Item 1.01 Entry into a Material Definitive Agreement

Issuance of 0.250% Senior Notes due 2027 and 1.000% Senior Notes due 2033

On March 10, 2021, Equinix, Inc. (“**Equinix**”) issued and sold €500 million aggregate principal amount of its 0.250% Senior Notes due 2027 (the “**2027 Notes**”) and €600 million aggregate principal amount of its 1.000% Senior Notes due 2033 (the “**2033 Notes**,” and, together with the 2027 Notes, the “**Notes**”), pursuant to an underwriting agreement dated February 24, 2021 (the “**Underwriting Agreement**”) among Equinix and the several underwriters named in Schedule II thereto.

The 2027 Notes were issued pursuant to an indenture dated December 12, 2017 (the “**Base Indenture**”) between Equinix and U.S. Bank National Association, as trustee (the “**Trustee**”), as supplemented by the Fourteenth Supplemental Indenture dated March 10, 2021 (the “**Fourteenth Supplemental Indenture**,” and, together with the Base Indenture, the “**2027 Indenture**”) between Equinix and the Trustee. The 2033 Notes were issued pursuant to the Base Indenture, as supplemented by the Fifteenth Supplemental Indenture dated March 10, 2021 (the “**Fifteenth Supplemental Indenture**,” and, together with the Base Indenture, the “**2033 Indenture**”) between Equinix and the Trustee. The 2027 Indenture and 2033 Indenture are referred to herein as the “**Indentures**”.

The Notes were offered pursuant to Equinix’s Registration Statement on Form S-3 (No. 333-249763) (the “**Registration Statement**”), which became effective upon filing with the Securities and Exchange Commission on October 30, 2020, including the prospectus contained therein dated October 30, 2020, a preliminary prospectus supplement dated February 24, 2021 and a final prospectus supplement dated February 25, 2021.

The 2027 Notes will bear interest at the rate of 0.250% per annum and will mature on March 15, 2027. The 2033 Notes will bear interest at the rate of 1.000% per annum and will mature on March 15, 2033. Interest on the Notes is payable in cash on March 15 of each year, beginning on March 15, 2022.

Equinix may redeem at its election, at any time or from time to time, some or all of any series of Notes before they mature at a redemption price equal to (i) 100% of the principal amount of Notes redeemed plus accrued and unpaid interest, if any, to, but not including, the applicable redemption date (subject to the rights of holders of record of such Notes on the relevant record date to receive interest due on the relevant interest payment date), plus (ii) a “make-whole” premium (as detailed in the forms of Notes filed herewith). Notwithstanding the foregoing, if the 2027 Notes are redeemed on or after January 15, 2027 or the 2033 Notes are redeemed on or after December 15, 2032, the redemption price will not include the applicable “make-whole” premium.

Upon a change of control triggering event, as defined in each Indenture, Equinix will be required to make an offer to purchase the Notes at a purchase price equal to 101% of the principal amount of the Notes on the date of purchase, plus accrued interest, if any, to, but excluding, the date of purchase.

The Notes are Equinix’s general unsecured senior obligations and rank equally with Equinix’s other unsecured senior indebtedness. The Notes effectively rank junior to Equinix’s secured indebtedness to the extent of the collateral securing such indebtedness and to all liabilities of Equinix’s subsidiaries. The Notes are not guaranteed by Equinix’s subsidiaries, through which Equinix currently conducts substantially all of its operations.

Each Indenture contains restrictive covenants relating to limitations on: (i) liens; (ii) certain asset sales and mergers and consolidations; and (iii) sale and leaseback transactions, subject, in each case, to certain exceptions.

Each Indenture contains customary terms that upon certain events of default occurring and continuing, either the Trustee or the holders of not less than 25% in aggregate principal amount of the applicable series of Notes then outstanding may declare the principal of such Notes and any accrued and unpaid interest through the date of such declaration immediately due and payable. In the case of certain events of bankruptcy or insolvency relating to Equinix or its material restricted subsidiaries, the principal amount of such Notes together with any accrued and unpaid interest through the occurrence of such event shall automatically become and be immediately due and payable.

Equinix expects to use an amount equal to the net proceeds from the offering of the notes to finance or refinance, in whole or in part, recently completed or future Eligible Green Projects, with disbursements covering project expenditures for up to two years preceding the issuance date of the notes and until and including the maturity date of the notes, including the development and redevelopment of such projects. Pending the allocation of an amount equal to the net proceeds from this offering to Eligible Green Projects, Equinix will temporarily use €509.4 million of the net proceeds of the offering of the notes to fund the redemption of all of its outstanding 2.875% Euro Senior Notes due 2026, including the payment of the premium and accrued interest to the redemption date, and may use all or a portion of an amount of the remaining net proceeds from the offering of the notes to temporarily fund the acquisition of additional properties or businesses, fund development opportunities, invest in interest-bearing accounts and short-term, interest-bearing securities which are consistent with its intention to qualify as a REIT for U.S. federal income tax purposes, and to provide for working capital and other general corporate purposes, including but not limited to (potentially for) the repayment of other debt, or the redemption, repurchase, repayment or retirement of outstanding equity or other debt securities, or a combination of the foregoing.

The above descriptions of the Indentures and the Notes are qualified in their entirety by reference to the Base Indenture and the Fourteenth Supplemental Indenture and Fifteenth Supplemental Indenture (including the forms of the Notes included therein). A copy of the Base Indenture, Fourteenth Supplemental Indenture and Fifteenth Supplemental Indenture and the forms of the Notes are filed as Exhibits 4.1, 4.2, 4.3, 4.4 and 4.5, respectively, to this Current Report on Form 8-K.

A copy of the opinion of Davis Polk & Wardwell LLP relating to the validity of the Notes is incorporated by reference into the Registration Statement and is attached to this Current Report on Form 8-K as Exhibit 5.1.

(2) Consolidated Interest Expense of such Person for such period to the extent the same were deducted (and not added back) in calculating such Consolidated Net Income; plus

(3) Consolidated Depreciation, Amortization and Accretion Expense of such Person for such period to the extent that the same were deducted (and not added back) in computing Consolidated Net Income; plus

(5) any other Non-cash Charges, including any provisions, provision increases, write-offs or write-downs reducing Consolidated Net Income for such period (*provided* that if any such Non-cash Charges represent an accrual or reserve for potential cash items in any future period, the cash payment in respect thereof in such future period shall be subtracted from Consolidated EBITDA to such extent), and excluding amortization of a prepaid cash item that was paid in a prior period; plus

(6) any costs or expenses incurred by the Company or a Restricted Subsidiary pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or any stock subscription or stockholder agreement, to the extent that such cost or expenses are funded with cash proceeds contributed to the capital of the Company or net cash proceeds of an issuance of Equity Interest of the Company (other than Disqualified Capital Stock); plus

(8) any net loss from disposed or discontinued operations; plus

(9) any net unrealized loss (after any offset) resulting in such period from obligations under any Currency Agreements and the application of ASC 815; *provided* that to the extent any such Currency Agreement relates to items included in the preparation of the income statement (as opposed to the balance sheet, as reasonably determined by the Company), the realized loss on a Currency Agreement shall be included to the extent the amount of such hedge gain or loss was excluded in a prior period; plus

(10) any net unrealized loss (after any offset) resulting in such period from (A) currency translation or exchange losses including those (x) related to currency remeasurements of Indebtedness and (y) resulting from hedge agreements for currency exchange risk and (B) changes in the fair value of Indebtedness resulting from changes in interest rates; plus

(11) the amount of any minority interest expense (less the amount of any cash dividends paid in such period to holders of such minority interests); plus

(12) the amount of any costs and expenses associated with the Company Conversion, including, without limitation, planning and advisory costs related to the foregoing; and

(b) decreased (without duplication) by the following, in each case to the extent included in determining Consolidated Net Income for such period:

(1) non-cash gains increasing Consolidated Net Income of such Person for such period, excluding any non-cash gains to the extent they represent the reversal of an accrual or reserve for a potential cash item that reduced Consolidated EBITDA in any prior period and any non-cash gains with respect to cash actually received in a prior period so long as such cash did not increase Consolidated EBITDA in such prior period;

(2) any net gain from disposed or discontinued operations;

(3) any net unrealized gain (after any offset) resulting in such period from obligations under any Currency Agreements and the application of ASC 815; *provided* that to the extent any such Currency Agreement relates to items included in the preparation of the income statement (as opposed to the balance sheet, as reasonably determined by the Company), the realized gain on a Currency Agreement shall be included to the extent the amount of such hedge gain or loss was excluded in a prior period; plus

(4) any net unrealized gains (after any offset) resulting in such period from (A) currency translation or exchange gains including those (x) related to currency remeasurements of Indebtedness and (y) resulting from hedge agreements for currency exchange risk and (B) changes in the fair value of Indebtedness resulting from changes in interest rates.

For purposes of this definition, calculations shall be done after giving effect on a pro forma basis for the period of such calculation to:

(1) the incurrence or repayment of any Indebtedness or the designation or elimination (including by de-designation) of any Designated Revolving Commitments of such Person or any of its Restricted Subsidiaries (and the application of the proceeds thereof) giving rise to the need to make such calculation and any incurrence or repayment of other Indebtedness (and the application of the proceeds thereof), other than the incurrence or repayment of Indebtedness in the ordinary course of business for working capital purposes pursuant to working capital facilities, occurring during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and on or prior to the Transaction Date, as if such incurrence or repayment of Indebtedness or designation or elimination (including by de-designation) of Designated Revolving Commitments, as the case may be (and the application of the proceeds thereof), occurred on the first day of the Four Quarter Period (and in the case of Designated Revolving Commitments, as if Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred throughout such period); and

(2) any asset sales or other dispositions or Asset Acquisitions (including, without limitation, any Asset Acquisition giving rise to the need to make such calculation as a result of such Person or one of its Restricted Subsidiaries (including any Person who becomes a Restricted Subsidiary as a result of the Asset Acquisition) incurring, assuming or otherwise being liable for Acquired Indebtedness and also including any Consolidated EBITDA (including any pro forma expense and cost reductions calculated on a basis consistent with Regulation S-X promulgated under the Exchange Act) attributable to the assets which are the subject of the Asset Acquisition or asset sale or other disposition during the Four Quarter Period) occurring during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and on or prior to the Transaction Date, as if such asset sale or other disposition or Asset Acquisition (including the incurrence, assumption or liability for any such Acquired Indebtedness) occurred on the first day of the Four Quarter Period. If such Person or any of its Restricted Subsidiaries directly or indirectly guarantees Indebtedness of a third Person, the preceding sentence shall give effect to the incurrence of such guaranteed Indebtedness as if such Person or any Restricted Subsidiary of such Person had directly incurred or otherwise assumed such guaranteed Indebtedness.

