuer to be performed or observed;

(2) in the case of the Guarantor, the Guarantor shall be the surviving or continuing Person, or the Person (if other than the Guarantor) formed by such consolidation or into which the Guarantor is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Guarantor and of the Guarantor's Restricted Subsidiaries substantially as an entirety (the "**Guarantor Surviving Entity**") (A) shall be an entity organized and validly existing under the laws of the United States or any State thereof or the District of Columbia, and (B) shall expressly assume, by supplemental indenture (in form satisfactory to the Trustee), executed and delivered to the Trustee, the performance of the Guarantee and every covenant of the Notes and the Indenture on the part of the Guarantor to be performed or observed;

(3) immediately before and immediately after giving effect to such transaction and the assumption contemplated by clause (1)(B) and clause (2)(B) of this Section 5.01(a), no Default or Event of Default shall have occurred or be continuing; and

(4) the Issuer, or the Issuer Surviving Entity and the Guarantor, or the Guarantor Surviving Entity shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture complies with the applicable provisions of the Indenture and that all conditions precedent in the Indenture relating to such transaction have been satisfied.

(b) For purposes of the provisions of Section 5.01(a) hereof, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of the Guarantor, in a single or a series of related transactions, which properties and assets, if held by the Guarantor instead of such Restricted Subsidiaries, would constitute all or substantially all of the properties and assets of the Guarantor on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Guarantor.

(c) Notwithstanding clauses (1), (2) and (3) of Section 5.01(a) hereof, but subject to the proviso in clause (1)(A) and clause (2)(A) of Section 5.01(a), the Issuer and the Guarantor may merge with (x) any of the Wholly Owned Restricted Subsidiaries of the Guarantor, (y) in the case of the Issuer, the Guarantor, or (z) an Affiliate that is a Person that has no material assets or liabilities and which was organized solely for the purpose of reorganizing the Issuer or the Guarantor in another jurisdiction. For the avoidance of doubt, following a substitution of the Guarantor for the Issuer with respect to the Notes then outstanding pursuant to Section 5.03 of the Base Indenture, this Section 5.01 shall cease to apply to the Issuer with respect to such Notes. Nothing in this Section 5.01 shall prevent the Guarantor from consummating the substitution pursuant to Section 5.03 of the Base Indenture or prevent the Guarantor or any Restricted Subsidiary from consummating the Guarantor Conversion.

ARTICLE 6 EVENTS OF DEFAULT

The Notes shall not be subject to Section 6.01 of the Base Indenture. In lieu thereof, the Notes shall be subject to the following provisions of Section 6.01 of this Supplemental Indenture:

4.700% Senior Notes due 2033

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Equinix Europe 2 Financing Corporation LLC, a Delaware limited liability company (the “*Issuer*”), promises to pay interest on the principal amount of this Note at 4.700% per annum from March 5, 2026, until maturity. The Issuer will pay interest semi-annually in arrears on March 15 and September 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be September 15, 2026. The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is equal to the interest rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed daily on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Issuer will pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the March 1 or September 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.14 of the Base Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Obligors maintained for such purpose within or without the United States, or, at the option of the Issuer, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuer or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, U.S. Bank Trust Company, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice to any Holder. The Issuer, the Guarantor or any of the Subsidiaries of either Obligor may act in the capacity of Paying Agent or Registrar.

(4) *INDENTURE.* The Issuer issued the Notes under an Indenture, dated as of March 18, 2024 (the “*Base Indenture*” and, as supplemented by the Supplemental Indenture (as defined below), the “*Indenture*”), by and among the Issuer, the Guarantor and the Trustee, as supplemented by that certain Eighth Supplemental Indenture, dated as of March 5, 2026, by and among the Issuer, the Guarantor and the Trustee (the “*Supplemental Indenture*”). The terms of this Note include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Issuer, fully and unconditionally guaranteed by the Guarantor.

(5) *OPTIONAL REDEMPTION.*

(a) Prior to January 15, 2033 (the “*Par Call Date*”), the Issuer may redeem the Notes at its option, in whole or in part, at any time and from time to time, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 15 basis points less (b) interest accrued to the date of redemption (the “*Redemption Date*”), and (2) 100% of the aggregate principal amount of the Notes to be redeemed, plus, in either case, accrued and unpaid interest thereon, if any, to but excluding, the Redemption Date.

(b) On or after the Par Call Date, the Issuer may redeem the Notes, at its option, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the aggregate principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon, if any, to but excluding, the Redemption Date.

(c) Any redemption pursuant to this paragraph 5 shall be made pursuant to the provisions of Article 3 of the Supplemental Indenture.

