Item 1.01 Entry into a Material Definitive Agreement

Issuance of 3.900% Senior Notes due 2032

On April 5, 2022, Equinix, Inc. ("**Equinix**") issued and sold \$1.2 billion aggregate principal amount of its 3.900% Senior Notes due 2032 (the "**Notes**"), pursuant to an underwriting agreement dated March 31, 2022 (the "**Underwriting Agreement**") among Equinix and the several underwriters named in Schedule II thereto.

The Notes were issued pursuant to an indenture dated December 12, 2017 (the "**Base Indenture**") between Equinix and U.S. Bank Trust Company, National Association, as trustee (the "**Trustee**"), as supplemented by the Twentieth Supplemental Indenture dated April 5, 2022 (the "**Supplemental Indenture**," and, together with the Base Indenture, the "**Indenture**") between Equinix and the Trustee.

The Notes were offered pursuant to Equinix's Registration Statement on Form S-3 (No. 333-249763) (the "**Registration Statement**"), which became effective upon filing with the Securities and Exchange Commission on October 30, 2020, including the prospectus contained therein dated October 30, 2020, a preliminary prospectus supplement dated March 31, 2022 and a final prospectus supplement dated March 31, 2022.

The Notes will bear interest at the rate of 3.900% per annum and will mature on April 15, 2032. Interest on the Notes is payable in cash on April 15 and October 15 of each year, beginning on October 15, 2022.

Prior to January 15, 2032 (the "**Par Call Date**"), Equinix may redeem the Notes at its election, at any time or from time to time, in whole or in part, at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (i) 100% of the principal amount of Notes redeemed, and (ii) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined in the Supplemental Indenture) plus 25 basis points less (b) interest accrued to the date of redemption, plus in either case, accrued and unpaid interest thereon to the redemption date.

On or after the Par Call Date, Equinix may redeem the Notes, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest thereon to the redemption date.

Upon a change of control triggering event, as defined in each Indenture, Equinix will be required to make an offer to purchase the Notes at a purchase price equal to 101% of the principal amount of the Notes on the date of purchase, plus accrued interest, if any, to, but excluding, the date of purchase.

The Notes are Equinix's general unsecured senior obligations and rank equally with Equinix's other unsecured senior indebtedness. The Notes effectively rank junior to Equinix's secured indebtedness to the extent of the collateral securing such indebtedness and to all liabilities of Equinix's subsidiaries. The Notes are not guaranteed by Equinix's subsidiaries, through which Equinix currently conducts substantially all of its operations.

The Indenture contains restrictive covenants relating to limitations on: (i) liens; (ii) certain asset sales and mergers and consolidations; and (iii) sale and leaseback transactions, subject, in each case, to certain exceptions.

The Indenture contains customary terms that upon certain events of default occurring and continuing, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Notes then outstanding may declare the principal of the Notes and any accrued and unpaid interest through the date of such declaration immediately due and payable. In the case of certain events of bankruptcy or insolvency relating to Equinix or its material restricted subsidiaries, the principal amount of the Notes together with any accrued and unpaid interest through the occurrence of such event shall automatically become and be immediately due and payable.

Equinix intends to allocate an amount equal to the net proceeds from the offering of the Notes to finance or refinance, in whole or in part, recently completed or future Eligible Green Projects, with disbursements covering project expenditures for up to two years preceding the issuance date of the Notes and until and including the maturity date of the Notes, including the development and redevelopment of such projects. Pending the allocation of an amount equal to the net proceeds from the offering of the Notes to Eligible Green Projects, Equinix expects to hold or invest an amount equal to the unallocated balance of the net proceeds in cash, cash equivalents and/or U.S. government securities.

The above descriptions of the Indenture and the Notes are qualified in their entirety by reference to the Base Indenture and the Twentieth Supplemental Indenture. A copy of the Base Indenture, the Twentieth Supplemental Indenture, and the form of the Notes are filed as Exhibits 4.1, 4.2, 4.3, to this Current Report on Form 8-K.

A copy of the opinion of Davis Polk & Wardwell LLP relating to the validity of the Notes is incorporated by reference into the Registration Statement and is attached to this Current Report on Form 8-K as Exhibit 5.1.

1. Representations and Warranties. The Company represents and warrants to, and agrees with, each Underwriter as set forth below in this Section 1.

(a) The Company meets the requirements for use of Form S-3 under the Act and has prepared and filed with the Commission an automatic shelf registration statement, as defined in Rule 405. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, became effective upon filing. The Company may have filed with the Commission, as part of an amendment to the Registration Statement or pursuant to Rule 424(b), one or more preliminary prospectus and/or preliminary prospectus supplements relating to the Securities, each of which has previously been furnished to you. The Company will file with the Commission a final prospectus supplement relating to the Securities in accordance with Rule 424(b). As filed, such final prospectus supplement shall contain all information required by the Act and the rules thereunder, and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus and the Preliminary Prospectus used most recently prior to the Execution Time) as the Company has advised you, prior to the Execution Time, will be included or made therein. The Registration Statement, at the Execution Time, meets the requirements set forth in Rule 415(a)(1)(x). The initial Effective Date of the Registration Statement was not earlier than the date three years before the Execution Time.

(b) On each Effective Date, the Registration Statement did, and when the Final Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date, the Final Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act, the Exchange Act and the Trust Indenture Act and the respective rules thereunder; on each Effective Date, at the Execution Time and at the Closing Date, the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; on the Effective Date and on the Closing Date the Indenture did or will comply in all material respects with the applicable requirements of the Trust Indenture Act and the rules thereunder; and on the date of any filing pursuant to Rule 424(b) and on the Closing Date, the Final Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to (i) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification (Form T-1) under the Trust Indenture Act of the Trustee or (ii) the information contained in or omitted from the Registration Statement or the Final Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

(c) (i) The Disclosure Package and (ii) each electronic road show relating to the offering and sale of the Securities, when taken together as a whole with the Disclosure Package, as of the Execution Time and at the Closing Date, does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

(d) (i) At the time of filing the Registration Statement, (ii) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Sections 13 or 15(d) of the Exchange Act or form of prospectus), (iii) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c)) made any offer relating to the Securities in reliance on the exemption in Rule 163, and (iv) at the Execution Time (with such date being used as the determination date for purposes of this clause (iv)), the Company was or is (as the case may be) a “well-known seasoned issuer” as defined in Rule 405. The Company agrees to pay the fees required by the Commission relating to the Securities within the time required by Rule 456(b)(1) without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r).

(e) (i) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2)) of the Securities and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an Ineligible Issuer.

(f) Each Issuer Free Writing Prospectus and the final term sheet prepared and filed pursuant to Section 5(b) hereto does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated by reference therein and any prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 8(b) hereof.

As used herein, “Company Material Adverse Effect” means a material adverse effect on the condition (financial or other), business, properties or results of operations of the Company and its subsidiaries, taken as a whole.

(h) As of December 31, 2021, EQUINIX (EMEA) MANAGEMENT, INC., EQUINIX LLC, Equinix Japan KK (in Kanji), EQUINIX (EMEA) BV, Equinix Singapore Pte Ltd, Equinix (France) SAS, Equinix (UK) LTD., Equinix Netherlands B.V. and Equinix (Germany) GmbH (each, a “Subsidiary” and, together, the “Subsidiaries”) were the direct and indirect subsidiaries of the Company that are material to the business of the Company and its subsidiaries taken as a whole. Each of the Subsidiaries has been duly organized and is an existing business entity in good standing under the laws of the jurisdiction of its organization, with power and authority (corporate and other) to own its properties and conduct its business as described in the Disclosure Package and the Final Prospectus; and each Subsidiary is duly qualified to do business as a foreign business entity in good standing in all other jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification except to the extent that the failure to be so qualified or in good standing would not reasonably be expected to have a Company Material Adverse Effect; all of the issued and outstanding capital stock or equity interests, as applicable, of each subsidiary of the Company have been duly authorized and validly issued and are fully paid and nonassessable. The Company owns all of the shares of capital stock or equity interests, as applicable, of each subsidiary of the Company, directly or through subsidiaries, free from liens, encumbrances and defects, except as disclosed in the Disclosure Package and the Final Prospectus. As of December 31, 2022, the Subsidiaries were the only significant subsidiaries of the Company as defined by Rule 1-02 of Regulation S-X.