“**Consolidated Interest Expense**” means, with respect to any Person for any period, the sum of, without duplication:

(1) the aggregate of the interest expense of such Person and its Restricted Subsidiaries for such period determined on a consolidated basis in accordance with GAAP, including without limitation: (a) any amortization of debt discount and the amortization or write-off of deferred financing costs, including commitment fees; (b) the net costs under Interest Swap Obligations; (c) all capitalized interest; (d) non-cash interest expense (other than non-cash interest on any convertible or exchangeable debt issued by the Company that exists by virtue of the bifurcation of the debt and equity components of such convertible or exchangeable notes and the application of ASC 470-20 (or related accounting pronouncement(s))); (e) commissions, discounts and other fees and charges owed with respect to letters of credit and banker’s acceptance financing; (f) dividends with respect to Disqualified Capital Stock; (g) dividends with respect to Preferred Stock of Restricted Subsidiaries of such Person; (h) imputed interest with respect to Sale and Leaseback Transactions; and (i) the interest portion of any deferred payment obligation; *plus*

(2) the interest component of Finance Lease Obligations paid, accrued and/or scheduled to be paid or accrued by such Person and its Restricted Subsidiaries during such period as determined on a consolidated basis in accordance with GAAP; *less*

(3) interest income for such period.

“**Consolidated Net Income**” means, with respect to any Person, for any period, the aggregate net income (or loss) of such Person and its Restricted Subsidiaries for such period on a consolidated basis, determined in accordance with GAAP; *provided* that there shall be excluded therefrom (without duplication):

The date on which such interest shall be payable (each, an “**Interest Payment Date**”) shall be March 15 of each year, beginning on March 15, 2022, and the record date for any interest payable on each such Interest Payment Date shall be the immediately preceding March 1 (whether or not such date is a Business Day).

(e) The Notes will be issued in the form of one or more Global Notes, deposited with, or on behalf of, the Depositary, as common depositary for Euroclear and Clearstream, and registered in the name of the Depositary or its nominee for the accounts of Euroclear and Clearstream, duly executed by the Company and authenticated by the Trustee as provided in Sections 2.03 and 2.04 of the Base Indenture.

(f) No service charge will be made for any registration of a transfer, exchange or redemption of the Notes, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection with any such registration of transfer or exchange (but not for a redemption).

Section 2.02. *Denominations.* The Notes shall be issuable only in registered form without coupons and only in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof.

Section 2.03. *Form of Notes.* The Notes and the Trustee’s certificate of authentication will be substantially in the form of Exhibit A hereto. However, to the extent any provision of any Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

Section 2.04. *Currency of Notes.* The Notes shall be denominated in Euro, and all payments of interest and principal, including payments made upon any redemption of the Notes, will be payable in Euro. If the Euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or if the Euro is no longer being used by the then member states of the European Monetary Union that have adopted the Euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Notes will be made in U.S. dollars until the Euro is again available to the Company or so used. The amount payable on any date in Euro will be converted into U.S. dollars on the basis of the then most recently available market exchange rate for Euro. Neither the Trustee nor the Paying Agent shall have any responsibility for any calculation or conversion in connection with the foregoing. Any payment in respect of any Note so made in U.S. dollars pursuant to this Section 2.04 will not constitute an Event of Default under the Notes or the Indenture.

Section 2.05. *Registrar and Paying Agent.*

(a) The Company initially appoints Elavon Financial Services DAC, UK Branch to act as the Paying Agent with respect to the Notes (together with its successors and assigns, the "**Paying Agent**"), and Elavon Financial Services DAC to act as the Registrar with respect to the Notes (together with its successors and assigns, the "**Registrar**"), in each case in accordance with the terms of the Agency Agreement.

(b) The Company may change the Paying Agent or Registrar without prior notice to the Holders.

(c) The Company designates the office of the Registrar and Paying Agent at 125 Old Broad Street, Fifth Floor, London EC2N 1AR as an agency where the Notes may be presented for payment, exchange or registration of transfer, in each case as provided for in the Indenture.

Section 2.06. *Book-Entry Provisions.* This Section 2.06 shall apply to the Global Notes deposited with the Depository.

Members of, or participants and account holders in Euroclear and Clearstream, ("**Participants**") shall have no rights under this Supplemental Indenture with respect to any Global Note held on their behalf by the Depository or by the Trustee or any custodian of the Depository or under such Global Note, and the Depository or its nominees may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the sole owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company from giving effect to any written certification, proxy or other authorization furnished by Euroclear and Clearstream or impair, as between Euroclear and Clearstream, on the one hand, and the Participants, on the other, the operation of customary practices of such persons governing the exercise of the rights of a Holder of a beneficial interest in any Global Note.

Subject to the provisions of Section 2.01(e), the registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Participants and Persons that may hold interests through Participants, to take any action that a Holder is entitled to take under this Supplement Indenture or the Notes.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01. *Redemption.* Pursuant to Section 3.01 of the Base Indenture, the following additional redemption provisions in this Article 3 shall apply to the Notes.

Section 3.02. *Optional Redemption of the Notes.*

(a) The Company may redeem at its election, at any time or from time to time, some or all of the Notes before they mature at a redemption price equal to the sum of (x) 100% of the principal amount of Notes redeemed plus accrued and unpaid interest, if any, to, but not including, the date of redemption (the “**Redemption Date**”), subject to the rights of Holders of record of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date *plus* (y) the Make-Whole Premium.

(b) Notwithstanding the foregoing, if the Notes are redeemed on or after the First Par Call Date, the redemption price will not include the Make-Whole Premium.

(c) Neither the Trustee nor any Paying Agent shall have any obligation to calculate or verify the calculation of the Make-Whole Premium.

(d) The provisions of Section 3.01 through Section 3.06 of the Base Indenture shall not apply to the Notes, and the following provisions shall apply in lieu thereof:

(i) In the event that the Company chooses to redeem less than all of the Notes, selection of the Notes for redemption will be made by the Trustee:

(A) by a method that complies with the requirements, as certified to the Trustee by the Company, of the principal securities exchange, if any, on which the Notes are listed at such time, and in compliance with the requirements of the relevant clearing system; *provided* that, if the Notes are represented by one or more Global Notes, beneficial interests in the Notes will be selected for redemption by Euroclear and Clearstream in accordance with their respective standard procedures therefor; or

(B) if the Notes are not listed on a securities exchange, or such securities exchange prescribes no method of selection and the Notes are not held through a clearing system or the clearing system prescribes no method of selection, by lot.

(ii) No Notes of a principal amount of €100,000 or less shall be redeemed in part. The Company will also comply with any other requirements of the securities exchange, if any, on which the Notes are listed at such time.

(iii) Notice of redemption will be delivered at least 15 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed, the Trustee and the Paying Agent; *provided* that, if the redemption notice is issued in connection with a defeasance of the Notes or satisfaction and discharge of the Indenture governing the Note in accordance with the Indentures, the notice of redemption may be delivered more than 60 calendar days before the Redemption Date. If any Note is to be redeemed in part only, then the notice of redemption that relates to such Note must state the portion of the principal amount thereof to be redeemed. A new Note in a principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note (or appropriate adjustments to the amount and beneficial interests in a Global Note will be made). On and after the redemption date, interest will cease to accrue on Notes or portions thereof called for redemption as long as the Company has deposited with the Paying Agent funds in satisfaction of the applicable redemption price.

(e) Any redemption or notice of redemption, other than a notice of redemption delivered pursuant to Section 3.03 in connection with a Change in Tax Law, may, at the Company's discretion, be subject to one or more conditions precedent.

Section 3.03. *Tax Redemption.*

(a) The Company may redeem the Notes, in whole but not in part, at its option, at any time upon giving not less than 30 nor more than 60 days' prior notice to the Holders of the Notes and the Trustee (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to, but excluding, the Redemption Date ("**Tax Event Redemption Date**") and all Additional Amounts (if any) then due and which will become due on the Tax Event Redemption Date as a result of the redemption or otherwise (subject to the right of Holders of the Notes on the relevant record date to receive interest due on the relevant Interest Payment Date occurring on or prior to the redemption date and Additional Amounts (if any) in respect thereof), if, on the next date on which any amount would be payable in respect of the Notes, the Company is or, based upon an opinion of independent tax counsel of recognized standing in the relevant Tax Jurisdiction (any such opinion, a "**Tax Opinion**"), would be required to pay Additional Amounts in respect of the Notes and cannot avoid such payment obligation by taking reasonable measures available to the Company, and such requirement arises as a result of:

(i) any amendment to, or change in, the laws (or any regulations or rulings promulgated thereunder) of a relevant Tax Jurisdiction, which change or amendment is announced and becomes effective after the Issue Date; or

(ii) any amendment to, or change in, an official written interpretation or application of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published administrative practice), which amendment or change is announced and becomes effective after the Issue Date (any such amendment or change described in Section 3.03(a)(i) or (ii), a "**Change in Tax Law**").