(d) Any redemption or notice of redemption, may, at the Obligors' discretion, be subject to one or more conditions precedent.

(6) *NOTICE OF REDEMPTION.* Notice of redemption will be delivered at least 10 days but not more than 60 days before the Redemption Date to each Holder whose Notes are to be redeemed at its registered address and the Trustee, except that redemption notices with respect to any redemption pursuant to Section 3.02 of the Supplemental Indenture may be delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Notes in denominations larger than \$2,000 may be redeemed in part in connection with any redemption pursuant to Section 3.02, but only in whole multiples of \$1,000 unless all of the Notes held by a Holder are to be redeemed and *provided* that any unredeemed portion of a Note is equal to \$2,000 or a multiple of \$1,000 in excess thereof. Unless the Issuer defaults in payment of the redemption price, on and after the Redemption Date interest will cease to accrue on the Notes or portions thereof called for redemption.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) In the event that the Issuer is required to commence an offer to all Holders to purchase Notes pursuant to Section 4.05 of the Supplemental Indenture, it will comply with the terms set forth in the Supplemental Indenture, including Section 3.04 thereof.

(b) If a Change of Control Triggering Event occurs, unless the Issuer or a third party has previously or concurrently delivered a redemption notice with respect to all outstanding Notes, as described under Section 3.02 of the Supplemental Indenture, the Issuer will be required to make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased to but not including the date of repurchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control Triggering Event, the Issuer will deliver a notice to each Holder, with a copy to the Trustee, setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(8) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note to be redeemed in part that is equal to \$2,000 or a multiple of \$1,000 in excess thereof. Also, the Issuer need not issue, register the transfer of or exchange any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(9) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as its owner for all purposes.

(10) *AMENDMENT, SUPPLEMENT AND WAIVER.* Subject to certain exceptions, the Indenture and the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any, issued under the Supplemental Indenture) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for purchase of, the Notes), and any existing Default or Event of Default, other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes (except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Indenture and the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any, issued under the Supplemental Indenture) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for purchase of, the Notes). Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency; provide for the assumption by an Issuer Surviving Entity of the obligations of the Issuer and/or the assumption by a Guarantor Surviving Entity of the obligations of the Guarantor under this Indenture; provide for uncertificated Notes in addition to or in place of certificated Notes; add additional guarantees with respect to the Notes or confirm and evidence the release, termination or discharge of any security or guarantee when such release, termination or discharge is permitted by the Indenture; secure the Notes, add to the covenants of the Obligors for the benefit of the Holders of the Notes or surrender any right or power conferred upon the Obligors; make any change that does not adversely affect the rights of any Holder of the Notes; comply with any requirement of the Commission in connection with the qualification of the Indenture under the TIA; provide for the issuance of Additional Notes in accordance with the Supplemental Indenture; evidence and provide for the acceptance of appointment by a successor Trustee; conform the text of the Indenture or the Notes to any provision of the “Description of Notes” of the Prospectus to the extent that such provision in the “Description of Notes” of the Prospectus was intended to be a recitation of a provision of the Indenture or the Notes; make any amendment to the provisions of the Indenture relating to the transfer and legending of the Notes as permitted by the Indenture, including, without limitation to facilitate the issuance and administration of the Notes; *provided* that (i) compliance with the Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer the Notes; or to evidence the substitution of the Guarantor for the Issuer and the assumption by the Guarantor of the rights, powers, covenants, agreements and obligations of the Issuer pursuant to Section 5.03 of the Base Indenture.

(11) *DEFAULTS AND REMEDIES.* Events of Default with respect to the Notes include: (i) failure by the Issuer to pay interest on any Notes when such interest becomes due and payable and the default continues for a period of 30 days; (ii) failure by the Issuer to pay the principal on any Notes when such principal becomes due and payable, at maturity, upon redemption or otherwise (including the failure to make a payment to purchase Notes tendered pursuant to a Change of Control Offer) on the date specified for such payment in the applicable offer to purchase; (iii) failure by the Obligors for 60 days after notice to the Obligors by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other covenants or agreements in the Indenture (except (i) in the case of a default with respect to Section 5.01 of the Supplemental Indenture, which will constitute an Event of Default with such notice requirement but without such passage of time requirement and (ii) as otherwise provided in the penultimate paragraph of Section 4.03 of the Base Indenture); (iv) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any Indebtedness of the Issuer, the Guarantor or any Restricted Subsidiary of the Guarantor, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 30 days of receipt by the Issuer, the Guarantor or such Restricted Subsidiary of notice of any such acceleration) if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity or which has been so accelerated (in each case with respect to which the 30-day period described above has passed), equals \$500.0 million or more at any time; (v) the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary, pursuant to or within the meaning of Bankruptcy Law, commences a voluntary case, consents to the entry of an order for relief against it in an involuntary case, consents to the appointment of a custodian for it or for all or substantially all of its property, makes a general assignment for the benefit of its creditors, or an admission by the Issuer or the Guarantor in writing of its inability to pay its debts as they become due; (vi) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that is for relief against the Issuer or the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary in an involuntary case; appoints a custodian of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary or for all or substantially all of the property of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary or orders the liquidation of the Issuer, the Guarantor or any of the Restricted Subsidiaries of the Guarantor that is a Material Subsidiary or any group of Restricted Subsidiaries of the Guarantor that, taken together, would constitute a Material Subsidiary and the order or decree remains unstayed and in effect for 60 consecutive days; or (vii) the Guarantee ceases to be in full force and effect, other than in accordance with the terms of the Indenture, or the Guarantor denies or disaffirms in writing its obligations under the Guarantee, other than in accordance with the terms thereof or upon release of the Guarantee in accordance with the Indenture.