(i) Except as disclosed in the Disclosure Package and the Final Prospectus or as have been validly waived, there are no contracts, agreements or understandings involving the Company granting to any person the right to require the Company to file a registration statement under the Act with respect to any securities of the Company owned or to be owned by such person or to require the Company to include such securities in the securities registered pursuant to the Registration Statement or in any securities being registered pursuant to any other registration statement filed by the Company under the Act.

(j) The Base Indenture was duly authorized, executed and delivered by the Company and, assuming due authorization, execution and delivery thereof by the Trustee, constitutes a legal, valid and binding instrument enforceable against the Company in accordance with its terms (subject, as to enforcement of remedies, to applicable bankruptcy, reorganization, insolvency, moratorium or other laws affecting creditors' rights generally from time to time in effect and to general principles of equity, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, regardless of whether considered in a proceeding in equity or at law (the "Enforceability Exceptions")); the Supplemental Indenture has been duly authorized by the Company and, when executed and delivered by the Company (assuming due authorization, execution and delivery thereof by the Trustee), will constitute a legal, valid and binding instrument enforceable against the Company in accordance with its terms subject to the Enforceability Exceptions; the Indenture is qualified under the Trust Indenture Act and complies with the provisions thereof applicable to an indenture that is qualified thereunder; the Securities have been duly authorized and, when executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters pursuant to this Agreement, will constitute legal, valid and binding obligations of the Company enforceable against the Company subject to the Enforceability Exceptions and will be entitled to the benefits of the Indenture; and the statements set forth under the heading "Description of Notes" in the Registration Statement, the Disclosure Package and the Final Prospectus, insofar as such statements purport to summarize certain provisions of the Securities and the Indenture, provide a fair summary of such provisions.

(k) No consent, approval, authorization, or order of, or filing with, any governmental agency or body or any court is required to be obtained or made by the Company for the consummation of the transactions contemplated by this Agreement and each of the other Operative Documents, except such as have been obtained and made under the Act, the Exchange Act, the Trust Indenture Act, or such as may be obtained under state securities or blue sky laws in connection with the offer and sale of the Securities by the Underwriters in the manner contemplated herein and in the Registration Statement, the Disclosure Package and the Final Prospectus.

(l) The execution and delivery by the Company of this Agreement and each of the other Operative Documents (other than the Base Indenture), the performance by the Company of its obligations under this Agreement and each of the other Operative Documents, and the consummation of the transactions contemplated herein and therein will not result in a breach or violation of any of the terms and provisions of, or constitute a default under, any statute, any rule, regulation or order of any governmental agency or body or any court, domestic or foreign, having jurisdiction over the Company or any of the Subsidiaries or any of their properties, or any agreement or instrument to which the Company or any such Subsidiary is a party or by which the Company or any such Subsidiary is bound or to which any of the properties of the Company or any such Subsidiary is subject (except a breach, violation or default that would not reasonably be expected to have a material adverse effect on the execution and delivery by the Company of this Agreement and each of the other Operative Documents (other than the Base Indenture), the performance by the Company of its obligations under this Agreement and each of the other Operative Documents, and the consummation of the transactions contemplated herein and therein), or the charter or by-laws of the Company or any such Subsidiary.

(m) This Agreement has been duly authorized, executed and delivered by the Company.

(n) Except as disclosed in the Registration Statement, the Disclosure Package and the Final Prospectus, the Company and the Subsidiaries hold title to all real properties and all other properties and assets owned by them, in each case free from liens, encumbrances and defects that are reasonably likely to result in a Company Material Adverse Effect; and the Company and the Subsidiaries hold any leased real or personal property under valid and enforceable leases with no exceptions that are reasonably likely to result in a Company Material Adverse Effect.

(o) The Company and the Subsidiaries possess adequate certificates, authorities or permits issued by appropriate governmental agencies or bodies necessary to conduct the business now operated by them and have not received any notice of proceedings relating to the revocation or modification of any such certificate, authority or permit that, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a Company Material Adverse Effect.

(p) No labor dispute with the employees of the Company or any of the Subsidiaries, exists or, to the knowledge of the Company, is imminent that would reasonably be expected to have a Company Material Adverse Effect.

(q) The Company and the Subsidiaries own, possess or can acquire on reasonable terms, adequate trademarks, trade names and other rights to inventions, know-how, patents, copyrights, confidential information and other intellectual property (collectively, the “Intellectual Property Rights”) necessary to conduct the business now operated by them, or presently employed by them, and have not received any notice of infringement of or conflict with asserted rights of others with respect to any Intellectual Property Rights that, if determined adversely to the Company or any of the Subsidiaries, would individually or in the aggregate have a Company Material Adverse Effect.

(r) Except as disclosed in the Registration Statement, the Disclosure Package and the Final Prospectus, none of the Company or any of the Subsidiaries (A) is in violation of any statute, any rule, regulation, decision or order of any governmental agency or body or any court, domestic or foreign, relating to the use, disposal or release of hazardous or toxic substances or relating to the protection or restoration of the environment or human exposure to hazardous or toxic substances (collectively, the “Environmental Laws”), (B) owns leases or operates any real property contaminated with any substance that is subject to any Environmental Laws, (C) is liable for any off-site disposal or contamination pursuant to any Environmental Laws, or (D) is subject to any claim relating to any Environmental Laws, in each case which violation, contamination, liability or claim would individually or in the aggregate have a Company Material Adverse Effect; and the Company is not aware of any pending or threatened investigation which is reasonably expected to lead to such a claim. Except as disclosed in the Registration Statement, the Disclosure Package and the Final Prospectus, there are no costs or liabilities associated with Environmental Laws (including, without limitation, any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties) that would reasonably be expected to have a Company Material Adverse Effect.

(s) Except as disclosed in the Registration Statement, the Disclosure Package and the Final Prospectus, there are no pending actions, suits or proceedings against or affecting the Company or any of the Subsidiaries, or any of their respective properties that, if determined adversely to the Company or any of its Subsidiaries would individually or in the aggregate have a Company Material Adverse Effect, or would materially and adversely affect the ability of the Company to perform its obligations under any Operative Document, or which are otherwise material in the context of the transactions contemplated by any Operative Document; and no such actions, suits or proceedings are threatened or, to the Company's knowledge, contemplated.

(t) The financial statements of the Company and its consolidated subsidiaries included or incorporated by reference in the Disclosure Package, the Final Prospectus and the Registration Statement present fairly the financial position of the Company and its consolidated subsidiaries as of the dates shown and their consolidated statements of operations and cash flows for the periods shown, and such financial statements have been prepared in conformity with the generally accepted accounting principles in the United States applied on a consistent basis and the schedules included in the Registration Statement present fairly the information required to be stated therein. The summary consolidated financial data set forth in the Disclosure Package, the Final Prospectus and Registration Statement fairly present on the basis stated in the Disclosure Package, the Final Prospectus and the Registration Statement, respectively, the information included therein. The interactive data in eXtensible Business Reporting Language included or incorporated by reference in each of the Disclosure Package, the Final Prospectus and the Registration Statement fairly presents the information called for in all material respects and is prepared in accordance with the Commission's rules and guidelines applicable thereto.

(u) Except as disclosed in the Registration Statement, the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto), since the date of the latest audited financial statements included in the Registration Statement, the Disclosure Package and the Final Prospectus (i) there has not occurred any Company Material Adverse Effect, or any development or event that would reasonably be expected to involve a prospective Company Material Adverse Effect, and (ii) there has been no dividend or distribution of any kind declared, paid or made by the Company on any class of its capital stock.

(v) None of the Company or any of the Subsidiaries is currently in breach of, or in default under, any other written agreement or instrument to which it or its property is bound or affected except to the extent that such breach or default would not reasonably be expected to have a Company Material Adverse Effect.

(w) The documents incorporated by reference into the Disclosure Package and the Final Prospectus, when they were filed (or, if any amendment with respect to any such document was filed, when such amendment was filed), conformed in all material respects with the requirements of the Exchange Act; and any further such documents incorporated by reference will, when they are filed, conform in all material respects with the requirements of the Exchange Act.