(b) The Company will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Company would be obligated to pay Additional Amounts if a payment in respect of the Notes was then due, and the obligation to pay Additional Amounts must be in effect at the time such notice is given. Before the Company publishes or delivers a notice of redemption in respect of a Tax Event Redemption Date as described in this Section 3.03, the Company will deliver to the Trustee an Officers' Certificate to the effect that the Company cannot avoid the obligation to pay Additional Amounts by taking reasonable measures available to it and, if required, the opinion of independent tax counsel described above. Any notice of redemption shall otherwise be given pursuant to the procedures pursuant to Section 3.02 hereof. The Trustee shall accept, and will be entitled to conclusively rely on, such an opinion of counsel and such Officers' Certificate as sufficient evidence of the existence and satisfaction of the conditions precedent described in Section 3.03(a)(i) or (ii) above, as applicable, and upon delivery of such opinion of counsel and Officers' Certificate to the Trustee the Company will be entitled to give notice of redemption hereunder and such notice of redemption will be conclusive and binding on the Holders of the Notes.

Section 3.04. *Repurchase Offer.* In the event that, pursuant to Section 4.05 hereof, the Company or a Restricted Subsidiary is required to commence an offer to all Holders to purchase Notes (a “**Repurchase Offer**”), it shall follow the procedures specified below.

The Repurchase Offer shall remain open for a period of at least 20 Business Days following its commencement, except to the extent that a shorter or longer period is permitted or required, as the case may be, by applicable law (the “**Offer Period**”). No later than five Business Days after the termination of the Offer Period (the “**Purchase Date**”), the Company will purchase at the purchase price (as determined in accordance with Section 4.05 hereof, as the case may be) the principal amount of Notes required to be purchased pursuant to Section 4.05 hereof, as the case may be (the “**Offer Amount**”) and, if required, Pari Passu Indebtedness (on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness tendered in response to the Repurchase Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, to, but not including, the Payment Date will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Repurchase Offer.

Upon the commencement of a Repurchase Offer, the Company will deliver or cause to be delivered a notice to each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Repurchase Offer. The notice, which will govern the terms of the Repurchase Offer, will state:

- (a) that the Repurchase Offer is being made pursuant to this Section 3.04, and Section 4.05 hereof, and the length of time the Repurchase Offer will remain open;
- (b) the Offer Amount, the purchase price and the Purchase Date;
- (c) that any Note not tendered or accepted for payment will continue to accrue interest;
- (d) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Repurchase Offer will cease to accrue interest after the Purchase Date;
- (e) that Holders electing to have a Note purchased pursuant to a Repurchase Offer may elect to have Notes purchased in minimum denominations of €100,000, or integral multiples of €1,000 in excess thereof;
- (f) that Holders electing to have a Note purchased pursuant to any Repurchase Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Note completed, or transfer by book-entry transfer, to the Company, the Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
- (g) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(h) that, if the aggregate principal amount of Notes and Pari Passu Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Trustee will select the Notes to be purchased on a pro rata basis based on the principal amount of Notes and such Pari Passu Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Trustee so that no Notes in denominations of €100,000 or less will be purchased in part); and

(i) that Holders whose Notes were purchased only in part will be issued new Notes of the applicable series equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Repurchase Offer or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.04. The Company, the Depository or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and deliver (or cause to be transferred by book entry) such new Note to such Holder in a principal amount equal to any unpurchased portion of the Note surrendered. Notwithstanding any other provision in the Indenture to the contrary, neither an Opinion of Counsel nor an Officers' Certificate is required for the Trustee to authenticate such new Note. Any Note not so accepted shall be promptly returned by the Company to the Holder thereof. The Company will publicly announce the results of the Repurchase Offer on or as soon as practicable after the Purchase Date.

Other than as specifically provided in this Section 3.04 or Section 4.05 of this Supplemental Indenture, as applicable, any purchase pursuant to this Section 3.04 shall be made pursuant to the applicable provisions of Section 3.01 through Section 3.06 of the Base Indenture.

ARTICLE 4 COVENANTS

In addition to the covenants set forth in Article 4 of the Base Indenture, the Notes shall be subject to the following additional covenants. Such additional covenants set forth in Sections 4.03 through Section 4.05 below shall be subject to covenant defeasance pursuant to Section 8.03 of the Base Indenture.

Section 4.01. *Payment of Notes.* The following paragraph shall be added following the first paragraph of Section 4.01 of the Base Indenture: "The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period), at such rate to the extent lawful. Interest on the Notes will be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the Notes (or March 10, 2021 if no interest has been paid on the Notes), to but excluding the next scheduled Interest Payment Date.

Section 4.02. *Reports to Holders.* The following sentence shall be added to the end of the second paragraph of Section 4.03 of the Base Indenture: “If the Company had any Unrestricted Subsidiaries during the relevant period, the Company will also provide to the Trustee and, upon request, to any Holder of the Notes, information sufficient to ascertain the financial condition and results of operations of the Company and its Restricted Subsidiaries, excluding in all respects the Unrestricted Subsidiaries.”

Section 4.03. *Sale and Leaseback Transactions.* The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction with respect to any property or assets unless:

- (1) the Sale and Leaseback Transaction is solely with the Company or a Restricted Subsidiary;
- (2) the lease is for a period not in excess of 36 months (or which may be terminated by the Company or any of its Subsidiaries within a period of not more than 36 months);
- (3) the Company would be able to incur Indebtedness secured by a Lien with respect to such Sale and Leaseback Transaction without equally and ratably securing the Notes pursuant to Section 4.04(b) (other than in reliance on clause (20) of the definition of “Permitted Liens”); or
- (4) the Company or such Restricted Subsidiary within 365 days after the sale of such property in connection with such Sale and Leaseback Transaction is completed, applies an amount equal to the net proceeds of the sale of such property to (i) the redemption of Notes, other Indebtedness of the Company ranking on a parity with the Notes in right of payment or Indebtedness of the Company or a Restricted Subsidiary or (ii) the purchase of other property; provided that, in lieu of applying such amount to the retirement of Pari Passu Indebtedness, the Company may deliver Notes to the Trustee for cancellation; such Notes to be credited at the cost thereof to the Company.

Section 4.04. *Limitation on Liens.* The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or permit or suffer to exist any Liens of any kind against or upon any property or assets of the Company or any of its Restricted Subsidiaries whether owned on the Issue Date or acquired after the Issue Date, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom unless:

- (a) in the case of Liens securing Subordinated Indebtedness, the Notes are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; and
- (b) in all other cases, the Notes are equally and ratably secured, except for:
 - (1) Liens existing as of the Issue Date to the extent and in the manner such Liens are in effect on the Issue Date;

- (2) Liens securing the Company's and its Restricted Subsidiaries' Obligations under any hedge facility permitted under the Indenture to be entered into by the Company and its Restricted Subsidiaries;
- (3) Liens securing the Notes;
- (4) Liens in favor of the Company or a Wholly Owned Restricted Subsidiary of the Company on assets of any Restricted Subsidiary of the Company; and
- (5) Permitted Liens.

(c) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "**Increased Amount**" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, whether payable in cash or in kind, accretion or amortization of original issue discount, imputed interest, the payment of interest in the form of additional Indebtedness with the same terms or the payment of dividends on Disqualified Capital Stock in the form of additional shares of the same class, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.05. *Offer to Repurchase Upon Change of Control Triggering Event.*

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Company or a third party has previously or concurrently delivered a redemption notice with respect to all outstanding Notes as described under Sections 3.02 or 3.03 hereof, the Company will be required to make an offer to purchase each Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**"), at a purchase price (the "**Change of Control Payment**") equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase.

(b) Within 30 days following the date upon which the Change of Control Triggering Event occurred, the Company must send, or cause the Trustee to send, by first class mail (or, in the case of Notes represented by Global Notes, in accordance with the applicable procedures of Euroclear or Clearstream), a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state, among other things, the purchase date, which must be no earlier than 15 days nor later than 60 days after the date such notice is delivered, other than as may be required by law (the "**Change of Control Payment Date**"). Holders electing to have a Note purchased pursuant to a Change of Control Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed and specifying the portion (equal to €100,000 and integral multiples of €1,000 in excess thereof) of such Holder's Notes that it agrees to sell to the Company pursuant to the Change of Control Offer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date.

(c) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.05, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the provisions of this Section 4.05 by virtue of such conflict.

(d) On the date of such Change of Control Payment, the Company will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(e) The Paying Agent will promptly deliver to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and deliver (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note will be in a minimum principal amount of €100,000 or an integral multiple of €1,000. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the date of such Change of Control Payment.

(f) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. The Company (or a third party) may make a Change of Control Offer in advance of, and conditioned upon, any Change of Control Triggering Event.