If any Event of Default with respect to outstanding Notes occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare the principal of, and accrued and unpaid interest on all the Notes to be due and payable by notice in writing to the Obligor and the Trustee specifying the respective Event of Default and that it is a “notice of acceleration” and the same shall be immediately due and payable.

Notwithstanding the foregoing, in the case of an Event of Default arising from the events of bankruptcy or insolvency specified in clauses (v) or (vi) in the second preceding paragraph above occurring with respect to the Issuer or the Guarantor, all unpaid principal of and accrued and unpaid interest on all of the outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium, if any) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes. The Obligor is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Obligor is required, within five Business Days of any Authorized Person becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(12) *GUARANTEE AND SUBROGATION.* Subject to the provisions of Article 11 of the Base Indenture, the Guarantor irrevocably, fully and unconditionally guarantees, on an unsecured basis, the full and punctual payment (whether at maturity, upon redemption, or otherwise) of the principal of and interest on, and all other amounts payable under, the Notes to be issued pursuant to this Indenture, and the full and punctual payment of all other amounts payable by the Issuer under this Indenture. Upon failure by the Issuer to pay punctually any such amount, the Guarantor shall forthwith on demand pay the amount not so paid at the place and in the manner specified in this Indenture.

Subject to the provisions in Section 5.03 of the Base Indenture, the Obligor may at any time, without the consent of any Holders, arrange for and cause the substitution of the Guarantor (including any successor Guarantor pursuant to Section 5.01 of the Supplemental Indenture) for the Issuer as the principal obligor in respect of the Notes then outstanding, if, immediately after giving effect to such substitution, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, has occurred and is continuing (other than a Default or Event of Default that would be cured by such substitution).

The Guarantee will terminate with respect to the Notes upon defeasance or discharge of the Notes, as provided in Article 8 of the Base Indenture, and upon the substitution of the Guarantor for the Issuer as provided in Section 5.03 of the Base Indenture with respect to the Notes.

(13) *TRUSTEE DEALINGS WITH THE OBLIGORS.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Obligors or any Affiliate of the Obligors with the same rights it would have if it were not Trustee.

(14) *NO RECOURSE AGAINST OTHERS.* No past, present or future director, officer, employee, incorporator, agent, stockholder or Affiliate of the Obligors, as such, shall have any liability for any obligations of the Obligors under the Notes or under the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liabilities. The waiver and release are part of the consideration for the issuance of the Notes.

(15) *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(16) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(17) *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(18) *GOVERNING LAW.* THE LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE AND THE GUARANTOR'S GUARANTEE BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Issuer will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

We, as your counsel, have examined originals or copies of such documents, corporate records, certificates of public officials and other instruments as we have deemed necessary or advisable for the purpose of rendering this opinion.

In rendering the opinion expressed herein, we have, without independent inquiry or investigation, assumed that (i) all documents submitted to us as originals are authentic and complete, (ii) all documents submitted to us as copies conform to authentic, complete originals, (iii) all signatures on all documents that we reviewed are genuine, (iv) all natural persons executing documents had and have the legal capacity to do so, (v) all statements in certificates of public officials and officers of the Issuer and the Guarantor that we reviewed were and are accurate and (vi) all representations made by the Issuers and the Guarantor as to matters of fact in the documents that we reviewed were and are accurate.