(x) The Company and each of the Subsidiaries is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which they are engaged; none of the Company or any such Subsidiary has been refused any insurance coverage sought or applied for; and none of the Company or any such Subsidiary has any reason to believe, absent a significant change in overall insurance market conditions, that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not reasonably be expected to have a Company Material Adverse Effect.

(y) PricewaterhouseCoopers, LLP (US), which has certified certain consolidated financial statements of the Company and its subsidiaries, is the independent registered public accounting firm with respect to the Company and its subsidiaries within the applicable rules and regulations adopted by the Commission and the Public Company Accounting Oversight Board (United States) (the “PCAOB”) and as required by the Act.

(aa) None of the Company or any of its subsidiaries, or, to the knowledge of the Company, any director, officer, agent, employee or affiliate or other person associated with or acting on behalf of the Company or any of its subsidiaries has (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity; (ii) made or taken an act in furtherance of an offer, promise or authorization of any direct or indirect unlawful payment or benefit to any foreign or domestic government official or employee, including of any government-owned or controlled entity or of a public international organization, or any person acting in an official capacity for or on behalf of any of the foregoing, or any political party or party official or candidate for political office; (iii) violated or is in violation of any provision of the Foreign Corrupt Practices Act of 1977, as amended, or any applicable law or regulation implementing the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions, or committed an offence under the Bribery Act 2010 of the United Kingdom, or any other applicable anti-bribery or anti-corruption law; or (iv) made, offered, agreed, requested or taken an act in furtherance of any unlawful bribe or other unlawful benefit, including, without limitation, any rebate, payoff, influence payment, kickback or other unlawful payment or benefit. For the past five years, the Company and its subsidiaries have not knowingly engaged in, are not now knowingly engaged in and will not engage in any dealings or transactions with any person that at the time of the dealing or transaction is or was the subject or the target of Sanctions or with any Sanctioned Country.

(dd) None of the Company nor any of the Subsidiaries has taken, directly or indirectly, any action designed to, or that might reasonably be expected to, cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities. Except as permitted by the Act and furnished and consented to by the Underwriters prior to distribution, the Company has not distributed any registration statement, preliminary prospectus, prospectus or other offering material in connection with the offering and sale of the Securities.

(ee) The Company is subject to the reporting requirements of either Section 13 or Section 15(d) of the Exchange Act and files reports with the Commission on the Electronic Data Gathering, Analysis and Retrieval system.

(ff) The Company is not and, after giving effect to the offering and sale of the Securities and the application of the proceeds thereof as described in the Disclosure Package and the Final Prospectus, will not be, an “investment company” as defined in the Investment Company Act.

(gg) Except as disclosed in the Disclosure Package and the Final Prospectus, there are no contracts, agreements or understandings between the Company and any person that would give rise to a valid claim against the Company or any Underwriter for a brokerage commission, finder’s fee or other like payment as a result of the transactions contemplated by this Agreement.

(hh) On and immediately after the Closing Date, the Company (after giving effect to the issuance and sale of the Securities, and the other transactions related thereto as described in each of the Disclosure Package and the Final Prospectus) will be Solvent. As used in this paragraph, the term “Solvent” means, with respect to a particular date and entity, that on such date (i) the fair value (and present fair saleable value) of the assets of such entity is not less than the total amount required to pay the probable liability of such entity on its total existing debts and liabilities (including contingent liabilities) as they become absolute and matured; (ii) such entity is able to realize upon its assets and pay its debts and other liabilities, contingent obligations and commitments as they mature and become due in the normal course of business; (iii) assuming consummation of the issuance and sale of the Securities as contemplated by this Agreement, the Disclosure Package and the Final Prospectus, such entity does not have, intend to incur or believe that it will incur debts or liabilities beyond its ability to pay as such debts and liabilities mature; (iv) such entity is not engaged in any business or transaction, and does not propose to engage in any business or transaction, for which its property would constitute unreasonably small capital; and (v) such entity is not a defendant in any civil action that would result in a judgment that such entity is or would become unable to satisfy.

(ii) Neither the issuance, sale and delivery of the Securities nor the application of the proceeds thereof by the Company as described in each of the Disclosure Package and Final Prospectus will violate Regulation T, U or X of the Board of Governors of the Federal Reserve System or any other regulation of such Board of Governors.

(jj) The Company and its directors and officers are in material compliance with the applicable provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated in connection therewith.

(kk) The Company and its subsidiaries' information technology assets and equipment, computers, systems, networks, hardware, software, websites, applications, and databases (collectively, "IT Systems") are adequate for, and operate and perform in all respects as required in connection with, the operation of the business of the Company and the subsidiaries as currently conducted, except for such inadequacies or failures to operate and perform as would not, individually or in the aggregate, be reasonably expected to have a Company Material Adverse Effect. The Company and its subsidiaries have implemented and maintained commercially reasonable controls, policies, procedures, and safeguards reasonably designed to maintain and protect the integrity, continuous operation, redundancy and security of all material IT Systems and all information and data processed or stored in connection with their businesses, including all material personal, personally identifiable, sensitive, confidential or regulated information and data ("Protected Data"). For the past two years, there have been no breaches, violations, outages, or unauthorized uses of or accesses to the IT Systems and Protected Data, except for those that have been remedied without material cost or liability or that did not, or are not reasonably expected to, individually or in the aggregate, have a Company Material Adverse Effect. The Company and its subsidiaries are presently in compliance with all applicable laws or statutes and all judgments, orders, rules and regulations of any court or arbitrator or governmental or regulatory authority, internal policies and contractual obligations relating to the privacy and security of IT Systems and Protected Data and to the protection of such IT Systems and Protected Data from unauthorized use, access, misappropriation or modification, except for such noncompliance as would not, individually or in the aggregate, be reasonably expected to have a Company Material Adverse Effect.

Any certificate signed by any officer of the Company and delivered to the Representatives or counsel for the Underwriters in connection with the offering of the Securities shall be deemed a representation and warranty by the Company, as to matters covered thereby, to each Underwriter.

2. Purchase and Sale. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company agrees to sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company, at the purchase price (expressed as a percentage of principal amount) set forth in Schedule I hereto with respect to each series of Securities, the principal amount of the Securities set forth opposite such Underwriter's name in Schedule II hereto with respect to such series.

3. Delivery and Payment. Delivery of and payment for the Securities shall be made on the date and at the time specified in Schedule I hereto or at such time on such later date not more than ten Business Days after the date of this Agreement as the Representatives shall designate, which date and time may be postponed by agreement between the Representatives and the Company or as provided in Section 9 hereof (such date and time of delivery and payment for the Securities being herein called the "Closing Date"). Delivery of the Securities shall be made to the Representatives for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representatives of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to an account specified by the Company. Delivery of the Securities shall be made through the facilities of The Depository Trust Company unless the Representatives shall otherwise instruct. Certificates for the Securities shall be registered in such names and in such denominations as the Representatives may request not less than one Business Day in advance of the Closing Date.

The Company agrees to have the Securities available for inspection, checking and packaging by the Representatives in New York, New York, no later than the Business Day prior to the Closing Date.

4. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Securities for sale to the public as set forth in the Final Prospectus.

5. Agreements. The Company and the several Underwriters agree that:

(a) Prior to the termination of the offering of the Securities, the Company will not file any amendment of the Registration Statement or amendment or supplement (including the Final Prospectus or any Preliminary Prospectus) to the Base Prospectus and the latest Preliminary Prospectus used prior to the Execution Time. The Company will cause the Final Prospectus, properly completed, and any amendment or supplement thereto to be filed in a form approved by the Representatives with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed and will provide evidence satisfactory to the Representatives of such timely filing. The Company will promptly advise the Representatives (i) when the Final Prospectus, and any amendment or supplement thereto (if required), shall have been filed with the Commission pursuant to Rule 424(b), (ii) when, prior to termination of the offering of the Securities, any amendment to the Registration Statement shall have been filed or become effective, which amendment shall be in a form approved by the Representatives, (iii) of any request by the Commission or its staff for any amendment of the Registration Statement, or for any amendment or supplement to the Final Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose or pursuant to Section 8A of the Act and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its reasonable best efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its reasonable best efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) The Company will prepare a final term sheet, containing solely a description of final terms of the Securities and the offering thereof, in the form approved by you and attached as Schedule IV hereto and file such term sheet pursuant to Rule 433(d) within the time required by such Rule.