Section 4.06. *Payment of Additional Amounts.*

(a) All payments made by the Company under or with respect to the Notes will be made free and clear of, and without withholding or deduction for or on account of, any Tax, unless the withholding or deduction of such Tax is then required by law. If any deduction or withholding by any applicable withholding agent for or on account of any Taxes imposed or levied by or on behalf of the United States or a taxing authority of or in the United States (a "**Tax Jurisdiction**") will at any time be required to be made in respect of any payments made by the Company under or with respect to the Notes, including payments of principal, redemption price, purchase price, interest or premium, then the Company will pay such additional amounts (the "**Additional Amounts**") as may be necessary in order that the net amounts received in respect of such payments by each beneficial owner of the Notes that is not a U.S. Person (as defined below) after such withholding, deduction or imposition (including any such withholding, deduction or imposition in respect of any such Additional Amounts) will equal the respective amounts that would have been received in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts will be payable with respect to:

- (1) any Taxes, to the extent such Taxes would not have been imposed but for the Holder of a Note (or the beneficial owner for whose benefit such Holder holds such Note) or a fiduciary, settlor, beneficiary, member or shareholder of the Holder if the Holder is an estate, trust, partnership or corporation, or a person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

- (a) having a current or former connection with the relevant Tax Jurisdiction (other than a connection arising solely from the ownership or disposition of such Note, the enforcement of rights under such Note), including being or having been a citizen or resident of such Tax Jurisdiction, being or having engaged in a trade or business in such Tax Jurisdiction or having or having had a permanent establishment in such Tax Jurisdiction; or
- (b) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation for U.S. federal income tax purposes or a corporation that has accumulated earnings to avoid U.S. federal income tax;
- (2) any Holder that is not the sole beneficial owner of the Notes, or a portion of the Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficial owner with respect to the holder, a beneficiary or settlor with respect to the fiduciary, or a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of Additional Amounts had the beneficial owner, beneficiary, settlor or member received directly its beneficial or distributive share of the payment;
- (3) any Taxes required to be withheld by any paying agent from any payment of principal of or interest on any Note, if such payment can be made without such withholding by at least one other paying agent;
- (4) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder or beneficial owner would otherwise have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);
- (5) any Taxes that are payable otherwise than by deduction or withholding from a payment on or with respect to the Notes;
- (6) any U.S. federal withholding tax imposed as a result of the beneficial owner:
 - (a) being a controlled foreign corporation for U.S. federal income tax purposes related to the Company;
 - (b) being or having been a “10-percent shareholder” of the Company as defined in Section 871(h)(3) of the Code; or
 - (c) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;
- (7) any estate, inheritance, gift, sales, transfer, excise, wealth, capital gains, personal property or similar Taxes;
- (8) any Taxes, to the extent such Taxes are imposed or withheld by reason of the failure of the Holder or beneficial owner of Notes to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the Holder or beneficial owner is legally eligible to provide such certification or documentation;

(9) any Taxes that are imposed or withheld pursuant to Sections 1471 through 1474 of the Code as of the date of the Indenture (or any amended or successor version that is substantively comparable), any regulations promulgated thereunder or any other official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code as of the date of Indenture (or any amended or successor version described above) or any intergovernmental agreements (and any related law, regulation or official administrative guidance) implementing the foregoing; or

(10) any combination of items (1) through (9) above.

(b) Except as specifically provided for in this Section 4.06, the Company will not be required to make any payment for any Tax.

(c) If the Company becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes, the Company will deliver to the Trustee and Paying Agent promptly prior to the date of that payment an Officers' Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officers' Certificate must also set forth any other information reasonably necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date. The Trustee and Paying Agent shall be entitled to rely solely on such Officers' Certificate as conclusive proof that such payments are necessary.

(d) The Company, if it is the applicable withholding agent, will make all withholdings and deductions required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Company will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Company will furnish to the Trustee upon reasonable written request, within a reasonable time after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Company or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other reasonable evidence of payments by such entity.

(e) The above obligations will survive any termination, defeasance or discharge of the Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, mutatis mutandis, to any successor Person to the Company.

(f) As used in this Section 4.06 and under Section 3.03 hereof,

(i) **"United States"** means the United States of America, any state thereof and the District of Columbia; and

(ii) **"U.S. Person"** means any person that is, for U.S. federal income tax purposes, an individual who is a citizen or resident of the United States, a corporation, partnership or other entity created or organized in or under the laws of the United States, any state thereof or the District of Columbia or any estate or trust the income of which is subject to U.S. federal income taxation regardless of its source.

ARTICLE 5
MERGER, CONSOLIDATION, OR SALE OF ASSETS

The Notes shall not be subject to Section 5.01 of the Base Indenture. In lieu thereof, the Notes shall be subject to the following provisions of Section 5.01 of this Supplemental Indenture:

Section 5.01 *Merger, Consolidation, or Sale of Assets.*

(a) The Company will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Restricted Subsidiary of the Company to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of the Company's assets (determined on a consolidated basis for the Company and the Company's Restricted Subsidiaries) whether as an entirety or substantially as an entirety to any Person unless:

(1) either:

(A) the Company shall be the surviving or continuing corporation; or

(B) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Company and of the Company's Restricted Subsidiaries substantially as an entirety (the "**Surviving Entity**");

(i) shall be an entity organized and validly existing under the laws of the United States or any State thereof or the District of Columbia; *provided* that in the case where the Surviving Entity is not a corporation, a co-obligor of the Notes is a corporation; and

(ii) shall expressly assume, by supplemental indenture (in form satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, interest on all of the Notes and the performance of every covenant of the Notes and the Indenture on the part of the Company to be performed or observed;

(2) immediately before and immediately after giving effect to such transaction and the assumption contemplated by clause (1)(B) (ii) of this Section 5.01(a), no Default or Event of Default shall have occurred or be continuing; and

(3) the Company or the Surviving Entity shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture complies with the applicable provisions of the Indenture and that all conditions precedent in the Indenture relating to such transaction have been satisfied.

(b) For purposes of the provisions of Section 5.01(a) hereof, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of the Company, in a single or a series of related transactions, which properties and assets, if held by the Company instead of such Restricted Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

(c) Notwithstanding clauses (1) and (2) of Section 5.01(a) hereof, but subject to the proviso in clause (1)(B)(i) of Section 5.01(a), the Company may merge with (x) any of its Wholly Owned Restricted Subsidiaries or (y) an Affiliate that is a Person that has no material assets or liabilities and which was organized solely for the purpose of reorganizing the Company in another jurisdiction. For the avoidance of doubt, nothing in this Section 5.01 shall prevent the Company or a Restricted Subsidiary from consummating the Company Conversion.

ARTICLE 6 EVENTS OF DEFAULT

- (c) a default in the observance or performance of any other covenant or agreement contained in the Indenture which default continues for a period of 60 days after the Company receives written notice specifying the default (and demanding that such default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes (except (i) in the case of a default with respect to Section 5.01, which will constitute an Event of Default with such notice requirement but without such passage of time requirement and (ii) as otherwise provided in the penultimate paragraph of Section 4.03 of the Base Indenture);
- (d) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any Indebtedness of the Company or any Restricted Subsidiary of the Company, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 30 days of receipt by the Company or such Restricted Subsidiary of notice of any such acceleration) if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity or which has been so accelerated (in each case with respect to which the 30-day period described above has passed), equals \$500.0 million or more at any time;

(e) the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary pursuant to or within the meaning of Bankruptcy Law:

(2) appoints a custodian of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary or for all or substantially all of the property of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary; or

(3) orders the liquidation of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary; and the order or decree remains unstayed and in effect for 60 consecutive days.

0.250% Senior Notes due 2027

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. Equinix, Inc., a Delaware corporation (the “*Company*”), promises to pay interest on the principal amount of this Note at 0.250% per annum from March 10, 2021, until maturity. The Company will pay interest annually in arrears on March 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be March 15, 2022. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is equal to the interest rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest on the Notes will be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the Notes (or March 10, 2021 if no interest has been paid on the Notes), to but excluding the next scheduled Interest Payment Date.

(2) *METHOD OF PAYMENT*. The Company will pay interest and any Additional Amounts, if any, on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the March 1 (whether or not such date is a Business Day) next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.14 of the Base Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Company maintained for such purpose within or without London, United Kingdom, or, at the option of the Company, payment of interest may be made by wire transfer or by check mailed to the address of the appropriate person as it appears on the security register. So long as the registered owner of the Notes is a common depository of Euroclear and Clearstream or their nominee, payment of principal and interest shall be made in accordance with the requirements of Euroclear and Clearstream. If the Euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company’s control or if the Euro is no longer being used by the then member states of the European Monetary Union that have adopted the Euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Notes will be made in U.S. dollars until the Euro is again available to the Company or so used. The amount payable on any date in Euro will be converted into U.S. dollars on the basis of the then most recently available market exchange rate for Euro. Any payment in respect of any Note so made in U.S. dollars pursuant to the Indenture will not constitute an Event of Default under the Notes or the Indenture.

(3) *PAYING AGENT AND REGISTRAR*. Initially, Elavon Financial Services DAC, UK Branch, will act as Paying Agent and Elavon Financial Services DAC will act as Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in the capacity of Paying Agent or Registrar.

(4) *INDENTURE*. The Company issued the Notes under an Indenture, dated as of December 12, 2017 (the “*Base Indenture*” and, as supplemented by the Supplemental Indenture (as defined below), the “*Indenture*”), by and between the Company and the Trustee, as supplemented by that certain Fourteenth Supplemental Indenture, dated as of March 10, 2021, by and between the Company, the Trustee, the Paying Agent and the Registrar (the “*Supplemental Indenture*”). The terms of this Note include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Company.

(5) *OPTIONAL REDEMPTION*.

(a) The Company may redeem at its election, at any time or from time to time, some or all of the Notes before they mature at a redemption price equal to the sum of (x) 100% of the principal amount of Notes redeemed plus accrued and unpaid interest, if any, to, but not including, the date of redemption (the “**Redemption Date**”), subject to the rights of Holders of record of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date *plus* (y) the Make-Whole Premium.

(b) Notwithstanding the foregoing, if the Notes are redeemed on or after the First Par Call Date, the redemption price will not include the Make-Whole Premium.

(c) Any redemption pursuant to this paragraph 5 shall be made pursuant to the provisions of Article 3 of the Supplemental Indenture.

(d) Any redemption or notice of redemption, other than a notice of redemption delivered pursuant to the Supplemental Indenture in connection with a Change in Tax Law, may, at the Company’s discretion, be subject to one or more conditions precedent.

(6) *TAX REDEMPTION*.