Based upon the foregoing, and subject to the additional assumptions and qualifications set forth below, we advise you that, in our opinion, assuming the 2031 Notes have been duly executed and authenticated in accordance with the provisions of the Singapore Finco Indenture and delivered to and paid for by the 2031 Notes Underwriters pursuant to the Singapore Finco Underwriting Agreement, and when the 2033 Notes have been duly executed and authenticated in accordance with the provisions of the Europe 2 Finco Indenture and delivered to and paid for by the 2033 Notes Underwriters pursuant to the Europe 2 Finco Underwriting Agreement, the Notes will constitute valid and binding obligations of the respective Issuer, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability, and in the case of the 2031 Notes, may be subject to possible judicial or regulatory actions giving effect to governmental actions or foreign laws affecting creditors' rights, provided that we express no opinion as to, (w) the enforceability of any waiver of rights under any usury or stay law, (x) the effect of fraudulent conveyance, fraudulent transfer or similar provision of applicable law on the conclusions expressed above, or (y) the validity, legally binding effect or enforceability of any provision that permits holders to collect any portion of stated principal amount upon acceleration of the Notes to the extent determined to constitute unearned interest.

The Guarantees, assuming the 2031 Notes have been duly executed and authenticated in accordance with the provisions of the Singapore Finco Indenture and delivered to and paid for by the 2031 Notes Underwriters pursuant to the Singapore Finco Underwriting Agreement, and when the 2033 Notes have been duly executed and authenticated in accordance with the provisions of the Europe 2 Finco Indenture and delivered to and paid for by the 2033 Notes Underwriters pursuant to the Europe 2 Finco Underwriting Agreement, will be valid and binding obligations of the Guarantor, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability, and in the case of the 2031 Notes, may be subject to possible judicial or regulatory actions giving effect to governmental actions or foreign laws affecting creditors' rights, provided that we express no opinion as to (w) the enforceability of any waiver of rights under any usury or stay law, (x) the effect of fraudulent conveyance, fraudulent transfer or similar provision of applicable law on the conclusions expressed above or (y) the validity, legally binding effect or enforceability of any provision that permits holders to collect any portion of stated principal amount upon acceleration of the Notes to the extent determined to constitute unearned interest.

In addition, we have assumed that the Indentures and the Securities (collectively, the "**Documents**") are valid, binding and enforceable agreements of each party thereto (other than as expressly covered above in respect of the Issuers and the Guarantor). We have also assumed that the execution, delivery and performance by each party to each Document to which it is a party (a) are within its corporate powers, (b) do not contravene, or constitute a default under, the certificate of incorporation or bylaws or other constitutive documents of such party, (c) require no action by or in respect of, or filing with, any governmental body, agency or official and (d) do not contravene, or constitute a default under, any provision of applicable law or regulation or any judgment, injunction, order or decree or any agreement or other instrument binding upon such party, provided that we make no such assumption to the extent that we have specifically opined as to such matters with respect to the Issuers and the Guarantor.

4. The ACRA Searches and the Court Searches revealed no application for or order or resolution for the winding-up and no notice of appointment of a receiver or judicial manager for the Issuer. The Court Searches have revealed no lawsuits or legal proceedings pending against the Issuer for the period from 1 January 2025 to 5 March 2026 at the Supreme Court and the State Courts of Singapore. Notice of a winding-up order made or resolution passed or a receiver or judicial manager appointed may not be filed at the ACRA immediately.
5. Based upon and subject to the foregoing, and subject to the qualifications set forth below and any matters not disclosed to us, we are of the opinion that:
- (i) the Issuer is a company duly incorporated and validly existing under the Companies Act 1967 of Singapore
 - (ii) the Issuer has the requisite corporate power to execute, issue and deliver the Indenture, to issue the Notes and to perform its obligations under the Indenture and the Notes; and
 - (iii) all necessary corporate actions required under the laws of Singapore have been taken by the Issuer to authorise the execution, issue and delivery of, and the performance by it of its obligations under, the Indenture and the Notes.
6. This opinion relates only to the laws of general application of Singapore as at the date hereof and as currently applied by the Singapore courts, and is given on the basis that it will be governed by and construed in accordance with the laws of Singapore. In particular, we have made no investigation of the laws of the State of New York or Delaware as a basis for this opinion and do not express or imply any views on such laws. We have made no investigation of, and do not express or imply any views on, the laws of any country, other than Singapore. In respect of the Indenture, the Notes and the Prospectus, we have assumed due compliance with all matters concerning the laws of all relevant jurisdictions, other than Singapore.