(c) If, at any time prior to the filing of the Final Prospectus pursuant to Rule 424(b), any event occurs as a result of which the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made or the circumstances then prevailing not misleading, or if it shall be necessary to amend the Registration Statement, file a new registration statement or supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, the Company will (i) notify promptly the Representatives so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) amend or supplement the Disclosure Package in a form approved by the Representatives to correct such statement or omission; and (iii) supply any amendment or supplement to you in such quantities as you may reasonably request.

(d) If, at any time when a prospectus relating to any series of Securities is required to be delivered under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Final Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made at such time not misleading, or if it shall be necessary to supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, including in connection with use or delivery of the Final Prospectus, the Company promptly will (i) notify the Representatives of any such event, (ii) prepare and file with the Commission, subject to the second sentence of paragraph (a) of this Section 5, an amendment or supplement or new registration statement which will correct such statement or omission or effect such compliance, (iii) use its reasonable best efforts to have any amendment to the Registration Statement or new registration statement declared effective as soon as practicable in order to avoid any disruption in use of the Final Prospectus and (iv) supply any supplemented Final Prospectus to you in such quantities as you may reasonably request.

(e) As soon as practicable, the Company will make generally available to its security holders and to the Representatives an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158.

(f) The Company will furnish to the Representatives and counsel for the Underwriters, without charge, signed copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172), as many copies of each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus and any supplement thereto as the Representatives may reasonably request.

(g) The Company will arrange, if necessary, for the qualification of the Securities for sale under the laws of such jurisdictions as the Representatives may designate and will maintain such qualifications in effect so long as required for the distribution of the Securities; provided that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject.

(h) Each Underwriter, severally and not jointly, agrees with the Company that, unless it has or shall have obtained, as the case may be, the prior written consent of the Company, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a “free writing prospectus” (as defined in Rule 405) required to be filed by the Company with the Commission or retained by the Company under Rule 433, other than the free writing prospectus containing the information contained in the final term sheet prepared and filed pursuant to Section 5(b) hereto; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule III hereto and any electronic road show relating to the offering and sale of the Securities. Any such free writing prospectus consented to by the Representatives or the Company is hereinafter referred to as a “Permitted Free Writing Prospectus.” The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus, including without limitation for the purposes of this Agreement and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

(i) Before making, preparing, using, authorizing, approving, referring to or filing any Issuer Free Writing Prospectus, and before filing any amendment or supplement to the Registration Statement or the Final Prospectus, whether before or after the time that the Registration Statement becomes effective, the Company will furnish to the Representatives and counsel for the Underwriters a copy of the proposed Issuer Free Writing Prospectus, amendment or supplement for review and will not make, prepare, use, authorize, approve, refer to or file any such Issuer Free Writing Prospectus or file any such proposed amendment or supplement to which the Representatives reasonably object.

(j) The Company will not, without the prior written consent of the Representatives, offer, sell, contract to sell, pledge, or otherwise dispose of (or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company or any affiliate of the Company), directly or indirectly, including the filing (or participation in the filing) of a registration statement with the Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, any debt securities issued or guaranteed by the Company pursuant to an indenture, or publicly announce an intention to effect any such transaction, until the day after the Closing Date.

(k) The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(l) Except as otherwise agreed in writing between the Company and the Representatives, the Company agrees to pay the costs and expenses relating to the following matters: (i) the preparation, printing, authentication, issuance and delivery of certificates for the Securities, including any stamp or transfer taxes in connection with the original issuance and sale of the Securities; (ii) the printing (or reproduction) and delivery of this Agreement, any blue sky memorandum and all other agreements or documents printed (or reproduced) and delivered, including the expenses and fees of the financial printer, in connection with the offering and sale of the Securities; (iii) the registration of the Securities under the Exchange Act; (iv) any registration or qualification of the Securities for offer and sale under the securities or blue sky laws of the several states (including filing fees and the reasonably incurred fees and expenses of counsel for the Underwriters relating to such registration and qualification); (v) the transportation and other expenses incurred by or on behalf of Company representatives (but not the Underwriters) in connection with presentations to prospective purchasers of the Securities; (vi) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including local and special counsel) for the Company; and (vii) all other costs and expenses incident to the performance by the Company of its obligations hereunder and under each of the other Operative Documents.

6. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Securities shall be subject to the accuracy of the representations and warranties on the part of the Company contained herein as of the Execution Time and the Closing Date, to the accuracy of the statements of the Company made in any certificates pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder and to the following additional conditions:

(a) The Final Prospectus, and any supplement thereto, have been filed in the manner and within the time period required by Rule 424(b); the final term sheet contemplated by Section 5(b) hereto and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; and no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use shall have been issued and no proceedings for that purpose or pursuant to Section 8A of the Act shall have been instituted or threatened.

(b) The Representatives shall have received (i) the opinion and negative assurance letter of Davis Polk & Wardwell LLP, outside counsel for the Company, dated the Closing Date and addressed to the Representatives, to the effect as set forth on Exhibit A hereto, (ii) the opinion of Brandi Galvin Morandi, Esq., the Chief Legal Officer of the Company, dated the Closing Date and addressed to the Representatives, to the effect set forth on Exhibit B hereto, and (iii) the opinion of Sullivan & Worcester LLP, special tax counsel for the Company, dated the Closing Date and addressed to the Representatives, in form and substance reasonably satisfactory to the Representatives.

(c) The Representatives shall have received from Simpson Thacher & Bartlett LLP, counsel for the Underwriters, such opinion and negative assurance letter, dated the Closing Date and addressed to the Representatives, with respect to matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(d) The Company shall have furnished to the Representatives a certificate of the Company, signed by the Chairman of the Board or the President and the principal financial or accounting officer of the Company, dated the Closing Date, to the effect that:

(i) the representations and warranties of the Company in this Agreement are true and correct on and as of the Closing Date with the same effect as if made on the Closing Date and the Company has complied with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date;

(ii) no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened; and

(iii) since the date of the most recent financial statements included in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto), there has been no material adverse effect on the condition (financial or other), business, properties or results of operation of the Company and the Subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto).

(e) The Representatives shall have received from PricewaterhouseCoopers, LLP (US), at the Execution Time and at the Closing Date, “comfort” letters (which may refer to letters previously delivered to the Representatives), dated respectively as of the Execution Time and as of the Closing Date and each in form and substance satisfactory to the Representatives, containing statements and information of the type customarily included in accountants’ “comfort” letters to underwriters with respect to the financial statements and certain financial information of the Company and its subsidiaries contained or incorporated by reference in each of the Disclosure Package and the Final Prospectus, confirming that PricewaterhouseCoopers, LLP (US) is an independent registered accounting firm with respect to the Company and its subsidiaries within the meaning of the Act and the Exchange Act and the respective applicable rules and regulations adopted by the Commission and the PCAOB; provided that the “comfort” letter delivered on the Closing Date shall use a “cut-off” date no more than two Business Days prior to the Closing Date.

(f) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereof) and the Final Prospectus (exclusive of any amendment or supplement thereto), there shall not have been (i) any change or decrease specified in the letters referred to in paragraph (e) of this Section 6 or (ii) any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), earnings, business or properties of the Company and its subsidiaries taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto) the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representatives, so material and adverse as to make it impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by the Registration Statement (exclusive of any amendment thereof), the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto).

(g) Subsequent to the Execution Time, there shall not have been any decrease in the rating of any of the Company’s debt securities by any “nationally recognized statistical rating organization” (as such term is defined in Section 3(a)(62) under the Exchange Act) or any notice given of any intended or potential decrease in any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(h) Prior to the Closing Date, the Company shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

If any of the conditions specified in this Section 6 shall not have been fulfilled when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

The documents required to be delivered by this Section 6 shall be delivered at the office of Simpson Thacher & Bartlett LLP, counsel for the Underwriters, at 2475 Hanover Street, Palo Alto, CA 94304, on the Closing Date.

7. Reimbursement of Underwriters' Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by any of the Underwriters, the Company will reimburse the Underwriters severally through the Representatives on demand for all expenses (including fees and disbursements of counsel) that shall have been reasonably incurred by them in connection with the proposed purchase and sale of the Securities.