(a) The Company may redeem the Notes, in whole but not in part, at its option, at any time upon giving not less than 30 nor more than 60 days’ prior notice to the Holders of the Notes and the Trustee (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to, but excluding, the Tax Event Redemption Date and all Additional Amounts (if any) then due and which will become due on the Tax Event Redemption Date as a result of the redemption or otherwise (subject to the right of Holders of the Notes on the relevant record date to receive interest due on the relevant Interest Payment Date occurring on or prior to the redemption date and Additional Amounts (if any) in respect thereof), if, on the next date on which any amount would be payable in respect of the Notes, the Company is or, based upon a Tax Opinion would be required to pay Additional Amounts in respect of the Notes and cannot avoid such payment obligation by taking reasonable measures available to the Company, and such requirement arises as a result of a Change in Tax Law.

(b) The Company will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Company would be obligated to pay Additional Amounts if a payment in respect of the Notes was then due, and the obligation to pay Additional Amounts must be in effect at the time such notice is given. Before the Company publishes or delivers a notice of redemption in respect of a Tax Event Redemption Date as described above, the Company will deliver to the Trustee an Officers’ Certificate to the effect that the Company cannot avoid the obligation to pay Additional Amounts by taking reasonable measures available to it and, if required, the Tax Opinion. Any notice of redemption shall otherwise be given pursuant to the procedures pursuant to Section 3.02 of the Supplemental Indenture. The Trustee shall accept, and will be entitled to conclusively rely on, such Tax Opinion and such Officers’ Certificate as sufficient evidence of the existence and satisfaction of the conditions precedent described in Section 3.03(a)(i) or (ii) of the Supplemental Indenture, as applicable, and upon delivery of such Tax Opinion and Officers’ Certificate to the Trustee the Company will be entitled to give notice of redemption hereunder and such notice of redemption will be conclusive and binding on the Holders of the Notes.

(7) *NOTICE OF REDEMPTION*. Notice of redemption will be delivered at least 15 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address and the Trustee, except that redemption notices with respect to any redemption pursuant to Section 3.02 of the Supplemental Indenture may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Notes in denominations larger than €100,000 may be redeemed in part in connection with any redemption pursuant to Section 3.02, but only in whole multiples of €1,000 unless all of the Notes held by a Holder are to be redeemed and *provided* that any unredeemed portion of a Note is equal to €100,000 or a multiple of €1,000 in excess thereof. Any notice of redemption in connection with a Change in Tax Law pursuant to Section 3.03 of the Supplemental Indenture will comply with the procedures described in Section 6 of this Note and Sections 3.02 and 3.03 of the Supplemental Indenture, as applicable. On and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption as long as the Company has deposited with the Paying Agent funds in satisfaction of the applicable redemption price.

(8) *REPURCHASE AT THE OPTION OF HOLDER*.

(a) In the event that the Company or a Restricted Subsidiary is required to commence an offer to all Holders to purchase Notes pursuant to Section 4.05 of the Supplemental Indenture, it will comply with the terms set forth in the Supplemental Indenture, including Section 3.04 thereof.

(b) If a Change of Control Triggering Event occurs, unless the Company or a third party has previously or concurrently delivered a redemption notice with respect to all outstanding Notes, as described under Sections 3.02 or 3.03 of the Supplemental Indenture, the Company will be required to make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest on the Notes repurchased to the date of repurchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control Triggering Event, the Company will deliver a notice to each Holder, with a copy to the Trustee, setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form without coupons in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part that is equal to €100,000 or a multiple of €1,000 in excess thereof. Also, the Company need not issue, register the transfer of or exchange any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(10) *PERSONS DEEMED OWNERS*. The registered Holder of a Note may be treated as its owner for all purposes.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture and the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any, issued under the Supplemental Indenture) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for purchase of, the Notes), and any existing Default or Event of Default, other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes (except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Indenture and the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any, issued under the Supplemental Indenture) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for purchase of, the Notes). Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency; provide for the assumption by a Surviving Entity of the obligations of the Company under the Indenture; provide for uncertificated Notes in addition to or in place of certificated Notes; secure the Notes, add to the covenants of the Company for the benefit of the holders of the Notes or surrender any right or power conferred upon the Company; make any change that does not adversely affect the rights of any holder of the Notes; comply with any requirement of the Commission in connection with the qualification of the Indenture under the TIA; provide for the issuance of Additional Notes in accordance with the Supplemental Indenture; evidence and provide for the acceptance of appointment by a successor Trustee; conform the text of the Indenture or the Notes to any provision of the “Description of Notes” of the Prospectus to the extent that such provision in the “Description of Notes” of the Prospectus was intended to be a recitation of a provision of the Indenture or the Notes; or make any amendment to the provisions of the Indenture relating to the transfer and legending of the Notes as permitted by the Indenture, including, without limitation to facilitate the issuance and administration of the Notes; *provided* that (i) compliance with the Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer the Notes.

(12) *DEFAULTS AND REMEDIES*. Events of Default with respect to the Notes include: (i) default for 30 days in the payment when due of interest on, with respect to the Notes; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal on the Notes (including the failure to make a payment to purchase Notes tendered pursuant to a Change of Control Offer); (iii) failure by the Company for 60 days after notice to the Company by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other covenants or agreements in the Indenture (except (i) in the case of a default with respect to Section 5.01 of the Supplemental Indenture, which will constitute an Event of Default with such notice requirement but without such passage of time requirement and (ii) as otherwise provided in the penultimate paragraph of Section 4.03 of the Base Indenture); (iv) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any Indebtedness of the Company or any Restricted Subsidiary of the Company, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 30 days of receipt by the Company or such Restricted Subsidiary of notice of any such acceleration) if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity or which has been so accelerated (in each case with respect to which the 30-day period described above has passed), equals \$500.0 million or more at any time; (v) the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary, pursuant to or within the meaning of Bankruptcy Law, commences a voluntary case, consents to the entry of an order for relief against it in an involuntary case, consents to the appointment of a custodian for it or for all or substantially all of its property, makes a general assignment for the benefit of its creditors, or an admission by the Company in writing of its inability to pay its debts as they become due; or (vi) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that is for relief against the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary in an involuntary case; appoints a custodian of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary or for all or substantially all of the property of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary or orders the liquidation of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary and the order or decree remains unstayed and in effect for 60 consecutive days.

If any Event of Default with respect to outstanding Notes occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare the principal of, and accrued and unpaid interest on all the Notes to be due and payable by notice in writing to the Company and the Trustee specifying the respective Event of Default and that it is a “notice of acceleration” and the same shall be immediately due and payable.

Notwithstanding the foregoing, in the case of an Event of Default arising from the events of bankruptcy or insolvency specified in clauses (v) or (vi) in the second preceding paragraph above occurring with respect to the Company, all unpaid principal of and accrued and unpaid interest on all of the outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium, if any) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes. Each Holder of Notes by accepting a Note waives and releases all such liabilities. The waiver and release are part of the consideration for the issuance of the Notes.

No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(18) *GOVERNING LAW*. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

- (10) any net unrealized loss (after any offset) resulting in such period from (A) currency translation or exchange losses including those (x) related to currency remeasurements of Indebtedness and (y) resulting from hedge agreements for currency exchange risk and (B) changes in the fair value of Indebtedness resulting from changes in interest rates; plus

If such Person or any of its Restricted Subsidiaries directly or indirectly guarantees Indebtedness of a third Person, the preceding sentence shall give effect to the incurrence of such guaranteed Indebtedness as if such Person or any Restricted Subsidiary of such Person had directly incurred or otherwise assumed such guaranteed Indebtedness.

- (10) in the case of a successor to the referent Person by consolidation or merger or as a transferee of the referent Person's assets, any earnings of the successor entity prior to such consolidation, merger or transfer of assets;

- (12) acquisition-related costs resulting from the application of ASC 805.

In addition, to the extent not already included in the Consolidated Net Income of such Person and its Restricted Subsidiaries, notwithstanding anything to the contrary in the foregoing, but without duplication, Consolidated Net Income shall include the amount of proceeds received from business interruption insurance and reimbursements of any expenses and charges that are covered by indemnification or other reimbursement provisions in connection with any sale, conveyance, transfer or other disposition of assets permitted under the Indenture (in each case, whether or not non-recurring).

(i) In the event that the Company chooses to redeem less than all of the Notes, selection of the Notes for redemption will be made by the Trustee:

(A) by a method that complies with the requirements, as certified to the Trustee by the Company, of the principal securities exchange, if any, on which the Notes are listed at such time, and in compliance with the requirements of the relevant clearing system; *provided* that, if the Notes are represented by one or more Global Notes, beneficial interests in the Notes will be selected for redemption by Euroclear and Clearstream in accordance with their respective standard procedures therefor; or

(B) if the Notes are not listed on a securities exchange, or such securities exchange prescribes no method of selection and the Notes are not held through a clearing system or the clearing system prescribes no method of selection, by lot.

(ii) No Notes of a principal amount of €100,000 or less shall be redeemed in part. The Company will also comply with any other requirements of the securities exchange, if any, on which the Notes are listed at such time.

(iii) Notice of redemption will be delivered at least 15 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed, the Trustee and the Paying Agent; *provided* that, if the redemption notice is issued in connection with a defeasance of the Notes or satisfaction and discharge of the Indenture governing the Note in accordance with the Indentures, the notice of redemption may be delivered more than 60 calendar days before the Redemption Date. If any Note is to be redeemed in part only, then the notice of redemption that relates to such Note must state the portion of the principal amount thereof to be redeemed. A new Note in a principal amount equal to the unredeemed portion thereof will be issued in the name of the Holder thereof upon cancellation of the original Note (or appropriate adjustments to the amount and beneficial interests in a Global Note will be made). On and after the redemption date, interest will cease to accrue on Notes or portions thereof called for redemption as long as the Company has deposited with the Paying Agent funds in satisfaction of the applicable redemption price.

(e) Any redemption or notice of redemption, other than a notice of redemption delivered pursuant to Section 3.03 in connection with a Change in Tax Law, may, at the Company's discretion, be subject to one or more conditions precedent.