7. The term “**enforceable**” as used above means that the obligations assumed or to be assumed by the Issuer under the Indenture and the Notes are of a type which the Singapore courts enforce. It does not mean that those obligations will necessarily be enforced in all circumstances in accordance with their terms. In particular:
- (i) enforcement may be limited by bankruptcy, insolvency, liquidation, reorganisation, reconstruction or similar laws generally relating to or affecting creditors’ rights;
 - (ii) enforcement may be limited by general principles of equity - for example, equitable remedies may not be available where damages are considered to be an adequate remedy;
 - (iii) claims may become barred under the Limitation Act 1959 of Singapore or may be or become subject to defences of set-off or counterclaim; and
 - (iv) where obligations are to be performed in a jurisdiction outside Singapore, they may not be enforceable in Singapore to the extent that performance would be illegal or contrary to public policy under the laws of that jurisdiction.
8. In addition, this opinion is subject to the following qualifications:
- (i) that a certificate, determination, notification or opinion of the Underwriters or the Trustee as to any matter provided for in the Indenture or the Notes may be held by the Singapore courts not to be conclusive if it could be shown to have an unreasonable or arbitrary basis or in the event of manifest error;
 - (ii) where under the Indenture or the Notes, any person is vested with discretion or may determine a matter according to its opinion, Singapore law may require that such discretion is exercised reasonably or that such opinion is based upon reasonable grounds;
 - (iii) a Singapore court may stay proceedings if concurrent proceedings are brought elsewhere;
 - (iv) where obligations are to be performed in a jurisdiction outside Singapore, they may not be enforceable in Singapore to the extent that performance would be illegal or contrary to public policy under the laws of that jurisdiction;
 - (v) provisions in the Indenture and the Notes as to severability may not be binding under the laws of Singapore and the question of whether or not provisions which are illegal, invalid or unenforceable may be severed from other provisions in order to save such other provisions depends on the nature of the illegality, invalidity or unenforceability in question and would be determined by a Singapore court at its discretion;
 - (vi) a Singapore court may refuse to give effect to clauses in the Indenture and the Notes in respect of the costs of unsuccessful litigation brought before a Singapore court or where the court has itself made an order for costs;
 - (vii) provisions in the Indenture or the Notes relating to any additional interest or other sum imposed by the Indenture or the Notes on the Issuer where it has defaulted in the performance of any of its obligations may not be enforceable in a Singapore court if they are construed as a penalty;
 - (viii) any term of an agreement may be amended orally by all the parties notwithstanding provisions to the contrary in the Indenture and the Notes;

- (ix) this opinion is given on the basis that there has been no amendment to or termination or replacement of the documents, authorisations and approvals referred to in paragraphs 2 and 3 of this opinion and on the basis of the laws of Singapore in force as at the date of this opinion. This opinion is also given on the basis that we undertake no responsibility to notify any addressee of this opinion of any change in the laws of Singapore after the date of this opinion;
 - (x) under general principles of Singapore law, except as provided in the Contracts (Rights of Third Parties) Act 2001 of Singapore, a person who is not a contracting party to an agreement is not entitled to the benefits of the agreement and may not enforce the agreement;
 - (xi) we give no opinion on tax matters and in particular give no opinion on the tax consequences of any transaction contemplated by the Indenture, the Notes or any related document;
 - (xii) duties to enter into negotiations and further agreements (including but not limited to those in relation to the Indenture, the Notes and any other documents which are currently contemplated or which have been entered into but which are incomplete) in due course may not be effectively enforceable; and
 - (xiii) the enforcement in Singapore of the Indenture, of the Notes and of foreign judgments will be subject to Singapore rules of civil procedure.
9. As the primary purpose of our professional engagement was not to establish or confirm factual matters and because of the wholly or partially non-legal character of many of the statements in the Prospectus, we express no opinion or belief on and do not assume any responsibility for the accuracy, completeness or fairness of any of the statements contained in the Prospectus and we make no representation that we have independently verified the accuracy, completeness or fairness of such statements.
10. We consent to the use and filing of this opinion as an exhibit to a report on Form 8-K to be filed by the Guarantor and further consent to its incorporation by reference into the Registration Statement. In giving this consent, we do not hereby admit and shall not be deemed to admit that we come within the category of persons whose consent is required under Section 7 of the United States Securities Act of 1933, as amended.
11. This opinion is addressed to the Company solely for its own benefit. Save for the filing of this opinion with the SEC as an exhibit to the to a report on Form 8-K to be filed by the Guarantor on the date hereof and its incorporation by reference into the Registration Statement, it is not to be transmitted to, nor is it to be relied upon by, any other person or quoted or referred to in any public document or filed with any governmental agency or other person without our consent in writing. This opinion is not to be relied upon by, nor do we do not accept any liability to anyone other than the Company (even though you may have provided a copy to another person in accordance with the terms of this paragraph) without our express written consent.