8. Indemnification and Contribution.

(a) The Company agrees to indemnify and hold harmless each Underwriter, its affiliates, the directors, officers, employees and agents of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or in any amendment thereof or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein, not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained in the Base Prospectus, any Preliminary Prospectus or any other preliminary prospectus supplement relating to any series of Securities, the Final Prospectus, any Issuer Free Writing Prospectus or the information contained in the final term sheet required to be prepared and filed pursuant to Section 5(b) hereto, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein. This indemnity agreement will be in addition to any liability which the Company may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement, and each person who controls the Company within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Company acknowledges that the information contained under the heading “Underwriting” in the Disclosure Package and the Final Prospectus in (x) the sentence related to concessions to selected dealers, (y) the paragraph related to stabilization transactions and (z) the sentences relating to risk management and hedging policies of certain Underwriters or their affiliates who have lending relationships with the Company (for the avoidance of doubt, such sentences begin with the words “Certain of the underwriters or their affiliates routinely hedge,...”) constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Registration Statement, Preliminary Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party’s choice at the indemnifying party’s expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be satisfactory to the indemnified party. Notwithstanding the indemnifying party’s election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonably incurred fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any statement as to any admission of fault, culpability or failure to act by or on behalf of any indemnified party.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 8 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Company and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending the same) (collectively "Losses") to which the Company and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters on the other from the offering of the Securities. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. In no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount or commission applicable to the Securities purchased by such Underwriter hereunder. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each affiliate, director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph (d). The Underwriters' obligations to contribute pursuant to this Section 8 are several in proportion to their respective purchase obligations and not joint.

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any series of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of Securities with respect to such series set forth opposite their names in Schedule II hereto bears to the aggregate principal amount of such series of Securities set forth opposite the names of all the remaining Underwriters) the Securities with respect to such series which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of Securities set forth in Schedule II hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities, and if such nondefaulting Underwriters do not purchase all the Securities, this Agreement will terminate without liability to any nondefaulting Underwriter or the Company other than as set forth in the last sentence of Section 11. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any nondefaulting Underwriter for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representatives, by notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such delivery and payment (i) trading in the Company's Common Stock shall have been suspended by the Commission or the NASDAQ Global Select Market or trading in securities generally on the New York Stock Exchange or the NASDAQ Global Market shall have been suspended or limited or minimum prices shall have been established on either of such exchanges, (ii) a banking moratorium shall have been declared either by Federal or New York State authorities or (iii) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis the effect of which on financial markets is such as to make it, in the sole judgment of the Representatives, impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated by the Registration Statement, the Disclosure Package or the Final Prospectus (exclusive of any amendment or supplement thereto).

11. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or its affiliates or the Company or any of the officers, directors, employees, agents or controlling persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 5(1), 7, 8 and 21 hereof shall survive the termination or cancellation of this Agreement.

13. No fiduciary duty. “**Sale and Leaseback Transaction**” means any direct or indirect arrangement with any Person or to which any such Person is a party, providing for the leasing to the Company or a Restricted Subsidiary of any property, whether owned by the Company or any Restricted Subsidiary at the Issue Date or later acquired, which has been or is to be sold or transferred by the Company or such Restricted Subsidiary to such Person or to any other Person from whom funds have been or are to be advanced by such Person on the security of such property.

“**Secured Indebtedness**” means any Indebtedness secured by a Lien on any assets of the Company or any of its Restricted Subsidiaries.

“**Subordinated Indebtedness**” means Indebtedness of the Company that is subordinated or junior in right of payment to the Notes.

“**Supplemental Indenture**” has the meaning specified in the introductory paragraph of this Supplemental Indenture.

“**TIA**” means the Trust Indenture Act of 1939 (15 U.S.C. Sections 77aaa-77bbb), as amended.

“**Transaction Date**” has the meaning assigned thereto in the definition of “**Four Quarter Period**.”

“**Treasury Rate**” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) - H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading). In determining the Treasury Rate, the Company shall select, as applicable:

- (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “**Remaining Life**”); or
- (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or
- (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third business day preceding the redemption date H.15 or any successor designation or publication is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

“**Trigger Period**” means the 60-day period commencing on the earlier of (i) the occurrence of a Change of Control or (ii) the first public announcement of the occurrence of a Change of Control or the Company’s intention to effect a Change of Control (which Trigger Period will be extended so long as the ratings of the Notes are under publicly announced consideration for possible downgrade by any two of the three Rating Agencies); provided that the Trigger Period will terminate with respect to each Rating Agency when such Rating Agency takes action (including affirming its existing ratings) with respect to such Change of Control.

“**Trustee**” has the meaning specified in the introductory paragraph of this Supplemental Indenture.

“**Unrestricted Subsidiary**” of any Person means:

(1) any Subsidiary of such Person that at the time of determination shall be or continue to be designated an Unrestricted Subsidiary by the Board of Directors of such Person in the manner provided below; and

(2) any Subsidiary of an Unrestricted Subsidiary.

The Board of Directors of the Company may designate any Subsidiary (including any newly acquired or newly formed Subsidiary) to be an Unrestricted Subsidiary unless such Subsidiary owns any Capital Stock of, or owns or holds any Lien on any property of, the Company or any other Subsidiary of the Company that is not a Subsidiary of the Subsidiary to be so designated; *provided* that each Subsidiary to be so designated and each of its Subsidiaries has not at the time of designation, and does not thereafter, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable with respect to any Indebtedness pursuant to which the lender has recourse to any of the assets of the Company or any of its Restricted Subsidiaries.

The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary only if, immediately before and immediately after giving effect to such designation, no Default or Event of Default shall have occurred and be continuing. Section 1.02. *Conflicts with Base Indenture.* In the event that any provision of this Supplemental Indenture limits, qualifies or conflicts with a provision of the Base Indenture, such provision of this Supplemental Indenture shall control.

ARTICLE 2 THE NOTES

Section 2.01. *Amount; Series; Terms.*

(a) There is hereby created and designated one series of Notes under the Base Indenture: the title of the Notes shall be “3.900% Senior Notes Due 2032.” The changes, modifications and supplements to the Base Indenture effected by this Supplemental Indenture shall be applicable only with respect to, and govern the terms of, the Notes and shall not apply to any other series of Notes that may be issued under the Base Indenture unless a supplemental indenture with respect to such other series of Notes specifically incorporates such changes, modifications and supplements.

(b) The initial aggregate principal amount of Notes is \$1,200,000,000. The Company shall be entitled to issue additional notes under this Supplemental Indenture (“**Additional Notes**”) that shall have identical terms as the Initial Notes, other than with respect to the date of issuance, issue price and amount of interest payable on the first interest payment date applicable thereto; *provided* that such issuance is not prohibited by the terms of the Indenture. Any such Additional Notes shall be consolidated and form a single series with the Initial Notes initially issued including for purposes of voting and redemption; *provided* that if such Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such Additional Notes shall have one or more separate CUSIP numbers. With respect to any Additional Notes, the Company shall set forth in a Board Resolution of its Board of Directors and in an Officers’ Certificate, a copy of each of which shall be delivered to the Trustee, the following information: (i) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Supplemental Indenture; and (ii) the issue price, the issue date, the CUSIP number of such Additional Notes, the first interest payment date and the amount of interest payable on such first interest payment date applicable thereto and the date from which interest shall accrue.

(c) The Stated Maturity of the Notes shall be April 15, 2032. The Notes shall be payable and may be presented for payment, purchase, redemption, registration of transfer and exchange, without service charge, at the office of the Company maintained for such purpose in the United States, which shall initially be the office or agency of the Trustee in the United States.

(d) The Notes shall bear interest at the rate of 3.900% per annum from April 5, 2022, or from the most recent date to which interest has been paid or duly provided for, as further provided in the forms of Global Note annexed hereto as Exhibit A. Interest shall be computed on the basis of a 360-day year composed of twelve 30-day months. The dates on which such interest shall be payable (each, an “**Interest Payment Date**”) shall be April 15 and October 15 of each year, beginning on October 15, 2022, and the record date for any interest payable on each such Interest Payment Date shall be the immediately preceding April 1 or October 1, respectively.