Section 3.03. *Tax Redemption.*

(a) The Company may redeem the Notes, in whole but not in part, at its option, at any time upon giving not less than 30 nor more than 60 days' prior notice to the Holders of the Notes and the Trustee (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to, but excluding, the Redemption Date ("**Tax Event Redemption Date**") and all Additional Amounts (if any) then due and which will become due on the Tax Event Redemption Date as a result of the redemption or otherwise (subject to the right of Holders of the Notes on the relevant record date to receive interest due on the relevant Interest Payment Date occurring on or prior to the redemption date and Additional Amounts (if any) in respect thereof), if, on the next date on which any amount would be payable in respect of the Notes, the Company is or, based upon an opinion of independent tax counsel of recognized standing in the relevant Tax Jurisdiction (any such opinion, a "**Tax Opinion**"), would be required to pay Additional Amounts in respect of the Notes and cannot avoid such payment obligation by taking reasonable measures available to the Company, and such requirement arises as a result of:

(i) any amendment to, or change in, the laws (or any regulations or rulings promulgated thereunder) of a relevant Tax Jurisdiction, which change or amendment is announced and becomes effective after the Issue Date; or

(ii) any amendment to, or change in, an official written interpretation or application of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published administrative practice), which amendment or change is announced and becomes effective after the Issue Date (any such amendment or change described in Section 3.03(a)(i) or (ii), a "**Change in Tax Law**").

(b) The Company will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Company would be obligated to pay Additional Amounts if a payment in respect of the Notes was then due, and the obligation to pay Additional Amounts must be in effect at the time such notice is given. Before the Company publishes or delivers a notice of redemption in respect of a Tax Event Redemption Date as described in this Section 3.03, the Company will deliver to the Trustee an Officers' Certificate to the effect that the Company cannot avoid the obligation to pay Additional Amounts by taking reasonable measures available to it and, if required, the opinion of independent tax counsel described above. Any notice of redemption shall otherwise be given pursuant to the procedures pursuant to Section 3.02 hereof. The Trustee shall accept, and will be entitled to conclusively rely on, such an opinion of counsel and such Officers' Certificate as sufficient evidence of the existence and satisfaction of the conditions precedent described in Section 3.03(a)(i) or (ii) above, as applicable, and upon delivery of such opinion of counsel and Officers' Certificate to the Trustee the Company will be entitled to give notice of redemption hereunder and such notice of redemption will be conclusive and binding on the Holders of the Notes.

Section 3.04. *Repurchase Offer.* In the event that, pursuant to Section 4.05 hereof, the Company or a Restricted Subsidiary is required to commence an offer to all Holders to purchase Notes (a “**Repurchase Offer**”), it shall follow the procedures specified below.

The Repurchase Offer shall remain open for a period of at least 20 Business Days following its commencement, except to the extent that a shorter or longer period is permitted or required, as the case may be, by applicable law (the “**Offer Period**”). No later than five Business Days after the termination of the Offer Period (the “**Purchase Date**”), the Company will purchase at the purchase price (as determined in accordance with Section 4.05 hereof, as the case may be) the principal amount of Notes required to be purchased pursuant to Section 4.05 hereof, as the case may be (the “**Offer Amount**”) and, if required, Pari Passu Indebtedness (on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness tendered in response to the Repurchase Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, to, but not including, the Payment Date will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Repurchase Offer.

Upon the commencement of a Repurchase Offer, the Company will deliver or cause to be delivered a notice to each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Repurchase Offer. The notice, which will govern the terms of the Repurchase Offer, will state:

- (a) that the Repurchase Offer is being made pursuant to this Section 3.04, and Section 4.05 hereof, and the length of time the Repurchase Offer will remain open;
- (b) the Offer Amount, the purchase price and the Purchase Date;
- (c) that any Note not tendered or accepted for payment will continue to accrue interest;
- (d) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Repurchase Offer will cease to accrue interest after the Purchase Date;
- (e) that Holders electing to have a Note purchased pursuant to a Repurchase Offer may elect to have Notes purchased in minimum denominations of €100,000, or integral multiples of €1,000 in excess thereof;
- (f) that Holders electing to have a Note purchased pursuant to any Repurchase Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Note completed, or transfer by book-entry transfer, to the Company, the Depository, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
- (g) that Holders will be entitled to withdraw their election if the Company, the Depository or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(h) that, if the aggregate principal amount of Notes and Pari Passu Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Trustee will select the Notes to be purchased on a pro rata basis based on the principal amount of Notes and such Pari Passu Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Trustee so that no Notes in denominations of €100,000 or less will be purchased in part); and

(i) that Holders whose Notes were purchased only in part will be issued new Notes of the applicable series equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Repurchase Offer or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.04. The Company, the Depository or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and deliver (or cause to be transferred by book entry) such new Note to such Holder in a principal amount equal to any unpurchased portion of the Note surrendered. Notwithstanding any other provision in the Indenture to the contrary, neither an Opinion of Counsel nor an Officers' Certificate is required for the Trustee to authenticate such new Note. Any Note not so accepted shall be promptly returned by the Company to the Holder thereof. The Company will publicly announce the results of the Repurchase Offer on or as soon as practicable after the Purchase Date.

Other than as specifically provided in this Section 3.04 or Section 4.05 of this Supplemental Indenture, as applicable, any purchase pursuant to this Section 3.04 shall be made pursuant to the applicable provisions of Section 3.01 through Section 3.06 of the Base Indenture.

ARTICLE 4 COVENANTS

In addition to the covenants set forth in Article 4 of the Base Indenture, the Notes shall be subject to the following additional covenants. Such additional covenants set forth in Sections 4.03 through Section 4.05 below shall be subject to covenant defeasance pursuant to Section 8.03 of the Base Indenture.

Section 4.01. *Payment of Notes.* The following paragraph shall be added following the first paragraph of Section 4.01 of the Base Indenture: "The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period), at such rate to the extent lawful. Interest on the Notes will be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the Notes (or March 10, 2021 if no interest has been paid on the Notes), to but excluding the next scheduled Interest Payment Date.

Section 4.02. *Reports to Holders.* The following sentence shall be added to the end of the second paragraph of Section 4.03 of the Base Indenture: “If the Company had any Unrestricted Subsidiaries during the relevant period, the Company will also provide to the Trustee and, upon request, to any Holder of the Notes, information sufficient to ascertain the financial condition and results of operations of the Company and its Restricted Subsidiaries, excluding in all respects the Unrestricted Subsidiaries.”

Section 4.03. *Sale and Leaseback Transactions.* The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction with respect to any property or assets unless:

- (1) the Sale and Leaseback Transaction is solely with the Company or a Restricted Subsidiary;
- (2) the lease is for a period not in excess of 36 months (or which may be terminated by the Company or any of its Subsidiaries within a period of not more than 36 months);
- (3) the Company would be able to incur Indebtedness secured by a Lien with respect to such Sale and Leaseback Transaction without equally and ratably securing the Notes pursuant to Section 4.04(b) (other than in reliance on clause (20) of the definition of “Permitted Liens”); or
- (4) the Company or such Restricted Subsidiary within 365 days after the sale of such property in connection with such Sale and Leaseback Transaction is completed, applies an amount equal to the net proceeds of the sale of such property to (i) the redemption of Notes, other Indebtedness of the Company ranking on a parity with the Notes in right of payment or Indebtedness of the Company or a Restricted Subsidiary or (ii) the purchase of other property; provided that, in lieu of applying such amount to the retirement of Pari Passu Indebtedness, the Company may deliver Notes to the Trustee for cancellation; such Notes to be credited at the cost thereof to the Company.

Section 4.04. *Limitation on Liens.* The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or permit or suffer to exist any Liens of any kind against or upon any property or assets of the Company or any of its Restricted Subsidiaries whether owned on the Issue Date or acquired after the Issue Date, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom unless:

- (a) in the case of Liens securing Subordinated Indebtedness, the Notes are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; and
- (b) in all other cases, the Notes are equally and ratably secured,

except for:

- (1) Liens existing as of the Issue Date to the extent and in the manner such Liens are in effect on the Issue Date;

- (2) Liens securing the Company's and its Restricted Subsidiaries' Obligations under any hedge facility permitted under the Indenture to be entered into by the Company and its Restricted Subsidiaries;
- (3) Liens securing the Notes;
- (4) Liens in favor of the Company or a Wholly Owned Restricted Subsidiary of the Company on assets of any Restricted Subsidiary of the Company; and
- (5) Permitted Liens.

(c) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The "**Increased Amount**" of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, whether payable in cash or in kind, accretion or amortization of original issue discount, imputed interest, the payment of interest in the form of additional Indebtedness with the same terms or the payment of dividends on Disqualified Capital Stock in the form of additional shares of the same class, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.05. *Offer to Repurchase Upon Change of Control Triggering Event.*

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Company or a third party has previously or concurrently delivered a redemption notice with respect to all outstanding Notes as described under Sections 3.02 or 3.03 hereof, the Company will be required to make an offer to purchase each Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**"), at a purchase price (the "**Change of Control Payment**") equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase.

(b) Within 30 days following the date upon which the Change of Control Triggering Event occurred, the Company must send, or cause the Trustee to send, by first class mail (or, in the case of Notes represented by Global Notes, in accordance with the applicable procedures of Euroclear or Clearstream), a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state, among other things, the purchase date, which must be no earlier than 15 days nor later than 60 days after the date such notice is delivered, other than as may be required by law (the "**Change of Control Payment Date**"). Holders electing to have a Note purchased pursuant to a Change of Control Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed and specifying the portion (equal to €100,000 and integral multiples of €1,000 in excess thereof) of such Holder's Notes that it agrees to sell to the Company pursuant to the Change of Control Offer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date.

(c) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.05, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the provisions of this Section 4.05 by virtue of such conflict.

(d) On the date of such Change of Control Payment, the Company will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(e) The Paying Agent will promptly deliver to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and deliver (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note will be in a minimum principal amount of €100,000 or an integral multiple of €1,000. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the date of such Change of Control Payment.

(f) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. The Company (or a third party) may make a Change of Control Offer in advance of, and conditioned upon, any Change of Control Triggering Event.

Section 4.06. *Payment of Additional Amounts.*

(a) All payments made by the Company under or with respect to the Notes will be made free and clear of, and without withholding or deduction for or on account of, any Tax, unless the withholding or deduction of such Tax is then required by law. If any deduction or withholding by any applicable withholding agent for or on account of any Taxes imposed or levied by or on behalf of the United States or a taxing authority of or in the United States (a "**Tax Jurisdiction**") will at any time be required to be made in respect of any payments made by the Company under or with respect to the Notes, including payments of principal, redemption price, purchase price, interest or premium, then the Company will pay such additional amounts (the "**Additional Amounts**") as may be necessary in order that the net amounts received in respect of such payments by each beneficial owner of the Notes that is not a U.S. Person (as defined below) after such withholding, deduction or imposition (including any such withholding, deduction or imposition in respect of any such Additional Amounts) will equal the respective amounts that would have been received in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts will be payable with respect to:

- (1) any Taxes, to the extent such Taxes would not have been imposed but for the Holder of a Note (or the beneficial owner for whose benefit such Holder holds such Note) or a fiduciary, settlor, beneficiary, member or shareholder of the Holder if the Holder is an estate, trust, partnership or corporation, or a person holding a power over an estate or trust administered by a fiduciary holder, being considered as:
- (a) having a current or former connection with the relevant Tax Jurisdiction (other than a connection arising solely from the ownership or disposition of such Note, the enforcement of rights under such Note), including being or having been a citizen or resident of such Tax Jurisdiction, being or having engaged in a trade or business in such Tax Jurisdiction or having or having had a permanent establishment in such Tax Jurisdiction; or
 - (b) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation for U.S. federal income tax purposes or a corporation that has accumulated earnings to avoid U.S. federal income tax;
- (2) any Holder that is not the sole beneficial owner of the Notes, or a portion of the Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficial owner with respect to the holder, a beneficiary or settlor with respect to the fiduciary, or a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of Additional Amounts had the beneficial owner, beneficiary, settlor or member received directly its beneficial or distributive share of the payment;
- (3) any Taxes required to be withheld by any paying agent from any payment of principal of or interest on any Note, if such payment can be made without such withholding by at least one other paying agent;
- (4) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder or beneficial owner would otherwise have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);
- (5) any Taxes that are payable otherwise than by deduction or withholding from a payment on or with respect to the Notes;
- (6) any U.S. federal withholding tax imposed as a result of the beneficial owner:
- (a) being a controlled foreign corporation for U.S. federal income tax purposes related to the Company;
 - (b) being or having been a “10-percent shareholder” of the Company as defined in Section 871(h)(3) of the Code; or
 - (c) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;
- (7) any estate, inheritance, gift, sales, transfer, excise, wealth, capital gains, personal property or similar Taxes;
- (8) any Taxes, to the extent such Taxes are imposed or withheld by reason of the failure of the Holder or beneficial owner of Notes to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the Holder or beneficial owner is legally eligible to provide such certification or documentation;

(9) any Taxes that are imposed or withheld pursuant to Sections 1471 through 1474 of the Code as of the date of the Indenture (or any amended or successor version that is substantively comparable), any regulations promulgated thereunder or any other official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code as of the date of Indenture (or any amended or successor version described above) or any intergovernmental agreements (and any related law, regulation or official administrative guidance) implementing the foregoing; or

(10) any combination of items (1) through (9) above.

(b) Except as specifically provided for in this Section 4.06, the Company will not be required to make any payment for any Tax.

(c) If the Company becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes, the Company will deliver to the Trustee and Paying Agent promptly prior to the date of that payment an Officers' Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officers' Certificate must also set forth any other information reasonably necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date. The Trustee and Paying Agent shall be entitled to rely solely on such Officers' Certificate as conclusive proof that such payments are necessary.

(d) The Company, if it is the applicable withholding agent, will make all withholdings and deductions required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Company will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Company will furnish to the Trustee upon reasonable written request, within a reasonable time after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Company or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other reasonable evidence of payments by such entity.

(e) The above obligations will survive any termination, defeasance or discharge of the Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, mutatis mutandis, to any successor Person to the Company.

(f) As used in this Section 4.06 and under Section 3.03 hereof,

(i) **"United States"** means the United States of America, any state thereof and the District of Columbia; and

(ii) **"U.S. Person"** means any person that is, for U.S. federal income tax purposes, an individual who is a citizen or resident of the United States, a corporation, partnership or other entity created or organized in or under the laws of the United States, any state thereof or the District of Columbia or any estate or trust the income of which is subject to U.S. federal income taxation regardless of its source.

ARTICLE 5
MERGER, CONSOLIDATION, OR SALE OF ASSETS

The Notes shall not be subject to Section 5.01 of the Base Indenture. In lieu thereof, the Notes shall be subject to the following provisions of Section 5.01 of this Supplemental Indenture:

Section 5.01. *Merger, Consolidation, or Sale of Assets.*

(a) The Company will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Restricted Subsidiary of the Company to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of the Company's assets (determined on a consolidated basis for the Company and the Company's Restricted Subsidiaries) whether as an entirety or substantially as an entirety to any Person unless:

(1) either:

(A) the Company shall be the surviving or continuing corporation; or

(B) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Company and of the Company's Restricted Subsidiaries substantially as an entirety (the "**Surviving Entity**");

(i) shall be an entity organized and validly existing under the laws of the United States or any State thereof or the District of Columbia; *provided* that in the case where the Surviving Entity is not a corporation, a co-obligor of the Notes is a corporation; and

(ii) shall expressly assume, by supplemental indenture (in form satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, interest on all of the Notes and the performance of every covenant of the Notes and the Indenture on the part of the Company to be performed or observed;

(2) immediately before and immediately after giving effect to such transaction and the assumption contemplated by clause (1)(B) (ii) of this Section 5.01(a), no Default or Event of Default shall have occurred or be continuing; and

(3) the Company or the Surviving Entity shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture complies with the applicable provisions of the Indenture and that all conditions precedent in the Indenture relating to such transaction have been satisfied.

(b) For purposes of the provisions of Section 5.01(a) hereof, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of the Company, in a single or a series of related transactions, which properties and assets, if held by the Company instead of such Restricted Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

(c) Notwithstanding clauses (1) and (2) of Section 5.01(a) hereof, but subject to the proviso in clause (1)(B)(i) of Section 5.01(a), the Company may merge with (x) any of its Wholly Owned Restricted Subsidiaries or (y) an Affiliate that is a Person that has no material assets or liabilities and which was organized solely for the purpose of reorganizing the Company in another jurisdiction. For the avoidance of doubt, nothing in this Section 5.01 shall prevent the Company or a Restricted Subsidiary from consummating the Company Conversion.

ARTICLE 6 EVENTS OF DEFAULT

The Notes shall not be subject to Section 6.01 of the Base Indenture. In lieu thereof, the Notes shall be subject to the following provisions of Section 6.01 of this Supplemental Indenture:

Section 6.01. *Events of Default.* Any of the following events shall constitute an event of default (an “**Event of Default**”):

- (a) the failure to pay interest on any Notes when the same becomes due and payable and the default continues for a period of 30 days;
- (b) the failure to pay the principal on any Notes, when such principal becomes due and payable, at maturity, upon redemption or otherwise (including the failure to make a payment to purchase Notes tendered pursuant to a Change of Control Offer) on the date specified for such payment in the applicable offer to purchase;
- (c) a default in the observance or performance of any other covenant or agreement contained in the Indenture which default continues for a period of 60 days after the Company receives written notice specifying the default (and demanding that such default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes (except (i) in the case of a default with respect to Section 5.01, which will constitute an Event of Default with such notice requirement but without such passage of time requirement and (ii) as otherwise provided in the penultimate paragraph of Section 4.03 of the Base Indenture);
- (d) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any Indebtedness of the Company or any Restricted Subsidiary of the Company, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 30 days of receipt by the Company or such Restricted Subsidiary of notice of any such acceleration) if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity or which has been so accelerated (in each case with respect to which the 30-day period described above has passed), equals \$500.0 million or more at any time;

(e) the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary pursuant to or within the meaning of Bankruptcy Law:

- (1) commences a voluntary case,
- (2) consents to the entry of an order for relief against it in an involuntary case,
- (3) consents to the appointment of a custodian for it or for all or substantially all of its property,
- (4) makes a general assignment for the benefit of its creditors, or
- (5) an admission by the Company in writing of its inability to pay its debts as they become due;

(f) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(1) is for relief against the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary in an involuntary case;

(2) appoints a custodian of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary or for all or substantially all of the property of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary; or

(3) orders the liquidation of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary; and the order or decree remains unstayed and in effect for 60 consecutive days.

1.000% Senior Notes due 2033

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Equinix, Inc., a Delaware corporation (the “*Company*”), promises to pay interest on the principal amount of this Note at 1.000% per annum from March 10, 2021, until maturity. The Company will pay interest annually in arrears on March 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be March 15, 2022. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is equal to the interest rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest on the Notes will be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the Notes (or March 10, 2021 if no interest has been paid on the Notes), to but excluding the next scheduled Interest Payment Date.