(e) The Notes will be issued in the form of one or more Global Notes, deposited with the Trustee as custodian for the Depositary or its nominee, duly executed by the Company and authenticated by the Trustee as provided in Sections 2.03 and 2.04 of the Base Indenture.

Section 2.02. *Denominations.* The Notes shall be issuable only in registered form without coupons and only in minimum denominations of \$2,000 and any multiple of \$1,000 in excess thereof.

Section 2.03. *Form of Notes.* The Notes and the Trustee's certificate of authentication will be substantially in the form of Exhibit A hereto. However, to the extent any provision of any Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

ARTICLE 3
REDEMPTION AND PREPAYMENT

Section 3.01. *Redemption.* Pursuant to Section 3.01 of the Base Indenture, the following additional redemption provisions in this Article 3 shall apply to the Notes.

Section 3.02. *Optional Redemption of the Notes.*

(a) Prior to the Par Call Date, the Company may redeem at its election, at any time or from time to time, some or all of the Notes at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 25 basis points less (b) interest accrued to the date of redemption (the "**Redemption Date**"), and (2) 100% of the principal amount of the Notes to be redeemed, plus, in either case, accrued and unpaid interest thereon to the Redemption Date (the "**Make-Whole Premium**").

(b) On or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest thereon to the Redemption Date.

(c) Neither the Trustee nor any Paying Agent shall have any obligation to calculate or verify the calculation of the Make-Whole Premium.

(d) The provisions of Section 3.01 through Section 3.06 of the Base Indenture shall not apply to the Notes, and the following provisions shall apply in lieu thereof:

(i) In the case of a partial redemption, selection of the Notes for redemption will be made pro rata, by lot or by such other method as the Trustee in its sole discretion deems appropriate and fair.

(ii) No Notes of a principal amount of \$2,000 or less shall be redeemed in part.

(iii) Notice of redemption will be delivered at least 10 but not more than 60 days before the redemption date to each Holder of Notes to be redeemed, the Trustee and the Paying Agent; *provided* that, if the redemption notice is issued in connection with a defeasance of the Notes or satisfaction and discharge of the Indenture governing the Note in accordance with the Indenture, the notice of redemption may be delivered more than 60 calendar days before the date of redemption. If any Note is to be redeemed in part only, then the notice of redemption that relates to such Note must state the portion of the principal amount of such Note to be redeemed. A new Note in a principal amount equal to the unredeemed portion of such Note will be issued in the name of the Holder of such Note upon cancellation of the original Note. Unless the Company defaults in payment of the redemption price, on and after the Redemption Date interest will cease to accrue on the Notes or portions thereof called for redemption.

(e) Any redemption or notice of redemption, may, at the Company's discretion, be subject to one or more conditions precedent.

(f) For so long as the Notes are held by the Depository (or another depository), any redemption of the Notes shall be done in accordance with the Applicable Procedures.

Section 3.03. *[Reserved]*.

Section 3.04. *Repurchase Offer*. In the event that, pursuant to Section 4.05 hereof, the Company or a Restricted Subsidiary is required to commence an offer to all Holders to purchase Notes (a “**Repurchase Offer**”), it shall follow the procedures specified below.

The Repurchase Offer shall remain open for a period of at least 20 Business Days following its commencement, except to the extent that a shorter or longer period is permitted or required, as the case may be, by applicable law (the “**Offer Period**”). No later than five Business Days after the termination of the Offer Period (the “**Purchase Date**”), the Company will purchase at the purchase price (as determined in accordance with Section 4.05 hereof, as the case may be) the principal amount of Notes required to be purchased pursuant to Section 4.05 hereof, as the case may be (the “**Offer Amount**”) and, if required, Pari Passu Indebtedness (on a pro rata basis, if applicable), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness tendered in response to the Repurchase Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, to, but not including, the Payment Date will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Repurchase Offer.

Upon the commencement of a Repurchase Offer, the Company will deliver or cause to be delivered a notice to each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Repurchase Offer. The notice, which will govern the terms of the Repurchase Offer, will state:

- (a) that the Repurchase Offer is being made pursuant to this Section 3.04, and Section 4.05 hereof, and the length of time the Repurchase Offer will remain open;
- (b) the Offer Amount, the purchase price and the Purchase Date;
- (c) that any Note not tendered or accepted for payment will continue to accrue interest;
- (d) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Repurchase Offer will cease to accrue interest after the Purchase Date;
- (e) that Holders electing to have a Note purchased pursuant to a Repurchase Offer may elect to have Notes purchased in minimum denominations of \$2,000, or integral multiples of \$1,000 in excess thereof;
- (f) that Holders electing to have a Note purchased pursuant to any Repurchase Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Note completed, or transfer by book-entry transfer, to the Company, a Depository, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
- (g) that Holders will be entitled to withdraw their election if the Company, the Depository or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (h) that, if the aggregate principal amount of Notes and Pari Passu Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Trustee will select the Notes to be purchased on a pro rata basis based on the principal amount of Notes and such Pari Passu Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Trustee so that no Notes in denominations of \$2,000 or less will be purchased in part); and

(i) that Holders whose Notes were purchased only in part will be issued new Notes of the applicable series equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Repurchase Offer or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.04. The Company, the Depository or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and deliver (or cause to be transferred by book entry) such new Note to such Holder in a principal amount equal to any unpurchased portion of the Note surrendered. Notwithstanding any other provision in the Indenture to the contrary, neither an Opinion of Counsel nor an Officers' Certificate is required for the Trustee to authenticate such new Note. Any Note not so accepted shall be promptly returned by the Company to the Holder thereof. The Company will publicly announce the results of the Repurchase Offer on or as soon as practicable after the Purchase Date.

Other than as specifically provided in this Section 3.04 or Section 4.05 of this Supplemental Indenture, as applicable, any purchase pursuant to this Section 3.04 shall be made pursuant to the applicable provisions of Section 3.01 through Section 3.06 of the Base Indenture.

ARTICLE 4 COVENANTS

In addition to the covenants set forth in Article 4 of the Base Indenture, the Notes shall be subject to the following additional covenants. Such additional covenants set forth in Sections 4.03 through Section 4.05 below shall be subject to covenant defeasance pursuant to Section 8.03 of the Base Indenture.

Section 4.01. *Payment of Notes.* The following paragraph shall be added following the first paragraph of Section 4.01 of the Base Indenture: "The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period), at such rate to the extent lawful. Interest will be computed daily on the Notes on the basis of a 360-day year comprised of twelve 30-day months (US 30/360)".

Section 4.02. *Reports to Holders.* The following sentence shall be added to the end of the second paragraph of Section 4.03 of the Base Indenture: "If the Company had any Unrestricted Subsidiaries during the relevant period, the Company will also provide to the Trustee and, upon request, to any Holder of the Notes, information sufficient to ascertain the financial condition and results of operations of the Company and its Restricted Subsidiaries, excluding in all respects the Unrestricted Subsidiaries."

Section 4.03. *Sale and Leaseback Transactions.* The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction with respect to any property or assets unless:

- (1) the Sale and Leaseback Transaction is solely with the Company or a Restricted Subsidiary;
- (2) the lease is for a period not in excess of 36 months (or which may be terminated by the Company or any of its Subsidiaries within a period of not more than 36 months);

(3) the Company would be able to incur Indebtedness secured by a Lien with respect to such Sale and Leaseback Transaction without equally and ratably securing the notes pursuant to Section 4.04(b) (other than in reliance on clause (20) of the definition of “Permitted Liens”); or

(4) the Company or such Restricted Subsidiary within 365 days after the sale of such property in connection with such Sale and Leaseback Transaction is completed, applies an amount equal to the net proceeds of the sale of such property to (i) the redemption of Notes, other Indebtedness of the Company ranking on a parity with the Notes in right of payment or Indebtedness of the Company or a Restricted Subsidiary or (ii) the purchase of other property; provided that, in lieu of applying such amount to the retirement of Pari Passu Indebtedness, the Company may deliver Notes to the Trustee for cancellation; such Notes to be credited at the cost thereof to the Company.

Section 4.04. *Limitation on Liens.* The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or permit or suffer to exist any Liens of any kind against or upon any property or assets of the Company or any of its Restricted Subsidiaries whether owned on the Issue Date or acquired after the Issue Date, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom unless:

(a) in the case of Liens securing Subordinated Indebtedness, the Notes are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; and

(b) in all other cases, the Notes are equally and ratably secured,

except for:

(1) Liens existing as of the Issue Date to the extent and in the manner such Liens are in effect on the Issue Date;

(2) Liens securing the Company’s and its Restricted Subsidiaries’ Obligations under any hedge facility permitted under the Indenture to be entered into by the Company and its Restricted Subsidiaries;

(3) Liens securing the Notes;

(4) Liens in favor of the Company or a Wholly Owned Restricted Subsidiary of the Company on assets of any Restricted Subsidiary of the Company; and

(5) Permitted Liens.

(c) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “**Increased Amount**” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, whether payable in cash or in kind, accretion or amortization of original issue discount, imputed interest, the payment of interest in the form of additional Indebtedness with the same terms or the payment of dividends on Disqualified Capital Stock in the form of additional shares of the same class, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.05. *Offer to Repurchase Upon Change of Control Triggering Event.*

(a) Upon the occurrence of a Change of Control Triggering Event, unless the Company or a third party has previously or concurrently delivered a redemption notice with respect to all outstanding Notes as described under Section 3.02, the Company will be required to make an offer to purchase each Holder’s Notes pursuant to the offer described below (the “**Change of Control Offer**”), at a purchase price (the “**Change of Control Payment**”) equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase.

(b) Within 30 days following the date upon which the Change of Control Triggering Event occurred, the Company must send (in the case of Notes represented by Global Notes, in accordance with the Applicable Procedures), or cause the Trustee to send, a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state, among other things, the purchase date, which must be no earlier than 15 days nor later than 60 days after the date such notice is delivered, other than as may be required by law (the “**Change of Control Payment Date**”). Holders electing to have a Note purchased pursuant to a Change of Control Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Note completed and specifying the portion (equal to \$2,000 and integral multiples of \$1,000 in excess thereof) of such Holder’s Notes that it agrees to sell to the Company pursuant to the Change of Control Offer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date.

(c) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.05, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the provisions of this Section 4.05 by virtue of such conflict.

(d) On the date of such Change of Control Payment, the Company will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(e) The Paying Agent will promptly deliver to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and deliver (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note will be in a minimum principal amount of \$2,000 or an integral multiple of \$1,000. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the date of such Change of Control Payment.

(f) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. The Company (or a third party) may make a Change of Control Offer in advance of, and conditioned upon, any Change of Control Triggering Event.

ARTICLE 5 MERGER, CONSOLIDATION, OR SALE OF ASSETS

The Notes shall not be subject to Section 5.01 of the Base Indenture. In lieu thereof, the Notes shall be subject to the following provisions of Section 5.01 of this Supplemental Indenture:

Section 5.01. *Merger, Consolidation, or Sale of Assets.*

(a) The Company will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of (or cause or permit any Restricted Subsidiary of the Company to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of the Company’s assets (determined on a consolidated basis for the Company and the Company’s Restricted Subsidiaries) whether as an entirety or substantially as an entirety to any Person unless:

(1) either:

(A) the Company shall be the surviving or continuing corporation; or

(B) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition the properties and assets of the Company and of the Company's Restricted Subsidiaries substantially as an entirety (the "**Surviving Entity**");

(i) shall be an entity organized and validly existing under the laws of the United States or any State thereof or the District of Columbia; *provided* that in the case where the Surviving Entity is not a corporation, a co-obligor of the Notes is a corporation; and

(ii) shall expressly assume, by supplemental indenture (in form satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, interest on all of the Notes and the performance of every covenant of the Notes and the Indenture on the part of the Company to be performed or observed;

(2) immediately before and immediately after giving effect to such transaction and the assumption contemplated by clause (1)(B)(ii) of this Section 5.01(a), no Default or Event of Default shall have occurred or be continuing; and

(3) the Company or the Surviving Entity shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture complies with the applicable provisions of the Indenture and that all conditions precedent in the Indenture relating to such transaction have been satisfied.

(b) For purposes of the provisions of Section 5.01(a) hereof, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of the Company, in a single or a series of related transactions, which properties and assets, if held by the Company instead of such Restricted Subsidiaries, would constitute all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

(c) Notwithstanding clauses (1) and (2) of Section 5.01(a) hereof, but subject to the proviso in clause (1)(B)(i) of Section 5.01(a), the Company may merge with (x) any of its Wholly Owned Restricted Subsidiaries or (y) an Affiliate that is a Person that has no material assets or liabilities and which was organized solely for the purpose of reorganizing the Company in another jurisdiction. For the avoidance of doubt, nothing in this Section 5.01 shall prevent the Company or a Restricted Subsidiary from consummating the Company Conversion.

ARTICLE 6

EVENTS OF DEFAULT

The Notes shall not be subject to Section 6.01 of the Base Indenture. In lieu thereof, the Notes shall be subject to the following provisions of Section 6.01 of this Supplemental Indenture:

Section 6.01. *Events of Default.* Any of the following events shall constitute an event of default (an "**Event of Default**");

(a) the failure to pay interest on any Notes when the same becomes due and payable and the default continues for a period of 30 days;

(b) the failure to pay the principal on any Notes, when such principal becomes due and payable, at maturity, upon redemption or otherwise (including the failure to make a payment to purchase Notes tendered pursuant to a Change of Control Offer) on the date specified for such payment in the applicable offer to purchase;

(c) a default in the observance or performance of any other covenant or agreement contained in the Indenture which default continues for a period of 60 days after the Company receives written notice specifying the default (and demanding that such default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes (except (i) in the case of a default with respect to Section 5.01, which will constitute an Event of Default with such notice requirement but without such passage of time requirement and (ii) as otherwise provided in the penultimate paragraph of Section 4.03 of the Base Indenture);

(d) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any Indebtedness of the Company or any Restricted Subsidiary of the Company, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 30 days of receipt by the Company or such Restricted Subsidiary of notice of any such acceleration) if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity or which has been so accelerated (in each case with respect to which the 30-day period described above has passed), equals \$500.0 million or more at any time;

3.900% Senior Notes due 2032

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Equinix, Inc., a Delaware corporation (the “*Company*”), promises to pay interest on the principal amount of this Note at 3.900% per annum from April 5, 2022, until maturity. The Company will pay interest semi-annually in arrears on April 15 and October 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be October 15, 2022. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is equal to the interest rate then in effect to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest will be computed daily on the basis of a 360-day year of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the April 1 or October 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.14 of the Base Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Company maintained for such purpose within or without the United States, or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, U.S. Bank Trust Company, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in the capacity of Paying Agent or Registrar.

(4) *INDENTURE.* The Company issued the Notes under an Indenture, dated as of December 12, 2017 (the “*Base Indenture*” and, as supplemented by the Supplemental Indenture (as defined below), the “*Indenture*”), by and between the Company and the Trustee, as supplemented by that certain Twentieth Supplemental Indenture, dated as of April 5, 2022, by and between the Company and the Trustee (the “*Supplemental Indenture*”). The terms of this Note include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Company.

(5) *OPTIONAL REDEMPTION.*

(a) Prior to January 15, 2032 (the “*Par Call Date*”), the Company may redeem at its election, at any time or from time to time, some or all of the Notes at a redemption price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the redemption date (assuming the notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 25 basis points less (b) interest accrued to the date of redemption (the “*Redemption Date*”), and (2) 100% of the principal amount of the Notes to be redeemed, plus, in either case, accrued and unpaid interest thereon to the Redemption Date.

- (b) On or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest thereon to the Redemption Date.
- (c) Any redemption pursuant to this paragraph 5 shall be made pursuant to the provisions of Article 3 of the Supplemental Indenture.
- (d) Any redemption or notice of redemption, may, at the Company's discretion, be subject to one or more conditions precedent.

(6) *NOTICE OF REDEMPTION.* Notice of redemption will be delivered at least 10 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address and the Trustee, except that redemption notices with respect to any redemption pursuant to Section 3.02 of the Supplemental Indenture may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Notes in denominations larger than \$2,000 may be redeemed in part in connection with any redemption pursuant to Section 3.02, but only in whole multiples of \$1,000 unless all of the Notes held by a Holder are to be redeemed and *provided* that any unredeemed portion of a Note is equal to \$2,000 or a multiple of \$1,000 in excess thereof. Unless the Company defaults in payment of the redemption price, on and after the Redemption Date interest will cease to accrue on the Notes or portions thereof called for redemption.

(7) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) In the event that the Company or a Restricted Subsidiary is required to commence an offer to all Holders to purchase Notes pursuant to Section 4.05 of the Supplemental Indenture, it will comply with the terms set forth in the Supplemental Indenture, including Section 3.04 thereof.

(b) If a Change of Control Triggering Event occurs, unless the Company or a third party has previously or concurrently delivered a redemption notice with respect to all outstanding notes, as described under Section 3.02 of the Supplemental Indenture, the Company will be required to make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest on the Notes repurchased to the date of repurchase, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within 30 days following any Change of Control Triggering Event, the Company will deliver a notice to each Holder, with a copy to the Trustee, setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(8) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form without coupons in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part that is equal to \$2,000 or a multiple of \$1,000 in excess thereof. Also, the Company need not issue, register the transfer of or exchange any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(9) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as its owner for all purposes.

(10) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture and the Notes may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any, issued under the Supplemental Indenture) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for purchase of, the Notes), and any existing Default or Event of Default, other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes (except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Indenture and the Notes may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any, issued under the Supplemental Indenture) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for purchase of, the Notes). Without the consent of any Holder of Notes, the Indenture or the Notes may be amended or supplemented to cure any ambiguity, defect or inconsistency; provide for the assumption by a Surviving Entity of the obligations of the Company under the Indenture; provide for uncertificated Notes in addition to or in place of certificated Notes; secure the Notes, add to the covenants of the Company for the benefit of the holders of the Notes or surrender any right or power conferred upon the Company; make any change that does not adversely affect the rights of any holder of the Notes; comply with any requirement of the Commission in connection with the qualification of the Indenture under the TIA; provide for the issuance of Additional Notes in accordance with the Supplemental Indenture; evidence and provide for the acceptance of appointment by a successor Trustee; conform the text of the Indenture or the Notes to any provision of the “Description of Notes” of the Prospectus to the extent that such provision in the “Description of Notes” of the Prospectus was intended to be a recitation of a provision of the Indenture or the Notes; or make any amendment to the provisions of the Indenture relating to the transfer and legending of the Notes as permitted by the Indenture, including, without limitation to facilitate the issuance and administration of the Notes; *provided* that (i) compliance with the Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer the Notes.

(11) *DEFAULTS AND REMEDIES*. Events of Default with respect to the Notes include: (i) failure by the Company to pay interest on any Notes when such interest becomes due and payable and the default continues for a period of 30 days; (ii) failure by the Company to pay the principal on any Notes when such principal becomes due and payable, at maturity, upon redemption or otherwise (including the failure to make a payment to purchase Notes tendered pursuant to a Change of Control Offer); (iii) failure by the Company for 60 days after notice to the Company by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other covenants or agreements in the Indenture (except (i) in the case of a default with respect to Section 5.01 of the Supplemental Indenture, which will constitute an Event of Default with such notice requirement but without such passage of time requirement and (ii) as otherwise provided in the penultimate paragraph of Section 4.03 of the Base Indenture); (iv) the failure to pay at final maturity (giving effect to any applicable grace periods and any extensions thereof) the stated principal amount of any Indebtedness of the Company or any Restricted Subsidiary of the Company, or the acceleration of the final stated maturity of any such Indebtedness (which acceleration is not rescinded, annulled or otherwise cured within 30 days of receipt by the Company or such Restricted Subsidiary of notice of any such acceleration) if the aggregate principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at final stated maturity or which has been so accelerated (in each case with respect to which the 30-day period described above has passed), equals \$500.0 million or more at any time; (v) the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary, pursuant to or within the meaning of Bankruptcy Law, commences a voluntary case, consents to the entry of an order for relief against it in an involuntary case, consents to the appointment of a custodian for it or for all or substantially all of its property, makes a general assignment for the benefit of its creditors, or an admission by the Company in writing of its inability to pay its debts as they become due; or (vi) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that is for relief against the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary in an involuntary case; appoints a custodian of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary or for all or substantially all of the property of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary or orders the liquidation of the Company or any of its Restricted Subsidiaries that is a Material Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Material Subsidiary and the order or decree remains unstayed and in effect for 60 consecutive days.

If any Event of Default with respect to outstanding Notes occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare the principal of, and accrued and unpaid interest on all the Notes to be due and payable by notice in writing to the Company and the Trustee specifying the respective Event of Default and that it is a “notice of acceleration” and the same shall be immediately due and payable.

Notwithstanding the foregoing, in the case of an Event of Default arising from the events of bankruptcy or insolvency specified in clauses (v) or (vi) in the second preceding paragraph above occurring with respect to the Company, all unpaid principal of and accrued and unpaid interest on all of the outstanding Notes will become due and payable immediately without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of the Notes notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal or interest or premium, if any) if it determines that withholding notice is in their interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes. The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, within five Business Days of any Officer becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(12) *TRUSTEE DEALINGS WITH THE COMPANY.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee.

(13) *NO RECOURSE AGAINST OTHERS.* No past, present or future director, officer, employee, incorporator, agent, stockholder or Affiliate of the Company, as such, shall have any liability for any obligations of the Company under the Notes or under the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liabilities. The waiver and release are part of the consideration for the issuance of the Notes.

(14) *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(15) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(16) *CUSIP NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(17) *GOVERNING LAW.* THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE AND THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Company will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

We, as your counsel, have examined originals or copies of such documents, corporate records, certificates of public officials and other instruments as we have deemed necessary or advisable for the purpose of rendering this opinion.

In rendering the opinion expressed herein, we have, without independent inquiry or investigation, assumed that (i) all documents submitted to us as originals are authentic and complete, (ii) all documents submitted to us as copies conform to authentic, complete originals, (iii) all signatures on all documents that we reviewed are genuine, (iv) all natural persons executing documents had and have the legal capacity to do so, (v) all statements in certificates of public officials and officers of the Company that we reviewed were and are accurate and (vi) all representations made by the Company as to matters of fact in the documents that we reviewed were and are accurate.

Based upon the foregoing, and subject to the additional assumptions and qualifications set forth below, we advise you that, in our opinion, when the Securities have been duly executed and authenticated in accordance with the provisions of the Indenture and delivered to and paid for by the Underwriters pursuant to the Underwriting Agreement, the Securities will constitute valid and binding obligations of the Company, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability, provided that we express no opinion as to (x) the enforceability of any waiver of rights under any usury or stay law, (y) the effect of fraudulent conveyance, fraudulent transfer or similar provision of applicable law on the conclusions expressed above or (z) the validity, legally binding effect or enforceability of any provision that permits holders to collect any portion of stated principal amount upon acceleration of the Securities to the extent determined to constitute unearned interest.

In addition, we have assumed that the Indenture and the Securities (collectively, the “Documents”) are valid, binding and enforceable agreements of each party thereto (other than as expressly covered above in respect of the Company). We have also assumed that the execution, delivery and performance by each party to each Document to which it is a party (a) are within its corporate powers, (b) do not contravene, or constitute a default under, the certificate of incorporation or bylaws or other constitutive documents of such party, (c) require no action by or in respect of, or filing with, any governmental body, agency or official and (d) do not contravene, or constitute a default under, any provision of applicable law or regulation or any judgment, injunction, order or decree or any agreement or other instrument binding upon such party.

We are members of the Bars of the States of New York and California and the foregoing opinion is limited to the laws of the State of New York and the General Corporation Law of the State of Delaware, except that we express no opinion as to any law, rule or regulation that is applicable to the Company, the Documents or such transactions solely because such law, rule or regulation is part of a regulatory regime applicable to any party to any of the Documents or any of its affiliates due to the specific assets or business of such party or such affiliate.

We hereby consent to the filing of this opinion as an exhibit to a report on Form 8-K to be filed by the Company on the date hereof and its incorporation by reference into the Registration Statement and further consent to the reference to our name under the caption “Legal Matters” in the prospectus supplement which is a part of the Registration Statement. In giving this consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act.

Very truly yours,