(2) *METHOD OF PAYMENT.* The Company will pay interest and any Additional Amounts, if any, on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the March 1 (whether or not such date is a Business Day) next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.14 of the Base Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Company maintained for such purpose within or without London, United Kingdom, or, at the option of the Company, payment of interest may be made by wire transfer or by check mailed to the address of the appropriate person as it appears on the security register. So long as the registered owner of the Notes is a common depository of Euroclear and Clearstream or their nominee, payment of principal and interest shall be made in accordance with the requirements of Euroclear and Clearstream. If the Euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company’s control or if the Euro is no longer being used by the then member states of the European Monetary Union that have adopted the Euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Notes will be made in U.S. dollars until the Euro is again available to the Company or so used. The amount payable on any date in Euro will be converted into U.S. dollars on the basis of the then most recently available market exchange rate for Euro. Any payment in respect of any Note so made in U.S. dollars pursuant to the Indenture will not constitute an Event of Default under the Notes or the Indenture.

(3) *PAYING AGENT AND REGISTRAR.* Initially, Elavon Financial Services DAC, UK Branch, will act as Paying Agent and Elavon Financial Services DAC will act as Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in the capacity of Paying Agent or Registrar.

(4) *INDENTURE*. The Company issued the Notes under an Indenture, dated as of December 12, 2017 (the “*Base Indenture*” and, as supplemented by the Supplemental Indenture (as defined below), the “*Indenture*”), by and between the Company and the Trustee, as supplemented by that certain Fifteenth Supplemental Indenture, dated as of March 10, 2021, by and between the Company, the Trustee, the Paying Agent and the Registrar (the “*Supplemental Indenture*”). The terms of this Note include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Company.

(5) *OPTIONAL REDEMPTION*.

(a) The Company may redeem at its election, at any time or from time to time, some or all of the Notes before they mature at a redemption price equal to the sum of (x) 100% of the principal amount of Notes redeemed plus accrued and unpaid interest, if any, to, but not including, the date of redemption (the “**Redemption Date**”), subject to the rights of Holders of record of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date *plus* (y) the Make-Whole Premium.

(b) Notwithstanding the foregoing, if the Notes are redeemed on or after the First Par Call Date, the redemption price will not include the Make-Whole Premium.

(c) Any redemption pursuant to this paragraph 5 shall be made pursuant to the provisions of Article 3 of the Supplemental Indenture.

(d) Any redemption or notice of redemption, other than a notice of redemption delivered pursuant to the Supplemental Indenture in connection with a Change in Tax Law, may, at the Company’s discretion, be subject to one or more conditions precedent.

(6) *TAX REDEMPTION*.

(a) The Company may redeem the Notes, in whole but not in part, at its option, at any time upon giving not less than 30 nor more than 60 days’ prior notice to the Holders of the Notes and the Trustee (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount of the Notes being redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to, but excluding, the Tax Event Redemption Date and all Additional Amounts (if any) then due and which will become due on the Tax Event Redemption Date as a result of the redemption or otherwise (subject to the right of Holders of the Notes on the relevant record date to receive interest due on the relevant Interest Payment Date occurring on or prior to the redemption date and Additional Amounts (if any) in respect thereof), if, on the next date on which any amount would be payable in respect of the Notes, the Company is or, based upon a Tax Opinion would be required to pay Additional Amounts in respect of the Notes and cannot avoid such payment obligation by taking reasonable measures available to the Company, and such requirement arises as a result of a Change in Tax Law.

(b) The Company will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Company would be obligated to pay Additional Amounts if a payment in respect of the Notes was then due, and the obligation to pay Additional Amounts must be in effect at the time such notice is given. Before the Company publishes or delivers a notice of redemption in respect of a Tax Event Redemption Date as described above, the Company will deliver to the Trustee an Officers’ Certificate to the effect that the Company cannot avoid the obligation to pay Additional Amounts by taking reasonable measures available to it and, if required, the Tax Opinion. Any notice of redemption shall otherwise be given pursuant to the procedures pursuant to Section 3.02 of the Supplemental Indenture. The Trustee shall accept, and will be entitled to conclusively rely on, such Tax Opinion and such Officers’ Certificate as sufficient evidence of the existence and satisfaction of the conditions precedent described in Section 3.03(a)(i) or (ii) of the Supplemental Indenture, as applicable, and upon delivery of such Tax Opinion and Officers’ Certificate to the Trustee the Company will be entitled to give notice of redemption hereunder and such notice of redemption will be conclusive and binding on the Holders of the Notes.

(7) *NOTICE OF REDEMPTION*. Notice of redemption will be delivered at least 15 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address and the Trustee, except that redemption notices with respect to any redemption pursuant to Section 3.02 of the Supplemental Indenture may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Notes in denominations larger than €100,000 may be redeemed in part in connection with any redemption pursuant to Section 3.02, but only in whole multiples of €1,000 unless all of the Notes held by a Holder are to be redeemed and *provided* that any unredeemed portion of a Note is equal to €100,000 or a multiple of €1,000 in excess thereof. Any notice of redemption in connection with a Change in Tax Law pursuant to Section 3.03 of the Supplemental Indenture will comply with the procedures described in Section 6 of this Note and Sections 3.02 and 3.03 of the Supplemental Indenture, as applicable. On and after the redemption date, interest will cease to accrue on the Notes or portions thereof called for redemption as long as the Company has deposited with the Paying Agent funds in satisfaction of the applicable redemption price.

(8) *REPURCHASE AT THE OPTION OF HOLDER*.

(a) In the event that the Company or a Restricted Subsidiary is required to commence an offer to all Holders to purchase Notes pursuant to Section 4.05 of the Supplemental Indenture, it will comply with the terms set forth in the Supplemental Indenture, including Section 3.04 thereof.

(b) If a Change of Control Triggering Event occurs, unless the Company or a third party has previously or concurrently delivered a redemption notice with respect to all outstanding Notes, as described under Sections 3.02 or 3.03 of the Supplemental Indenture, the Company will be required to make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest on the Notes repurchased to the date of repurchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control Triggering Event, the Company will deliver a notice to each Holder, with a copy to the Trustee, setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form without coupons in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part that is equal to €100,000 or a multiple of €1,000 in excess thereof. Also, the Company need not issue, register the transfer of or exchange any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(10) *PERSONS DEEMED OWNERS*. The registered Holder of a Note may be treated as its owner for all purposes.

(11) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture and the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any, issued under the Supplemental Indenture) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for purchase of, the Notes), and any existing Default or Event of Default, other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes (except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Indenture and the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any, issued under the Supplemental Indenture) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for purchase of, the Notes). Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency; provide for the assumption by a Surviving Entity of the obligations of the Company under the Indenture; provide for uncertificated Notes in addition to or in place of certificated Notes; secure the Notes, add to the covenants of the Company for the benefit of the holders of the Notes or surrender any right or power conferred upon the Company; make any change that does not adversely affect the rights of any holder of the Notes; comply with any requirement of the Commission in connection with the qualification of the Indenture under the TIA; provide for the issuance of Additional Notes in accordance with the Supplemental Indenture; evidence and provide for the acceptance of appointment by a successor Trustee; conform the text of the Indenture or the Notes to any provision of the “Description of Notes” of the Prospectus to the extent that such provision in the “Description of Notes” of the Prospectus was intended to be a recitation of a provision of the Indenture or the Notes; or make any amendment to the provisions of the Indenture relating to the transfer and legending of the Notes as permitted by the Indenture, including, without limitation to facilitate the issuance and administration of the Notes; *provided* that (i) compliance with the Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer the Notes.

(12) *DEFAULTS AND REMEDIES*. Events of Default with respect to the Notes include: (i) default for 30 days in the payment when due of interest on, with respect to the Notes; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal on the Notes (including the failure to make a payment to purchase Notes tendered pursuant to a Change of Control Offer); (iii) failure by the Company for 60 days after notice to the Company by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other covenants or agreements in the Indenture (except (i) in the case of a default with respect to Section 5.01 of the Supplemental Indenture, which will constitute an Event of Default with such notice requirement but without such passage of time requirement and (ii) as otherwise provided in the penultimate paragraph of Section 4.03 of the Base Indenture); (iv) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any Indebtedness of the Company or any Restricted Subsidiary of the Company, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 30 days of receipt by the Company or such Restricted Subsidiary of notice of any such acceleration) if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity or which has been so accelerated (in each case with respect to which the 30-day period described above has passed), equals \$500.0 million or more at any time; (v) the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary, pursuant to or within the meaning of Bankruptcy Law, commences a voluntary case, consents to the entry of an order for relief against it in an involuntary case, consents to the appointment of a custodian for it or for all or substantially all of its property, makes a general assignment for the benefit of its creditors, or an admission by the Company in writing of its inability to pay its debts as they become due; or (vi) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that is for relief against the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary in an involuntary case; appoints a custodian of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary or for all or substantially all of the property of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary or orders the liquidation of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary and the order or decree remains unstayed and in effect for 60 consecutive days.

If any Event of Default with respect to outstanding Notes occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare the principal of, and accrued and unpaid interest on all the Notes to be due and payable by notice in writing to the Company and the Trustee specifying the respective Event of Default and that it is a “notice of acceleration” and the same shall be immediately due and payable.

Notwithstanding the foregoing, in the case of an Event of Default arising from the events of bankruptcy or insolvency specified in clauses (v) or (vi) in the second preceding paragraph above occurring with respect to the Company, all unpaid principal of and accrued and unpaid interest on all of the outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium, if any) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, within five Business Days of any Officer becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(13) *TRUSTEE DEALINGS WITH THE COMPANY.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee.

(14) *NO RECOURSE AGAINST OTHERS.* No past, present or future director, officer, employee, incorporator, agent, stockholder or Affiliate of the Company, as such, shall have any liability for any obligations of the Company under the Notes or under the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liabilities. The waiver and release are part of the consideration for the issuance of the Notes.

(15) *AUTHENTICATION*. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(16) *ABBREVIATIONS*. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(17) *ISIN AND COMMON CODE NUMBERS*. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused ISIN and Common Code numbers to be printed on the Notes, and the Trustee may use ISIN and Common Code numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(18) *GOVERNING LAW*. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:
